Visit to Wheelchairs for Kids

We took our October meeting on the road, when we visited the Wheelchairs for Kids workshop in Wangara.

Members & friends of the Satellite Club braved the wild weather for an informative tour of the amazing facility. After hearing the history of the program, the many countries that have been provided wheelchairs, seeing how the chairs are made, packaged & some of the supporters of the program, we were proud to present a cheque to wheelchairs for Kids for \$2000 – which will provide life changing mobility for 10 more kids.

We followed up with some international fellowship, with dinner & laughs at UNIQUE THAI in Woodvale.

A big thanks to Stewart B for organising a triple header of a night: a Meeting, a Vocational visit & a Social Function.

Stewart Bermann presenting the cheque for ten wheelchairs to Beppie, a long serving Volunteer, & our guide for the evening.

Dates to remember: October 29 Quiz Night Belmont Sports & Rec Centre

We should do our best to encourage & support the Satellite Club as it is our future, so spread the word, get a Table together & come along and enjoy yourself.
Have you reserved your table?

Any prizes that you could provide would be most appreciated.
What have you been able to organise?

December 5 Bunnings Sausage Sizzle
Put your name down.

Next Meeting: November 16

I hope to have a Special Commemorative Bricktober Bulletin out sometime next week, with stories, quotes, & photos from the event.
