WORK IS PROGRESSING IN

TIMOR LESTE

The current project is nearing completion with the final tanks and water pipes being installed.

Rotary Club of Southern Districts has contributed \$1,500 to our RAWCS Account bringing it to a balance of just over \$12,000. We are watching and waiting for the next project idea.

BRICKTOBER IS ON AGAIN THIS YEAR

We will be asking for your assistance once again in making sure this year's event is the best we can provide under the current restrictions. Keep that weekend free and be available to help out in whatever capacity you are capable of. We want to make sure we can be ready to make it happen. If you know someone who might be interested in volunteering let Ann Bermann know.

VICTORIA PARK MARKETS AND SWAP MEET

Please check out the markets roster attached to the email sent out to everyone with this newsletter and look for a time when you can help out. Help is required either in the early morning shift to help set up; or in the midday shift to help pack everything away again or both if you are available. Let Peter Richardson know when you are available. Contact him either on 0419948417 or psricho@iinet.net.au

PAST PRESIDENT HUGH with PP Michael and current P Michael (on left)

PDG and PP Hugh was acknowledged this morning for his fantastic contribution to all things Rotary, both at a club level and at a district level. He very deservedly received the Ascot Rotarian of the Year award from our club members. Thank you Hugh for all the great work you do to make sure we are kept informed and up to date about what we can do for Rotary; and what Rotary can do for our club and members.

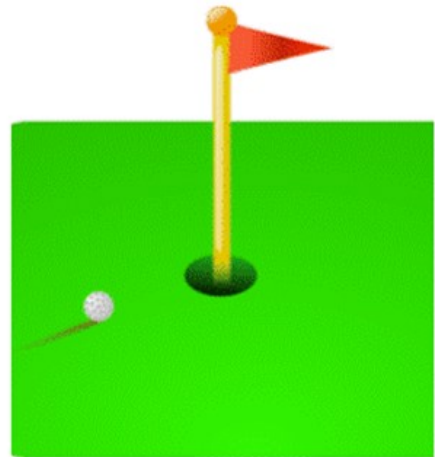

CONGRATULATIONS TO ROMA AND RON

Congratulations go to both Roma and Ron for their contribution to the Rotary Foundation. Both received Paul Harris Fellowship Awards this morning.

MEMBERSHIP

Increasing our membership is everyone's business. Look out for people who might be interested in joining our club and let Hugh know so he can follow up on that lead. We can increase our membership. Let's see if we can grow our membership by a minimum of 3.
