How to Propose a New Member

The Fond du Lac Noon Rotary Club was established in 1919 and continues to be one of the premier clubs in the Fond du Lac area. Our membership consists of community and business leaders who are committed to service. Being a Rotarian has special meaning in our community, the nation, and the world. In the Fond du Lac area, Noon Rotary is highly respected for its heritage, tradition and culture of leadership, fellowship, service, and ethical standards. Although Fond du Lac Noon Rotary is a local club, we are affiliated with Rotary International, the organization with the goal to eradicate polio in the world. Membership is by invitation only, so a prospective member must be proposed by a current member.
