APOLOGIES: Roma Gehringer, Michael Metcalf.

President Dianne

President Dianne welcomed 10 members to our meeting at Dome,

.
Another welcome visitor was Ann Bermann, Honorary Member of Ascot Satellite Club, and Bricktober Organiser extraordinaire, who was present to give out the new BRICKTOBER shirts.

If anyone is free **on Saturday 22 October** and can help, I would greatly appreciate it. I have double booked myself.

Peter Richo has volunteered to do it for me , but I am sure hem could do with some help with set up from 10 am.

Ascot will host a stall at the Belmont Mental Health Week event on Saturday afternoon at the Skateboard Park from 12.00 noon until 3 pm (with set up prior to that time). I have the marquee and will have all the pamphlets required.

I have a spare ticket to the Australian Rotary Health Indigenous Health Christmas Celebration on Thursday 8 December from 6.30 pm. If anyone is interested in coming with me, they can have that ticket.

CONGRATULATIONS to US

We have been nominated for the Belmont Small Business Awards – in the category of Community Spirit. I was asked to complete an application form, so that has been handed in. The awards night is 26 October with ticket sales closing on 10 October if anyone wants to go.

is most useful when erect.

Those who answered SPINE are Doctors today,
while the rest are on Facebook.

YOUTH

Applications are open for RYLA Camp 18–28-year-olds.

BRICKTOBER

Mike Bermann advised that some 6000 people visited Bricktober, which was a little down on last year, however the financials should be in line with last year. A full rundown will be presented soon.

GUEST SPEAKER

Our Guest Speaker this morning was President Dianne, who posed a couple of questions.

1. Bricktober Debrief
2. Kite Day – Preliminary Planning.

We broke into groups to discuss, & then discussed each groups thoughts.

The Questionnaires are attached & should you have any ideas to add, please let Pres Dianne know.

Our Guest Speakers on Oct 25 are from Belmont City College.

HAVE A CHUCKLE

*I had a problem with my computer yesterday, so I called Eric,
the 11-year-old kid next door.
Eric clicked a couple of buttons and solved the problem.
As he was walking away, I asked him "so what was wrong?"
He replied, "it was an ID ten T error."
"What exactly is that?" I asked him.
"Haven't you ever heard of it before?"
"No." I replied.
"Write it down" he said, "and I think you'll figure it out."
So I wrote down,
ID10T
And I used to like Eric, the little bastard.*

000000000000

Have a fabulous week
See you at Dome on 25th October
Cheers
Richo
