A Message from the Newsletter Editor

Hi. I will be publishing a monthly newsletter for our Rotary club members. I will try to distribute it at the meeting before the next month, so you can use it to remind yourself to pick up students, be at Waverley in time to act as greeter, or prepare an invocation. As you can see, I didn't have the greeter and invocation information for this month, but my hope is that future newsletters will!

If you have something to contribute to this newsletter — about Rotary, about your business, or anything else you want the group to know — please send me an email message and I will get it in. Your contributions will make this newsletter relevant and informative.

Veterans Day Ceremony

Veterans of Foreign Wars Post 2126 will conduct a ceremony in front of the Menasha library on Monday morning, November 11, at 10:45 am. to commemorate Veterans Day. The public is invited. Songs will be performed by St. Mary Grade School students.

Stay afterward and check out the library's November art display wall featured the Final Bridge project by Menasha resident and veteran Steve Conto, who connected Wisconsin's veterans on the Vietnam Memorial Wall with their final resting places.

A Cherokee elder is teaching his grandson about life:

"A fight is going on inside me, he said to the boy. It is a terrible fight and it is between two wolves.

One is evil - he is anger, envy, sorrow, regret, greed, arrogance, self-pity, guilt, resentment, inferiority, lies, false pride, superiority, and ego.

The other is good - he is joy, peace, love, hope, serenity, humility, kindness, benevolence, empathy, generosity, truth, compassion, and faith.

This same fight is going on inside you - and inside every other person, too."

The boy thought about it for a minute and then asked his grandfather, "Which wolf will win?"

The elder replied, "The one you feed."
