"All the News that Fits We Print"

🍎 Welcoming Our Guests 🍎

Preparations complete, time for fun.

Interactors along with other students helped to welcome our guests, with check in, serving, and cleanup.

Guests included past and current District Governors, past Presidents and members of the Sebastopol Sunrise club, and past Presidents we haven't seen for a while.

Some pitched in to provide a helping hand and some were truly committed.

🍎 Cooking the Lobsters 🍎

🍎 Auctions 🍎

While guests prowled the silent auction room making sure they were top bidder on their favorite items, they were entertained by the Trio Watz Up.

Auctioneer extraordinaire Carly Harrison along with her crew of spotters made the live auction exciting and fun.
