## 🍏 BEFORE THE BELL 🍏

🍏 A beautiful day in West County. Rotarians showing up, meeting, greeting, laughing, signing up for stuff. What a terrific way to spend a Friday.

## AT THE BELL

Being totally mystified by the complexities of the slide projector **President Larry** was seconds late ringing the July 20th 2018 meeting of Sebastopol Rotary to order.

**Mark Fink** got everything going by leading us in the Pledge to the Stars and Stripes.

He was followed by **Steve Beck** (performing double duty) first leading us in song, "America" and then providing us with two thoughts for the day, (1) "*when you are go back to your youth==think of algebra*" Rogers. (2) "*If you don't learn to laugh at anything to laugh at when you are*

After a brief respite to enjoy our fine lunch off again.

*dissatisfied and would like to thought provided by Will trouble, you won't have old"(Anon)*

Fearless Leader started things

**Prez Larry** announced that Past President **Jack Blasco** is back and recovered from the blood clot in his foot. Good to see you buddy. Stay well.

**Frank Mayhew** stepped to the podium to announce that the RI Foundation in conjunction with several different Rotary Clubs in Sonoma County had come up with the \$120,535 to fund the Anthill Project - *Keeping Girls in School* . Over \$5000 came directly from the youth in InterAct clubs in the District. The purpose of the Anthill Project is to improve the hygiene situation in schools in Uganda. In Uganda 70% of the girls drop out of school before they reach the age of 13, while 51% of boys do. One of the reasons has been the sanitary conditions that exist. The Anthill Project is changing this by building

sanitary accommodations. Of the \$120,535 that was donated by Rotary to help this situation, \$67,075 came from local Rotary Clubs and \$53,460 came from the Rotary Foundation. With the approval of this grant by Rotary International, this school was able to provide their students with clean running water, and clean gender based latrines. **Frank Mayhew** spent countless hours working on the grant including traveling to Uganda. We thank you **Frank**.

**Cory Maguire** gave us an update on the condition of **Dennis** and **Anna Judd**. **Dennis** has returned to normal health having beaten the cancer curse and is getting better every day. At the same time his wife **Anna** is facing her battle and has been through extreme treatments for her leukemia diagnosis. She has been sharing detailed informative progress via postings on her [CaringBridge.com](http://CaringBridge.com) site. Her tone and words come with an amazing grace. **Anna's** most recent posting affirmed that for her surgery was scheduled for this past Tuesday. Somehow the Judd's daughter has been taken care through all of this.- Miracles do occur. Keep **Dennis** and **Anna** in your thoughts and prayers.
