

Uptown York Rotary Club attracts a diverse group of men and women who gather weekly on a “happy hour” schedule in the central business district of York, PA. The Club meets every Thursday from 5:30 to 6:30 p.m., at Sam & Tony’s Celebrations, 237 W. Market St.

Please join us. We support and celebrate a thriving downtown, and we come together to network, share, and learn about businesses, organizations and programs that affect the quality of life in York and York County.

Our “happy hour” meeting time is set for maximum convenience of our busy members, and our modest membership dues are structured to make the Uptown Club accessible to a wide range of individuals who seek to work together for a better community and a better world.
