BRICKTOBER IS ON AGAIN THIS YEAR

We will be asking for your assistance once again in making sure this year's event is the best we can provide under the current restrictions. Keep that weekend free and be available to help out in whatever capacity you are capable of. We want to make sure we can be ready to make it happen. If you know someone who might be interested in volunteering let Ann Bermann know.

VICTORIA PARK MARKETS AND SWAP MEET

Thank you to those who volunteered to pick up a time slot or two at the Vic Park Markets. Your support of the club is greatly appreciated. Help is still required either in the early morning shift to help set up; or in the midday shift to help pack everything away again or both if you are available. Remember if we are involved in running it, we get a share of the profits from it to help us run our programs. Let Peter Richardson know when you are available. Contact him either on 0419948417 or psricho@iinet.net.au

A little birdie told me that Donna Stephenson won a Fremantle Dockers team jumper at the Football game on Monday night for being the 'best half time' dancer. (You probably did it to warm up.) Congratulations Donna.

NOTES FROM OUR ZOOM MEETING ON 28 JULY 2020

Guest: Jodie Sparks (we hear that Jodie is coming back to us as a transferring member) Welcome Jodie. Jodie's induction will occur at our next meeting at the Ingot Hotel on 11 August.

Reports:

Hugh—Membership: we all need to be alert to opportunities to invite new members to join the club. Mike B indicated that Glenys Godfrey might be interested in returning to the club. Mike to invite her to the next meeting at the Ingot Hotel.

Hugh—Foundation: expecting to receive our District Grant soon—so we can pass funds on to Starick for their Safe at Home program.

Michelle—Community: President Michael, Stephen and Michelle are heading to Maida Vale Primary School on Friday to present their Lego Play Tubs to them.

Stuart—Youth/Vocational: we have 2 nominees for NYSF in January; looking for applicants for RYPEN—for school aged young people. Rotary Youth Program for Enrichment is for 14—17 year olds. If you know of someone—let Stuart know. Better to phone him, or if emailing him—send a text as well.

Mike B—International—spoken with Eddie re finishing the current work. Likely we will get a request for more work that could be done for them.

Mike B—Bricktober—have had some issues with Vic Park (they lost our application); and if Stage 4 Covid-19 conditions continue there will need to be stringent cleaning done during Bricktober which could present some issues for running the show. Our back up plan is to run a “Virtual Event”. It is a ‘watch this space’ until we know more about the easing of restrictions (which are due to be announced early next month).

Joanna—Finance—we should all have received our annual dues invoice, please pay as soon as possible into the club account.

Peter—Swap Meet—thank you to those who have volunteered; 8 spots still to be filled between now and end of September. Need volunteers to keep it going.

Guest Speaker: Chris Merton

Our newest member, Chris, spoke about growing up in the UK; backpacking in Australia and returning to Australia because he loved it here. Currently he is our Media / PR person for Bricktober. Check out our more detailed summary of what he said on our website.

MEMBERSHIP

Increasing our membership is everyone's business. Look out for people who might be interested in joining our club and let Hugh know so he can follow up on that lead. We can increase our membership. Let's see if we can grow our membership by a minimum of 3.

For the golfers out there: "Never keep more than 300 separate thoughts in your mind during your swing".

MICHAEL METCALF—MEMOIRS
