Season's Greetings and Welcome,

This year's theme of Rotary International is "The Magic of Rotary." Tonight, we are bringing on the magic.

On behalf of the Rotary Club of Cedarburg-Grafton, I am pleased to welcome you to our 2024 Milwaukee Symphony Orchestra Holiday Concert. We are incredibly honored to be entertained this evening by such a world-class group of musicians.

The Rotary Club of Cedarburg-Grafton was founded in 1965 and currently has 60 dedicated members comprised of community and business leaders who embody Rotary's motto of "Service Above Self."

Events like this one, and our Rotary Music Festival in July, allow us to provide up to \$42,000 in scholarships annually, as well as tens of thousands of dollars to local non-profits, community projects and international causes every year.

We appreciate your support, as well as that of the advertisers in this program book. I encourage you to look through the booklet and patronize the local businesses listed there. They are our friends and neighbors and are the reason our community is so special.

Thank you for joining us this evening for this wonderful concert with the Milwaukee Symphony Orchestra!

Sit back, relax and experience the magic ...

Minal Hahm

Minal Hahm, President
Rotary Club of Cedarburg-Grafton 2024-2025

About the Milwaukee Symphony Orchestra

The Milwaukee Symphony Orchestra, led by Music Director Ken-David Masur, is among the finest orchestras in the nation and the largest cultural institution in Wisconsin. Since its inception in 1959, the MSO has found innovative ways to give music a home in the region, develop music appreciation and talent among area youth, and raise the national reputation of Milwaukee.

The MSO's full-time professional musicians perform over 135 classics, pops, family, education and community concerts each season in venues throughout the state. The orchestra's nationally syndicated radio broadcast series, the longest consecutive-running series of any U.S. orchestra, is heard annually by more than two million listeners on 147 subscriber stations in 38 of the top 100 markets.

In January of 2021, the MSO completed a years-long project to restore and renovate a former movie palace in the heart of downtown Milwaukee. The Bradley Symphony Center officially opened to audiences in October 2021. This project has sparked a renewal on West Wisconsin Avenue and continues to be a catalyst in the community.

The MSO's standard of excellence extends beyond the concert hall and into the community, reaching more than 30,000 children and their families through its Arts in Community Education (ACE) program, Youth and Teen concerts, Family Series and Meet the Music pre-concert talks. The nationally-recognized ACE program integrates arts education across all subjects and disciplines, providing opportunities for students when budget cuts may eliminate arts programming. The program provides lesson plans and supporting materials, classroom visits from MSO musician ensembles and artists from local organizations, and an MSO concert tailored to each grade level.

Tonight's Conductor: Ryan Tani

Ryan Tani is in his second season as assistant conductor of the Milwaukee Symphony Orchestra. In 2021, he completed his two-year tenure as the Orchestral Conducting Fellow for the Yale Philharmonia under Music Director Peter Oundjian, where he was the recipient of the Dean's Prize for artistic excellence in his graduating class.

Tani recently concluded his tenure as music director of the Occasional Symphony in Baltimore. A fierce advocate of new music, Tani curated over 20 commissions from Baltimore-based composers during his four-year directorship of OS. As resident conductor of the New Music New Haven series, he has collaborated, under the guidance of Aaron Jay Kernis, with Yale University composition students and faculty.

Tani is also a graduate of the Peabody Institute, where he studied conducting with Marin Alsop and Markand Thakar, and of the University of Southern California, where he studied voice with Gary Glaze. In 2015, he was declared the winner of the ACDA Undergraduate Student Conducting Competition at their national conference in Salt Lake City, Utah.

Tani resides in Milwaukee, where he can be found in the park with his dog, playing board games with friends and family, in the library with a good book or in the practice room with his violin.

About the Cedarburg High School Vocal Music Program

Tonight's pre-show entertainment was provided by members of the Cedarburg High School A Cappella Choir and Bella Voce. Cedarburg High School has four choral ensembles open to all levels of ability. Choral music students can be heard in state honor choirs, in festival choirs locally and abroad, at district and state solo and ensemble festivals and local community events like this evening's MSO Concert pre-show caroling. Acting as ambassadors for CHS and the arts, students experience the joy of quality music making from singing at local establishments such as the Cedar Creek Settlement to their flagship musical productions on the Cedarburg Performing Arts Center stage. Most recently, 26 students from the vocal music department spent five days touring beautiful New York City and experiencing a once-in-a-lifetime opportunity to perform with choirs from all over the world at Carnegie Hall. Students spent three days in rehearsal and performed a concert under the direction of Mr. Eric Whitacre, an internationally renowned composer and conductor. All choirs are directed by Tony Mudra.

A Christmas Carol Sing-Along

by
JOHN FINNEGAN

JINGLE BELLS

(Refrain)

Jingle, bells! Jingle, bells!
Jingle all the way!
Oh! What fun it is to ride
In a one-horse open sleigh!
Jingle, bells! Jingle, bells!
Jingle all the way!
Oh! What fun it is to ride
In a one-horse open sleigh!

Dashing thro' the snow,
In a one-horse open sleigh;
O'er the fields we go,
Laughing all the way;
Bells on bobtail ring,
Making spirits bright;
What fun it is to ride and sing
A sleighing song tonight! Oh!

(Repeat refrain)

JOY TO THE WORLD

Joy to the world! The Lord is
come;
Let earth receive her King
Let ev'ry heart prepare Him
room,
And heav'n and nature sing,
And heav'n and nature sing,
And heav'n and heav'n and
nature sing.

HARK! THE HERALD ANGELS SING

Hark! The herald angels sing,
Glory to the newborn King!
Peace on earth and mercy mild,
God and sinners reconciled!
Joyful all ye nations rise,
Join the triumph of the skies;
With th'angelic host proclaim,
Christ is born in Bethlehem!
Hark! The herald angels sing
Glory to the newborn King.

SILENT NIGHT

Silent night, holy night
All is calm, all is bright
Round yon Virgin Mother
and Child
Holy Infant so tender and
mild,
Sleep in heavenly peace,
Sleep in heavenly peace.

DECK THE HALL

Deck the hall with boughs of
holly
Fa-la-la-la-la, la-la-la-la.
'Tis the season to be jolly,
Fa-la-la-la-la, la-la-la-la.
Don we now our gay apparel,
Fa-la-la-la-la, la-la-la-la.
Troll the ancient Yuletide carol,
Fa-la-la-la-la, la-la-la-la.

O COME, ALL YE FAITHFUL

O come, all ye faithful,
Joyful and triumphant
O come ye, O come ye to
Bethlehem;

(Refrain)

Come and behold Him,
Born the King of angels;

O come, let us adore Him,
O come, let us adore Him,
O come, let us adore Him,
Christ the Lord.

ABOUT ROTARY

On February 23, 1905, Paul Harris, the founder of Rotary born in Racine, Wisconsin, gathered with three other gentlemen for what would become known as the first Rotary club meeting. Harris' desire for camaraderie among business associates led to an international organization of service and fellowship.

Today, Rotary is a worldwide service organization with over 1.2 million members in over 200 countries. Two of the signature projects of Rotary International is the eradication of polio and providing clean water around the world.

The Rotary Club of Cedarburg-Grafton was founded in 1965 and is currently made up of 60 active business and community leaders. The following members are proud to embody the motto of Rotary: "Service above Self".

The Rotary Club of Cedarburg-Grafton continued to make the magic happen in 2024

Community Service

During the past year, the club sponsored two major events including the Rotary Music Festival in July and the MSO Holiday Concert tonight. These events not only raise thousands of dollars that are given back to the community, but provide top-notch entertainment for hundreds of participants. The club also participated in several service projects from filling backpacks with school supplies to cleaning up the shoreline along Cedar Creek.

Scholarships

The club awarded \$42,000 in scholarships to seven deserving high school students valued at \$6,000 each and renewed four scholarships valued at \$1,000 each. The scholarships were presented to recipients at a reception in May.

Grants

Grants totaling nearly \$30,000 were given to a dozen organizations for projects supporting local and international causes. Grants helped to fund local literacy programs and school playground equipment as well as provided crisis relief in such areas as North Carolina and Guatemala.
