### BEFORE THE BELL

Lively banter in the breakout rooms. There are about 30 members at RRV according to **President Dan Rasmus**. It is a lovely day for wine and conversation. If you have a chance, please go to RRV for the meeting. With the 30 members at RRV (about half) and the 34 on Zoom, this is the most attended meeting in over a year. When asked about meetings at the Community Church, it turns out it depends on when the church starts letting people back.

### AT THE BELL

**President Dan Rasmus**, rang the bell at 12:15 pm and welcomed everyone to our Russian River Vineyards Rotary meeting.

**Guenter Meiburg** led the Pledge of Allegiance.

**Thought for the Day:** Presented by **Guenter Meiburg**.

**Guenter** quoted Bruce Lee.

"If you spend too much time thinking about a thing, you'll never get it done."

## ANNOUNCEMENTS

**Torrey Olson** announced that Gabriel Farms has been sold to a non-profit. **Torrey** said he did not know what the group does. He and his wife, Lucy, are moving to Whidbey Island, WA to start a new adventure. They are moving the third week of May. **Torrey** has already attended a Zoom meeting of Rotarians on the island.

Next week's meeting is the Overcoming Obstacles program, which will be ALL ZOOM. **David Schreiber** announced that there will be no meeting at RRV. It is all on Zoom. All members will be muted for the presentation. He asked that everyone be on video and that everyone dresses as if they were there in person. I think that means no sweatshirts, T-shirts, or other very casual dress. He also plans on having members give a standing ovation to the winners of Overcoming Obstacles. This is one of Sebastopol Rotary's banner projects. The winners have overcome great odds and deserve to be treated with respect.

Don't forget the Kleenex.

Programs like Overcoming Obstacles are funded by annual fundraiser events. The current fundraiser is called Derby Day. **Aleia Coate** is the chair.

**President Dan Rasmus** donned a red bowtie and a straw boater to introduce **Aleia** who was wearing a broadbrimmed fuchsia hat and matching blouse. The goal is \$100,000. She also said **Derby Day** was up on the Sebastopol Rotary website to

purchase tickets. The website also explains where the money is going and a description of the eight great raffle prizes. Saturday May 1 is Derby Day. There is a party at RRV. **Mario Ramos** and Mexico Lindo are catering the event. RRV is selling glasses of wine. **Diana Wilson** is coordinator for the event. There is also room for only 80 people. That is all the parking lot will hold. See more details on the Sebastopol Rotary website. <https://sebastopolrotary.com/> Click on Derby Day event page. There are eight fantastic prizes including a trip to New York City, a Kentucky Bourbon Tour, a fully stocked wine cooler, and a \$1,000 shopping spree at Sebastopol Hardware.

## ROOKIE SKETCH - SUE ENGLE

Okay- what's with a second rookie speech? **Sue** gave a great speech a few years ago. But, since she dropped out for a short while- another speech is necessary. She expanded on the previous speech with pictures of backstage work. She grew up in Manchester, England. Her father was a Rotarian. She became a professional project manager eventually specializing as a concert touring manager. She said that there were three crews leap frogging the concerts. There was the construction crew, the days of the concert crew and the tear down crew. During the concert there would be 350 crew members backstage. Her last tour was the Paul McCartney US tour. **Sue's** current project is Homes for the Homeless. Call her (707-479-4912) if you want to join the project.

## LEARN WITH ME UPDATE

**Linda Irving**, Sebastopol Union School District Superintendent and Park Side Principal, gave an update on the District's opening up after over a year of being closed. Learn With Me ceased on March 13. It will not open this school year, but could open with the fall semester. Child care and day care used Covid-19 funds to provide education and arts experience for an all day education. They partnered with Sebastopol Center for the Arts to provide the facility and the tools to provide the educational experience.

**Linda** went on to explain how they are providing in person education along with distance learning. There is an A Team and a B team. They are on campus on alternate days, distance learning on the other days. Also, partnering with the library, many books were distributed to students.

## RECOGNITIONS

**David Still** and wife, **Nanette**, visited the botanical gardens in Fort Bragg for his April 15 birthday.

**Tom Boag** and **Ralph** plan on celebrating **Tom's** April 16 birthday next week.

**Tony Given** celebrated his birthday on April 11.

**Dan Rasmus** and **Fran** celebrated their anniversary out at Hog Island with friends. Their anniversary was April 11.

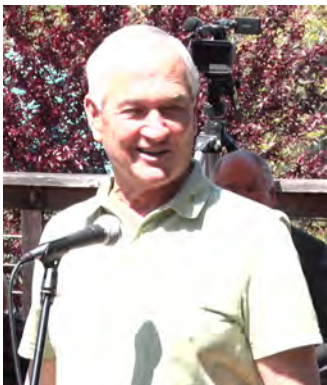

Next, **Dan** kidded **John Blount** about the number of controllers he uses (6). John added that what he really needs is a universal remote control.

## 🍎 THE FINAL BELL 🍎

President Dan rang the bell at 1:15

## 🍎 AFTER THE BELL - SPOTLIGHT ON SPORTS 🍎

[Master portrait artist, image-maker, man-about-town, and now, sports reporter (who knew?), our own **HH**, submitted the following report on Analy football. -Ed.]

Here is an image of what could quite possibly be the historically last football game of Sebastopol's Analy H.S. Tigers. It was like a knock down heavy-weight fight. One side would score, then the other. One side would intercept a pass and on the next possession the other team would intercept.

The Analy Tigers won this league championship game against the Ukiah Wildcats. The final score Analy 40, Ukiah 32. It was a nail-biter down to the end.

During and after the game Analy shirts and sporting apparel were flying off the shelf.

Analy's head football coach is my son-in-law Dan Bourdon who is a Paul Harris Fellow of our club.

## 🍎 CORRECTIONS 🍎

Correction: **Bob Hirsch**'s granddaughter's middle name is Leah, not Leach. We apologize for the mix-up.

## **FUTURE PROGRAMS**

### **April 23, 2021 - Overcoming Obstacles**

Many students in high school face significant challenges to reach graduation. Those who have the grit and perseverance to make it through often want to make a difference helping others who are facing similar obstacles. These are the kids who will make our future a better place.

The Rotary Club of Sebastopol recognizes and rewards such remarkable high school seniors through its Overcoming Obstacles Award Program. Choosing from applicants at our three local high schools, we award six deserving students with scholarships and a half day leadership workshop that gives them the opportunity to talk with community leaders who faced similar challenges when they were young.

This year, the Overcoming Obstacles Committee struggled once again with the best way to honor our winning students while not being able to meet in person. We could have just given them their scholarships and a nice letter. But with a measure of blind faith, we will produce the best possible ZOOM-only event. Please join us as we recognize these amazing students.

### **April 30, 2021 - Gravenstein Health Action Coalition and a Model for Self-Healing Communities - Sandra DeBella Bodley**

Dr. Bodley is President of the Gravenstein Health Action Coalition. The Coalition is a collaboration of local organizations, agencies and individuals working together to support policy, system and environmental change to improve health outcomes of all residents of West County Sonoma.

Dr. Bodley formerly served on the Palm Drive Health Care District, elected in 2012 to a 4 year term serving as Secretary of the board and community services liaison. She was a Professor Emeritus in the Department of Nursing at Sonoma State University from 1975 to 2004, and served as Interim Director of the Santa Rosa Junior College ADN Program in 2003–2004.

Dr. Bodley received her B.S.N. from the University of San Francisco, her M.S.N. from California State University, San Jose, and her Ed.D. from the University of San Francisco. She lives in Sebastopol with her husband Walt Bodley.

### **May 7, 2021 - Teacher of the Year**

The Sebastopol Rotary Education Foundation has been recognizing outstanding teachers since 2007 with a cash award and a luncheon banquet in their honor. Students, alumni, parents, community members, and educators from across West Sonoma County submit nominations for the "Teacher of the Year" recognition program, which is open to teachers from public schools (including charter schools) and private schools located in West County. We recognize teachers in each of these categories: New Teacher, Innovative Teacher, and Career Service Teacher. Each "Teacher of the Year" receives a \$1,000 cash award and is recognized, along with their guests, at a Sebastopol Rotary Club meeting. Join us to help honor these stars in West County education.

# Rotary Club of Sebastopol – Board Report Summary – April 13, 2021

## President's Report to the Club for April 2021

Fellow Club Members and Friends,

The Derby Day raffle fundraiser is going awesome! Thank you to each and every member for participating in this all-club effort to raise funds to support our valuable foundation programs next year.

We will draw the lucky winners on Saturday, May 1 during a fun outdoor event at Russian River Vineyards from 2pm-5pm. Light food will be available from Mexico Lindo, water, and of course wine and beer from Russian River Vineyards. There will be games where you can win prizes as well as helping to add to this fundraiser. The Kentucky Derby and some of its festivities will be broadcast and the drawing will start at 4pm. A zoom link will be published for those who want to watch the drawing from home.

The onsite portion of our club meetings are getting more attendees recently and it's been great to see some faces that I have not seen in over a year.

As this Covid-19 Rotary year begins to wind down, I continue to be amazed at our members' volunteerism, generosity and creativity in order to *continue* to serve our community. Thank you!

Yours in Rotary Service,

**Dan Rasmus**

**LEARN TO SWIM (Greg Jacobs, Rick Wilson, Co-Chairs)** – The committee prepared an instructional video script about water safety. ## **VOCATIONAL / YOUTH SERVICE AREA – ROBIN MAYBURY, DIRECTOR:**

**COOL KIDS CAMP (Multi Club Program) (Robin Maybury, Chair)** – Cloverleaf Ranch management is going to offer Cool Kids Camp (16 places) in Jun and July 2021. We shall see. We received the very generous donation of \$1,400 from Modern Woodmen of America (MWA). Committee chair **Robin** sent thank you card of appreciation. **Robin** will work with co-chair Libby Fitzgerald to solicit the approximately \$5,000 more in funds we need to send all 16 kids to camp. Libby Fitzgerald is working with the authorities in the District 5130 counties to select the 16 kids. This is wonderful news.

Committee Members: Tom Boag, Patrick Dirden, Keller McDonald

**FINANCIAL LITERACY (Tim Moore, David Schreiber, Co-Chairs)** – **David** reports: "The Financial Literacy Committee has reached out to both El Molino and Analay and so far, we have scheduled two classes at Analay with a new teacher to the program. Thankfully Principal Shauna Ferdinandson is a fan of both the program and Rotary. Those two class presentations will be held on Zoom. We are still hopeful to get more students exposed, but as you can imagine scheduling is a moving target these days with hybrid just starting."

Committee Members: Lu Frazier, Diana Rich

**HIGH SCHOOL SPEECH CONTEST (Larry Ford, Richard Power, Co-Chairs)** – "Nothing changed from my perspective and won't until the high schools do their jobs and actually open up.", says **Richard**

Committee Members: Mia Del Prete, Tony Given, Pam Graber

**Interact (Analay, Twin Hills, Brook Haven) (Pauline Pellini, Chair)** – Analay Interact had their final official zoom meeting last Tuesday. They will continue to meet with the younger students to help transition the club next year. Many of the current members will be graduating this year. They also voted to carry forward their current funds so the next year has something to start with. They are working at the Food Bank this Friday as their final project of the year. Thanks! Aleia

Twin Hills has still not met. The students are back in class two mornings per week, half on Monday and Tuesday and half on Wednesday and Thursday. I do not see the club starting up until the fall.

Brook Haven was meeting via zoom but now that they will be back in the classroom this week the zoom meetings will not work because of the split schedule. Principal Sarah Gramm loves Interact, as does the teacher advisor, so I am hoping we can figure out a way to continue to meet. They did make a profit on the lollipop sale but have more to sell. I hope they will be able to distribute their profit to the charity/nonprofit of their choice at the end of the year. Wish I had better news, Pauline

Committee Members: Gail Gijzen, Jackie Moreira; Analay: Gail Gijzen; Brook Haven: Ruthie Dunlap, Pauline Pellini, Laura Victor van Gorder; Twin Hills: Mia Del Prete, Pauline Pellini

**OVERCOMING OBSTACLES AWARD (Tom Boag, Hal Kwalwasser, David Schreiber, Co-Chairs)** – I think **Tom** is too busy, but, we can ask him for a live update over zoom on 13Apr21. [All things are progressing to an OOA2021 Event next Friday, April 23. The morning and noon events will be entirely on zoom. **David Schreiber** has selected three speakers for the morning "Leadership Conference" session. All students are ready with their speeches, with five of the seven receiving 1:1 speech practice and coaching (several had multiple sessions) from **Rick Wilson, Harry Simms, and Pam Graber**. A technical dress rehearsal is set for Wednesday 4/21. The morning Leadership Conference is a smaller meeting (separate zoom link), restricted to the participating students, morning speakers, and several active committee members – to create a more intimate setting. The noon meeting, as in previous 10 years, is our regular Rotary Meeting – completely taken over by the OOA Committee. Like last year, school administration is also participating in the noon meeting – This was arranged by **Mia Del Prete. . -Ed./-Tom]**

Committee Members: Bob Cugini, Mia Del Prete, Ruthie Dunlap, Tony Given, Pam Graber, Ellen Harrington, Greg Jacobs, Robin Maybury, Richard Petersen, Harry Simms, David Still, Laura Victor van Gorder, Yvette Williams van Aggelen, Rick Wilson

**Rotary Youth Leadership Awards (RYLA) (Multi Club Program) (Gail Gijzen, Cindy Carter, Co-Chairs)** – **Gail** used to work for Stearns, which was recently taken over by Rate Inc. Consequently, my request for an update has joined all those odd

*socks, somewhere in that big black hole at the outskirts of the Universe.* I've re-sent my supplication to **Gail** and hope to have that to share with all *yawl* at the meeting on Tuesday 13Apr21.

RYLA is being held virtually Friday 4/30 – Sunday 5/2 as follows:

Fri - 5:30 pm to 9:30 pm

Sat - 9:00 am to 9:00 pm

Sun Send-Off - 9:00 am to 11:30 am

Cost is \$50.00!

One Student reached out to me yesterday and was submitting her application.

Recruiting: Career Center email blasted all Sophomores, Juniors, & Seniors. Additionally, the 4 school counselors were contacted, and an invitation extended to the Interact Club of Anal.

I am making a final attempt to get a student recommendation from each counselor and from the leader of the interact club and re-extend the invitations today.

Committee Members: Tom Boag, David Schreiber

SRJC SCHOLARSHIPS (**Jim Passage**, Chair) – The Scholarship Committee will be meeting this evening via zoom. We will discuss scholarship candidates and select six students for interviews by zoom next week. Seven of eight committee members have read all applications and submitted their favorite six. [Interviews by zoom are set for 4/19 and 4/20. -Ed.]

Committee Members: Henry Alker, Tom Boag, Scott Briggs, Hal Kwalwasser, Laura Victor van Gorder

YOUTH EXCHANGE (Multi Club Program) (**Aleia Coate, Jackie Moreira, Katy Spyra, Yvette Williams van Aggelen**, Co-Chairs) – No new information  
LEARN WITH ME (**Linda Irving**, Chair) – Learn with Me has not been able to meet with students. However, the coordinator picked up books donated by the Sebastopol Library. These books have been sorted by grade and reading level. Teachers and students have the opportunity to take these books home to add to their personal reading libraries. This has been a wonderful alternative to Learn with Me in person.

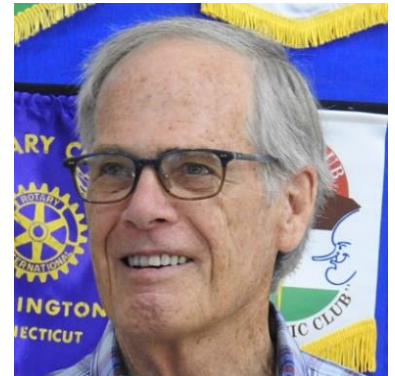

On another note, Sebastopol Union students are returning to in-person learning this week. It is going well and everyone is so excited~! Thanks for your support of our students.

Committee Members: Patti Blount, Lu Frazier

We're working on projecting on a larger screen but face equipment and ambient light difficulties. We're also working on organizing and building internal framing in the newer club trailer to accommodate our sound and lights gear used at the fundraisers, debunkings, conferences, and PETS. And, of course, we're all committed to putting together a good debunking in June.

### World Community Service Board Report

1) St. Helena Rotary's Global Grant Zimbabwe Water Project – Of the 4 forms TRF requested be completed by the host club in Harare, only an MOU signed by the Government remained to be completed, and this was scheduled to be signed by the end of last week. Once that is/was done, the documents could be submitted to TRF. A local bank account in Harare was also opened for the project. For details of this project please see the January 12, 2021 Board Report.

2) Puerto Vallarta South's Eye Surgery Program – Dr. Miramontes reports that he has completed all but one surgery made possible with the funds from our club. After that, Dr. Miramontes will provide a full report on the surgeries. For further details on this project, please see the January 12, 2021 Board Report.

3) Santa Rosa Sunrise's Sabalo Surgery Center Global Grant in Nicaragua – The WCS committee met via Zoom on March 17th to consider supporting this project, which is for the purchase of a digital portable X-Ray machine for the Sabalo Surgery Center. We voted to recommend to the board approval the use of the last \$1,500 in our WCS budget towards this project. This recommendation was submitted to President Dan via email on the same day. He responded that he would put this on the board's April 13th agenda.

Respectfully Submitted, **Bob Rogers**, Chair, WCS Committee.

*PROGRAMMA DE BECAS* – John Powell gave a presentation to the club on April 25th. It was a great opportunity to share our history with the program and our deep roots with the PV club. Look to do more outreach to the club at large. John reports a tremendous amount of need. He was successful in getting out student reports to our individual donors this week. Goal is to double our participants from 11 to 22. Currently three Rotarians have approached me to commit to a student sponsor. Respectively submitted, **Dorothy Rodella**
