"All the News that Fits We Print"

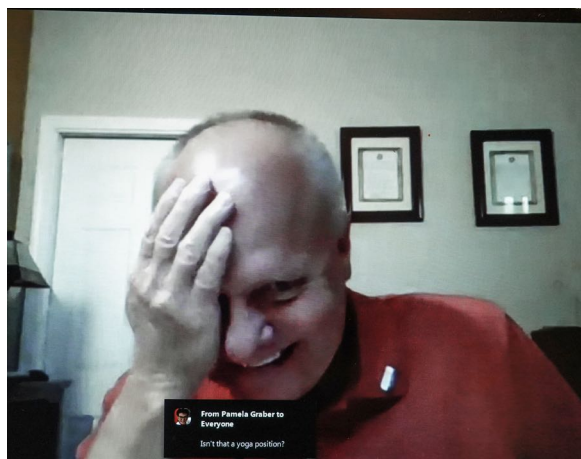

🍏 **BEFORE THE BELL** 🍏

Much banter among early signers-on. Good joke about **Harvey's** hair containing a geocache **Tom Boag** found a geocache in the Ragle Peace Garden. **Sue Engle** is looking for a different one at Ragle. **Dave Schreibman** talked about going postal at Ragle looking for the many caches there.

Hal Kwalwasser was online talking about his stay at Kaiser. He is feeling much better. Further discussion of Kaiser ensued among the members present. Some good, some not so good. Breakout rooms from 12:05-12:12. **Jeff Boal** talked about reviewing doctors' licenses who had been banned from practicing. His point was that there are bad doctors everywhere

🍏 **AT THE BELL** 🍏

Russian River Vineyards lost power when a transformer blew on Hwy 116. So- back to a room in his home.

President Dan Rasmus is versatile if nothing else. This wasn't the first time he had to scramble to put on a meeting. He rang the bell at precisely 12:15pm. Loved the cheering crowd noise.

🍎 RECOGNITIONS 🍎

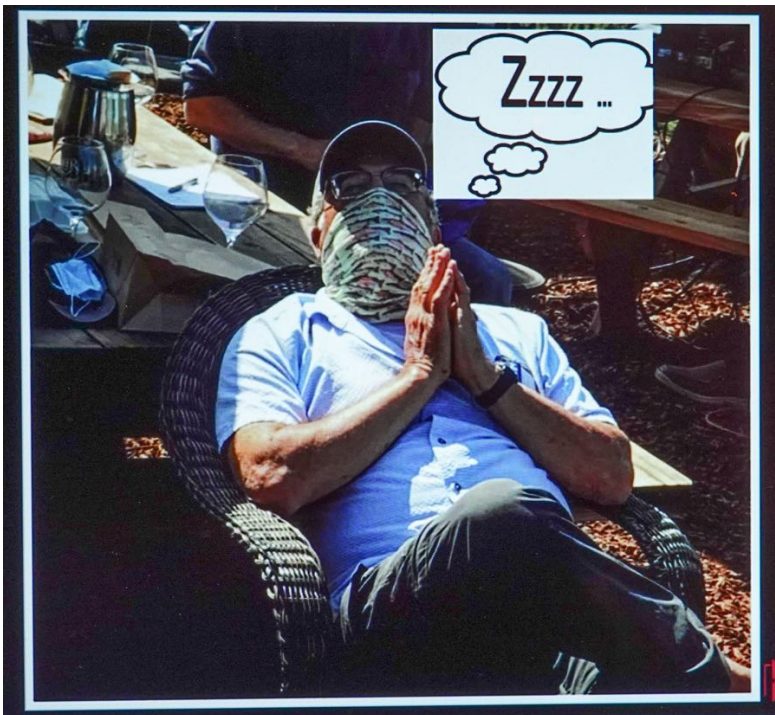

Patrick Dirden walked around Ragle Park on his birthday. Then he drove up to Sierras to view the fall foliage.

HH said it was a quiet anniversary- Beverly was in Arizona on the date of and now is in isolation at the back of house after visiting relatives. Plans to celebrate when she comes out of her room.

Robin Maybury has a new car. His old car of 16 years died on Watertrough Road. He found amazing deal on the internet. Nice one.

Greg Jacobs seen relaxing during **Dave Schreibman's** talk at Russian River Vineyards. Meditative listening technique according to **Greg**. There were reports that he has tried this technique at meetings in the past and had nothing to do with wine being served at the Russian River Vineyards.

New Fundraiser model-President Dan discussed the new model. Funds raised in one fiscal year will be used in the next fiscal year. Before, funds raised in a fiscal years were used in that year. Prior to this year, grants and projects had to wait for fundraisers in order to distribute those monies. Now, funds raised this year will go to next year's projects.

PROGRAM

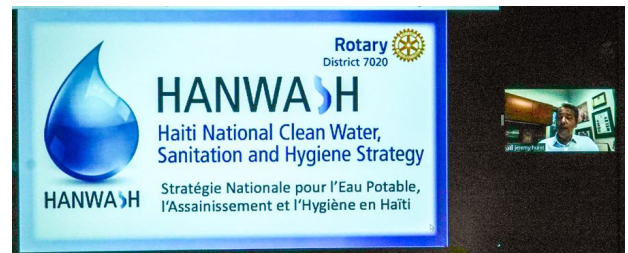

Jim Pacatte introduced today's speaker: Jeremy Hurst, property developer, from Grand Cayman Islands. Jeremy was born and raised in Rochester, England in 1961 and relocated to the Cayman Islands in 1988 on an 18-month contract and 32 years later still calls Cayman home. Jeremy owns and operates the IRG group of companies offering property and investment-related services to private investors and corporations in the Cayman Islands and is active in promoting investment into the Caribbean Region. He is also a property developer, Chair of the Global Board of Leading Real Estate Companies of the World and sits on the board of an international private bank. He joined the Rotary Club of Grand Cayman in 1988 and seven years later became its youngest President. He has held numerous other district positions was a member Rotary International's Membership Committee from 2015 to 2017.

He chairs HANWASH's steering committee with the ambitious goal of bringing clean water, good sanitation and hygiene to all the citizens of Haiti. He is currently the General Chair of the Zone 33 and 34 Pittsburgh Summit to be held virtually in November this year. Jeremy is a recipient of The Rotary Foundation Citation for Meritorious Service and Michelle and Jeremy are Major Donors and Bequest Society members. They are also strong supporters of Interact and Rotaract and transitioning young professionals into Rotary. Together they have four children, love travelling, (even if virtually) and making the most of the unique opportunities to serve, build lifelong friendships and fellowship that Rotary brings to their lives.

Jeremy's speech on ***HANWASH: Haiti National Clean Water and Health Strategy*** was interesting and compelling. There are 11 million people in Haiti, half of them without clean water or sanitation. They have not recovered from the 2010 earthquake despite the billions that have been put into their recovery.

cent a gallon but must be paid for.

HANWASH is a part of a larger group of seven bringing clean water and sanitation to the many communes in Haiti. They include many different service and government groups. What was striking about this group was the fact it is based on a business model rather than a donation. Move past the idea of relief and embrace the concept of development. The amount charged helps maintain the water supply and helps invest the users in a sense of owning the supply. The water costs less than 1

Currently everyone buys water in the ubiquitous 16 oz plastic bottles. It was reported that these bottles line the highways almost as tall as the cars on the road. The *HANWASH* project provides water from spigots and can fill a five-gallon jug. They are going to be located in each commune often saving 44 minute walk to obtain fresh water and an hour return.

This will take 25 years and 2-3 billion dollars. *HANWASH* provides a business based best practices. They help develop a community action plan. Rotary members of Haiti provide on the ground assessment.

HANWASH is looking for other Rotary Districts to help with the project.

THE FINAL BELL

After a fascinating presentation, **Dan** struck the Roto-Bell at 1:15pm sharp.

AFTER THE BELL

Do not miss the October 23, 2020 program featuring Ravi Ravindran, Chair of the Rotary Foundation Trustees. This is a one of a kind program. Be there.

LETTER FROM THE EDITOR

Dear Reader

I know this is supposed to be “Letters to the Editor” but...

We didn’t have any and...

In a past issue Robin Maybury asked about how the AppleKnocker is put together. The AppleKnocker is a collaboration that has been going on for many, many years (Tom Boag would know) without missing an issue. We have a complete record of all meetings and all events, big and small. This takes effort. We have a team of scribes that carefully take meeting notes. We have a team of photographers who capture the meeting visually. The scribe for the week passes the notes on to the editor sometime around Sunday. The photographers, there are often plural, pass their work on to the editor also.

The editor for the week then takes last week’s AppleKnocker, strips out all the old stuff and puts in the new stuff. The editor carefully reviews the scribe notes for spelling and completeness. The editor then reviews all the photos and puts them into the new issue with the scribe notes to tell the story of the meeting. Easy, no?

If you have read this far, you must be interested in the AppleKnocker. That's good because **we are looking for some new editors**. If you want to have some excellent training on how your computer works, major assist getting and using the right tools, a feeling of satisfaction for the good work you do, and an opportunity to be part of the Rotary Club of Sebastopol history – volunteer today.

Rotary Club of Sebastopol – Board Report Summary – October 13, 2020

President's Report to the Club for October 2020

Fellow Club Members and Friends,

Through the hard work of club leaders and members, there are plenty of ways to “open opportunities” to make an impact in our community and the world.

There have been, and will continue to be, opportunities to volunteer your time to help our community while enjoying the company (safely) of other members.

In the past 4 weeks, we have had members help out the Food Bank with another opportunity forthcoming on October 22. Members stepped up and helped out at the Laguna Foundation and Members walked and raised nearly \$2,000 for Alzheimer's research.

Coming up.....There is an opportunity to help spruce up Cloverleaf Ranch where Cool Kids Camp is held each year (October 24). Members are working on an opportunity to help enhance the Sebastopol Senior Center in the near future. Our District Grant was approved so, along with Sebastopol Sunrise, we will need help installing some equipment for our schools this Fall.

Our members have generously donated money to many causes and there continues to be opportunities to make the world a little better.

The Rotary Foundation Fall Fundraising Campaign is underway. Please consider donating what you can and earn an opportunity to win prizes.

The District Disaster Relief is once again open for business and gladly accepting donations to help businesses and individuals impacted by the fires.

You can pledge to help eradicate Polio and become a member of the Polio Plus Society by pledging at least a \$100 donation per year.

As part of the Programa de Becas program, \$4,000 was raised by club members that will fund 12 scholarships to provide education opportunities to children in need in the Puerto Vallarta area.

Please take a moment to read the Director Reports, below, to see the wonderful work our club is doing.

Yours in Rotary Service,

Dan Rasmus

CLUB ACTIVITIES – JOHN BLOUNT, DIRECTOR:

These are FUN functions that are put on for members and their families...not for the community. These strengthen our personal bonds and promote fellowship, relationships, and camaraderie...which is the foundation for all we do in our lives, the local and global community.

We are trying to rise to the challenge of creating and enhancing relationships safely through difficult times. These are plans that may need to adapt to the current situation throughout the Rotary year.

ACTIVITIES GROUPS (**TBD**, Chair) – This has not progressed.

APPLE BLOSSOM PARADE FLOAT (**TBD**, Chair) – There is no word yet on whether the Apple Blossom Parade will be held.

CLUB PICNIC (**TBD**, Chair) – There is some discussion about a softball game at Balletto's "Field of Dreams" in the Spring.

DEBUNKING (**Ken Jacobs**, Chair) – Our final event of the Rotary year that both celebrates the personal contribution of the **President**, highlights the actions of our club, and transitions with momentum to the next leader.

Committee Interest: Tom Boag, Tony Given, Keller McDonald, Gene Nelson, Aldean Noethig, Bob Rogers, David Schreiber

THIRSTY THIRD THURSDAY (**TBD**, Chair) – First event at Balletto's in September was quite successful – attendance was about 50 people. **Mario Ramos** (Mexico Lindo) provided food that was outstanding. The next event is planned for Russian River Vineyards for Thursday, October 29.

THREE ON A STREET (**TBD**, Chair) – Hopefully still the drawing board for Spring. At this point, we have not appointed a chair since we are unsure of the viability yet.

SEBASTOPOL ROTARY GOLF TOURNAMENT (**TBD**, Chairs) – Viable for late Spring

SEBASTOPOL ROTARY HOLIDAY PARTY (**TBD**, Chair) – We are searching for a location that can provide a place that is sheltered. We have two possibilities currently. The Chair will depend on the place and is pending.

SUPER BOWL BOARD (**Aleia Coate**, Chair) – Scheduled for Winter 2021

"ROTATING CLUB MEETINGS" – Continuing at Russian River Vineyards for the month. Exploring two locations for wet weather next.

INTERNATIONAL SERVICE AREA – STEVE PRANDINI, DIRECTOR:

ROTARY INTERNATIONAL FOUNDATION (**Lu Frazier**, Chair) – SHARE Goal for 2020-2021 for Sebastopol Rotary is \$20,000. We are at 2%. Most of the donations toward PHF have been for Polio Plus. I think Polio Plus's goal was \$50,000. It is close.

Sebastopol Rotary currently has: 91 PHF's, 14 Benefactors, 6 Bequests, 13 Major donors, 94 Rotarian Donors, 10 Non-Rotarian donors, and 9 Direct Donors. The goal this year is to strive for 100% Direct Donors – **Bob** is working on this with the \$10/month automatic donation. I would like to start a campaign to get everyone to automatically donate \$10/month to the SHARE portion of the Foundation. Then, instead of 9 direct donors, we have 104.

All time giving for Sebastopol Rotary is \$1,617,120.

September Donations (per National) is \$1,600.

The Foundation Month Raffle consists of 4,000 points to go to PHF in the winner's name (4-8 winners) and a gift basket + 500 points that is now worth over \$300 and climbing. More this Friday.

Committee Interest: Steve Beck, Frank Mayhew

WORLD COMMUNITY SERVICE (**Bob Rogers**, Chair) – No report

PROGRAMMA DE BECAS – On September 29, Eleanor Hawthorn of the Club Rotario Vallarta Sur confirmed receipt of our \$4,000 donation, representing scholarships for 12 students. Look to invite both Jorge Zambrano and John Powell to join one of our club's Zoom meetings as they both started the program back in 1996 – to educate and inform our club of our journey with the Becas Programme. I will work with **President Dan** to secure an appropriate meeting date (Recommend early Spring 2021).

WCC Committee Members: Chair: **Bob Rogers**; **Steve Beck**, **Frank Mayhew**, **Keller McDonald**, **Harry Polley**
