### All the News that Fits We Print

### **Before the Bell**

It's another perfect Friday in Paradise as I approach the Roto-Palace gates.....but where is the rain that we need? The papers say we are now 15 inches behind this time last year.

As the Roto-Doors swing open, I'm met with 6 smiling eyes & 3 extended right hands belonging to **Rick Wilson, Les Crawford, & Bill Facendini** three of the best Roto-Greeters this **Scribe** has seen in the past 32 years. I turn the corner and get another great handshake from **Puch [Pooch? –Ed.]**, the **Money-Man**. Moving along I hook up with **Kenny S.** in the food line and **Tim Moore's** Daughter Meredith Bertacco...Boy do I feel old, she's all grown up and a beautiful woman.

Danny Martin, J.T.'s son, greets me with another round of Trend's deliciously delectable fare.

### **A New Club Group Photo – 52 MEMBERS HAVE TAKEN THE POLL, HAVE YOU?**

2) Scroll to the bottom of the list and type your name in the box where it says "Your Name". **Don't worry about appearing in the poll more than once, we'll take your latest input.**

3) Click on one or both of the boxes to the right of your name, indicating you can make it Friday, April 13<sup>th</sup> **AND/OR** Friday, April 27<sup>th</sup>. Click on Save, then close your browser. You are done, you have voted – so please show up!

## 🍎 At the Bell 🍎

**Roto-Pres. Aleia** rings the *sacred chime* at exactly 12:15 and off we go on another Roto-journey.

**Bill Lippert's wife, Charlie** leads the pledge to get us going.

With a voice as sweet as an angel, **Karen Daniels** leads us in the long version of "*Free-Bird*" - No that's at another type of meeting; it was "*God Bless America*".

The Thought for the Day from **Bob Rogers** turned into 3 thoughts, I think:

- #1: The purpose of life is to discover your Gift.  
The meaning of life is to give it away...David Viscott
- #2: You know you're in love when you can't fall asleep because reality is finally better than your dreams...Dr. Seuss
- #3: Fall in love or fall in hate  
Get inspired or get depressed  
Ace the test or flunk the class  
Make babies or make art  
Speak the truth or lie & cheat  
Dance on tables or sit on the curb  
Life is divine Chaos, Embrace it  
Forgive yourself, breathe  
And enjoy the ride. Author unknown - ? **Bob** made it up ?

## 🍎 Announcements 🍎

Your struggling-scribe got bogged down with visitors and missed them. But they are indeed coming up.

our illustrious **Past RI Director, John Blount** – Fine???)

## Club Photo April 13<sup>th</sup> OR 27<sup>th</sup>??????

We are polling our members to see what date suites the most Rotarians for a new Tribal Image. Please check your calendars to see if April 13<sup>th</sup> or 27<sup>th</sup> suits you best. Please vote soon & often. (Yes, you can log onto the poll again and change your selection. **-Ed.**) The club has created a new polling system, I believe it's called Labradoodle and you're supposed to bark once for the 13<sup>th</sup> or twice for the 27<sup>th</sup>. (**Bob Rogers** interjected that, "If *Friday the 13<sup>th</sup>* wins, then someone else is gonna have to climb the ladder for **Harvey!!**")

**Captn. Bob Rogers** handed out additional thanks & praise for our clubs successful Crab Feed. He thanked **Paul Martinovich** for heading up the cleanup of stinky leftover crab shells – with a Certificate of Appreciation and a bottle of wine. **Bob** also thanked **Barbara Beedon's husband, Greg**, who made all of the signs for the Feed.

**Pres. Aleia** then chipped in with a big thank you to **Past First Lady Ann Hill** for hosting the welcoming table in Aleia's absence. (He sent **Ann** a bottle of wine, in a plain brown wrapper, via **Pete**...Did it make it?)

Aleia then thanked our returning rookies & **King & Queen of the Rotary Kingdom For Life, John & Pattie Blount**. Such-a-cool-couple. They blasted off into the Rotary universe & slayed international dragons and here they are back, getting their Rookie badges repainted from green to red. Pretty darn cool! All of a sudden this love fest between **Aleia** and the **Blounts** took a turn for the worse and then returning conqueror, **John**, started telling **Aleia** that his was bigger than her's or anybody's for that matter.....I'm impressed.

**Mike Ferguson** again introduced Elizabeth Cruft-Anderson who came forward representing the Rotary Foundation. She's the Foundation's fund or fun-raiser. She gave thanks for our club's contribution to the Foundation.

**Pres. Elect. Edwin Wilson** reminded us of the Roto-Job-Selection-Sheet that's been sitting on our tables. Take a moment and fill one out, it's multiple choice & grades will be deducted for turning it in late.

**Dorothy, the Queen of Ticket-Sales, Rodella** reported on the Community Grants. There is \$50,000 available. Sign-up for a loan on a new Corvette.

Did I tell you that **John & Patti** now sport shiny new red badges....

### Learn to Swim

In a booming voice that I'm sure will become local-legend, **Rick Wilson** mentioned something about a Chinese proverb that had something to do with signing up for swim lessons. Apparently we are teaching more classes of students to be water safe this year. That means we need more volunteers, from the public and from our tribe. It's a 4 week commitment to keep the kiddos safe around water this coming summer. Great Voice **Rick!**

## Recognitions and Fines

### Birthdays:

**Diana Rich**, Jan. 24<sup>th</sup>, turned 53 and won a family Scrabble game on a birthday gimmee from her sympathetic clan. (She also commented on looking forward to her 60's, based on what she's seen here at the Rotary Club, which brought smiles to all the **old fart's** faces.) -\$5

**Mark Fink**, Feb. 12<sup>th</sup>, went to the Country Club with the **Boyd's** & some Dillon Beach neighbors.

**Mario Ramos**, Feb. 24<sup>th</sup>. We sang Happy Birthday to **Mario** & he coughed up \$10.

## Anniversaries:

**Russ Tighe**, 2 yrs. but he says when you add up the two of their wedded years up it comes out to something like 150 years.-\$5

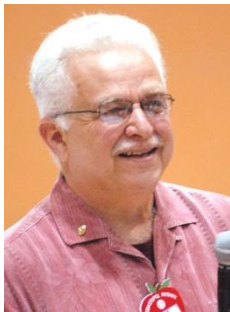

**Slim Keller McDonald & Marcia**, Feb. 19<sup>th</sup>, took a tour of Balletto's Winery.

## Recognitions

**Pres. Aleia** then turned her attention to our table and zeroed in on **Torrey Olson**. **Torrey** told a tale of baseball and having to step up and substitute pitch for his team and something about losing speed & control...and some more tales about the feeling of pain. (Your **Scribe** says "Embrace the pain & stay vertical.") **Torrey** then mentioned he was a speaker at the Eco-Farm Conference and again a speaker at the Tourism Council =\$100

**Richard Power** jumped up from our table waving a \$100 bill and wanted to donate it, to TRF, in thanks for **Norm Stupfel** for letting **Richard's** family stay at his Condo in Hawaii.

That set **Pres. Aleia** off and she waved another \$100 which she wanted to donate to the Foundation as a symbol of thanks to the club.

**Bob Cugini** was the next victim to be lined up in **Aleia's** sights. Seems he's been stealthy and avoiding the spot light. So **Aleia** played the popular game "Crack The Crab" A wrong answer to the game + bragging on two grandchildren cost him =\$35

Next up to crack the crab with **Aleia** was **Ace Photographer & Palm Drive Hospital Board member Chris Dawson**. **Chris**, after cracken the crab with **Aleia**, was down =\$35

## **The Raffle**

Well, by this time the *clock on the wall* was beginning to close in on the program.....and the BIG SPIN had not taken place. **Pres. Aleia** pulled the winning number of #529631 & **Tim Moore's** lovely daughter, Meredith, held that winning number.

Meredith went up to try her luck on the electro-magnetically-rigged Wheel of Fortune and, not surprisingly, this wheel of misfortune failed to deliver a winner... On a gimee from **Aleia**, Meredith was given a second chance to spin & was again denied as our Pres. pushed the hidden button under her rostrum...

## **PROGRAM**

**Kent Seegmiller** introduced our speaker for today, **Carol Coleman**.

Carol is a resident of West County and has a private psychotherapy practice working with adults and children. She is certified to teach several NAMI (National Affiliation for Mental Illness) signature programs - including our Family-to-Family class, the BASICS course for family members with school aged kids exhibiting emotional/behavioral problems, and she leads the Family Support group in Petaluma. Carol is a devoted mother and family member of a loved one with a mental health diagnosis.

She was to have been joined by one of NAMI's clients, but somehow he was unable to make it.

Here are a couple of points that our speaker, Carol Coleman, made:

A lot of people with mental issues refuse to take the medication needed to give them some balance in life. They either don't like them or they take them & feel better and say to themselves, "I feel better now, I must be cured." "I don't need these medications."

Carol went on to say that many of those that stop taking the drugs they need to cope turn to alternate recreational street drugs to do their own self-medication.....

Well things are going along nicely; We are leaning back in our chairs taking in this information (about others)...then she drops the bomb.

Carol said that 1 out of 4 people in the U.S. have mental illness..... Boom! In unison Rotarian heads around the palace snap back to their tables..... Wait a minute, we were comfortably listening to some statistics about others, and now she's talking about us! ... (Let's see, there's 8 at our table.)..... Or at least some of us.

Well I can't tell you about the rest of the palace tables, but at ours the heads all turned towards the **Rotarian across from them**, and then to the **person on their left**, then **their right**.....**Kenny Jacobs** is sitting to my left & we're locked eye-ball to eye-ball, then it's **Kenny Silveira** looking at me, finally **Linda Collins** breaks an awkward experience of (everyone-suspiciously-staring-at-each-other) by saying "We're all a little crazy." My table-mates all gave a nervous chuckle & we returned to the program.

Carol said that the services her program, NAMI, offers are:

- Family to Family where family members can learn about mental illness.
- Family Basics where children are diagnosed in school at an early age.
- Family Support Group, helping family members care for & deal with mental illness.

Carol closed her presentation with a spirited question & answer session. Lots of hands went up and great questions were asked. This program gave us all a clearer perspective on this shadow disease that no one wants to talk about.

At 12:28 **Our Pres.** emerged from Stage Right and gave Carol the gentle hook followed by a presentation of green gifts & appreciation for her presentation.

### **The Closing Bell**

**Pres. Aleia** rang the meeting to a close at 1:33.

(As always we report & print all the news that fits.....**h.a.h.**)

### **After the Bell**

Club Management corrected our last issue, pointing out that Jack Blasco, not Bud Daveiro, announced the visiting Rotarians.

Many thanks to our AppleKnocker Scribes and Roto-Shooters (as **h.a.h.** calls them, photographers) this month. **-Ed.** has a great appreciation for **h.a.h.** as a writer in addition to his photo-direction of our publication (Now, if we can just get him to type!). **Chris Dawson** (who has done photos before, you can tell); "subbed" by **Jerry Warren**; and assisted for our Crab Feed edition by **h.a.h.**, **Richard Power**, **Dorothy Rodella**, and **David Schreibman**; made this a creative month and proves that this is a fun group project. **-Ed.**

## **The ABC's of Rotary**

*(Taken from "The ABCs of Rotary", a Rotary International publication originally prepared by Dr. Cliff Dochterman who was RI President in 1992-93)*

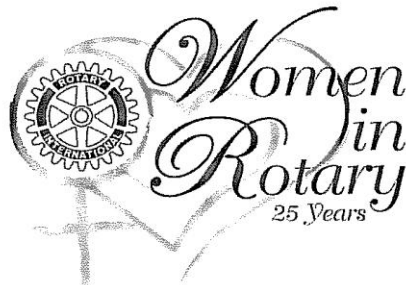

### **#6: Object of Rotary**

In some areas of the world, weekly Rotary club meetings begin with all members standing and reciting the Object of Rotary. This statement, which comes from the Constitution of Rotary, is frequently seen on a wall plaque in Rotarians' offices or place of business.

The Object of Rotary is "to encourage and foster the ideal of service as a basis of worthy enterprise". The statement then lists four areas by which this "ideal of service" is fostered: through the development of acquaintance as the opportunity for service; the promotion of high ethical standards in business and professions; through service in one's personal, business, and community life; and the advancement of international understanding, goodwill, and peace.

The Object of Rotary has not always been expressed in this manner. The original Constitution of 1906 had three objects: promotion of business interests, promotion of good fellowship, and the advancement of the best interests of the community. By 1910, Rotary had five Objects as increased emphasis was given to expanding Rotary. By 1915, there were six Objects. In 1918, the Objects were rewritten again and reduced to four. Four years later, they had again grown to six and were revised again in 1927.

Finally, at the 1935 Mexico City Convention, the six Objects were restated and reduced to four. The last major change came in 1951, when the "Objects" were streamlined and changed to a single "Object" which is manifested in four separate ways. The "ideal of service" is the key phrase in the Object of Rotary. This ideal is an attitude of being a thoughtful and helpful person in all of one's endeavors. That's what the Object truly means.

### Our Rotary Weekend —Feb. 28 – March 1

Friday's Meeting (as described by Frank)...

Pres. Jeff showed up well-prepared.

He wanted to show his new Olympic physique.

He waited for everyone a LONG TIME.

### Sunday's All-American Rotary Breakfast

...Sunday continued

As always, our pancake breakfast provided a great opportunity for fantastic fellowship and fun for our club. Under the leadership of Captain KEN MCHUGH we ran like a well-tuned brigade of jack flippers, egg beaters, sausage fryers and waiters/waitresses.

The morning started with KEN's first squad looking like a Cal-Trans crew of twenty-plus Rotarians watching and drinking coffee as the others made the pancakes.

Through the day, 70 Rotarians showed up, including DAVE MADSEN and RUSS TIGHE, who discussed batter consistency (photo 1). BRAD BENEDETTI got a laugh as DON BASILE dropped pancake mix on HELAINE CAMPBELL's shoe (photo 2). RON CUTLER and TONY GIVEN get a laugh as TONY attempts to amputate his fingers (Photo 3). President Jeff was caught buying personal raffle tickets with Rotary money (photo 4). LARRY FORD is excited about his pancake (photo 5). Another satisfied customer (photo 6).

By the end of the day we all deserved credit for a job well done. Congratulations to KEN and his committee.

### COMING ATTRACTIONS

March 6 ..... A truly exciting talk about our own Sebastopol Rotary Educational Foundation. Presented by Tony Given, Mike Carey and John Blount.

March 13 ..... Sebastopol Downtown Plan

March 20 ..... Sonoma Land Trust

### UNA CARTE DE MEXICO

Dear Sebastopol Rotary Club,  
I am having a truly exciting teaching experience here in Puerto Vallarta. This is the perfect place to send an English teacher. Every week, as I walk the streets of the neighborhood near the schools, the students approach me to tell me that English is so important to them. Their dreams of work and study for the future are often completely dependent upon mastering the English language.

My job in the beginning year is a long course of study for most students. English is mandatory for all junior high and high school students. My elementary students are getting a head start on the usual course of study. Having an American teacher here is invaluable because most of the Mexican-English teachers are extremely knowledgeable, but have great difficulty pronouncing the language. I am trying to emphasize the flow, the music of English in my class. I am really beginning to hear a difference in all 320 of my students as unintelligible sounds transform into spirited of poems and excited responses to the exercises.

Sometimes I wonder how much I am actually teaching my students, but there are many precious moments that help me know that they are learning. The other day I was writing sentences first in English and then in Spanish for my students to guess which vocabulary words would fit in the blanks. A number of times they were able to give me the answers before I even got to the English translations. The other night I was walking home one of my students and she was continually sprinkling our conversation with English words. I was so impressed and asked her where she learned to speak so well and she said, "Con usted, teacher, with you." It is so fun to walk the streets near the schools because students are continually yelling out, "Teacher, teacher! Hi! How are you?" They are so excited and proud to use their English and so anxious to learn more.

Thank you for reaching out in so many generous ways to these Puerto Vallarta children. Between your aid and the works of the very active Puerto Vallarta Rotarians the children and teachers are coming to appreciate the Rotary Club with good health, better education and ever-increasing opportunities.

Hasta Julio. Que le vaya bien. I'll see you in July and until then may all go well with you.

Sincerely,

Cheryl Richardson
