What is Rotary? Rotary is an organization of business and professional leaders united worldwide, who provide humanitarian service, encourage high ethical standards in all vocations, and help build goodwill and peace in the world. Rotarians meet biweekly for fellowship and interesting and informative programs dealing with topics of local and global importance as well as volunteer their time and fundraise for charitable organizations. Our club is involved in a variety of projects both locally and internationally. Each year we donate back to our local Hartford community.

A few past projects include: VISION house • Rubicon River Cleanup • Early Childhood Literacy Project • Rotary Park gazebo • Enchantment in the Park • Polio eradication • International clean water projects • Hartford Union High School senior scholarships • Boys & Girls Clubs of Washington County

The Hartford Chapter was chartered on April 24, 1924, and meets for lunch on the first and third Thursdays at 12:00pm at the Chandelier Ballroom. Would you like to learn more about becoming a Rotarian and serving the Hartford community? Please contact Dr. Mark Lindborg at 262-689-7960. Thank you for participating in our event and supporting our mission!
