### ***GUEST SPEAKER:***

**MIKE BERMANN, BRICKTOBER OPERATIONS MANAGER**

Mike advised that Bricktober was a resounding success.

We hosted a record attendance of just under 8000 visitors.

A big thank you to all the volunteers, no matter what job you did, with the person scanning tickets, right through to the Operations Manager, playing a very important part in making this event the success it was.

The Goollelal Greenwood Scout Group did a fantastic job in Bump in & Bump out. Thanks Guys. See you next year.

Very impressed to see DG Pat in among the activities & mixing with the crowd & volunteers. Thank you for your support DG.

Also among the visitors was Hannah Beasley, MLA, State Member for Victoria Park.

I hope to have a Special Commemorative Bricktober Bulletin out sometime next week, with stories, quotes, & photos from the event.

## ***THIS WEEKS CHUCKLE***

***Last week I posed the question***

***Winston Churchill loved these, but what are they called,***

and invited, you the reader, to let me know, and to maybe send some additional sayings. (The response was disappointing)

***Where there's a will, I want to be in it.***

The answer is ***Paraprosdokians*** which are figures of speech where the latter part of a sentence or phrase is a complete surprise or unexpected, also frequently humorous.
