Membership Criteria: The Club shall be composed of adult persons of good character and good business and professional reputation who:

- (1) Are employed by or own any recognized business; OR
- (2) Have retired from a position that would have qualified for membership; OR
- (3) Are individuals, who, through their personal contributions, involvement, and commitment beyond the scope of their employment, have helped to enrich the lives of others by significant community activism and leadership, therefore demonstrating personification of "Service Above Self" in their everyday life.

Classification Guidelines: A classification describes the principal activity of the company or business with which an individual is connected. This club shall not elect a person to active membership from a classification if the club already has five or more members from that classification, unless the club has more than 50 members, in which case the club may elect a person to active membership in a classification so long as it will not result in the classification making up more than 10 percent of the club's active membership. Members who are retired shall not be included in the total number of members in a classification. The classification of a transferring or former member of a club, or a Rotary Foundation alumnus as defined by the Board of Directors of RI, shall not preclude election to active membership even if the election results in club membership temporarily exceeding the above limitations. If a member changes classification, the club may continue the member's membership under the new classification notwithstanding these limitations. Considerations will be given for sub-divisions of currently represented classifications. Classification matters will be reviewed by the Membership Committee, who will submit their findings to the Board for action on their recommendation.

Process: Candidates for membership will be presented by the sponsoring member to the Membership Committee for consideration. Upon review of the candidate's background, experience and community or other service, as well as any potential duplication of current members' backgrounds or affiliations, the committee will determine the candidate's eligibility and forward their findings to the Board for action on their recommendation. All decisions of the Board are final.

Dues: \$50 non-fundable one-time application fee. \$200 annual membership dues (pro-rated quarterly).
