Before the Bell

Note: DON'T PARK YOUR CAR IN THE NORTH (Across Danmar) PARKING LOT ON JANUARY 20.
(The Sonoma County Sheriff's Rescue Helicopter is landing there. They... Got tickets !!!)

A beautiful, warm, sunny day in West County - there was never a luckier Friday the 13th.

At the Bell

Henry Alker led the group in the *Pledge of Allegiance*.
Karen Daniels led the singing of *God Bless America*.
And **Bob Cugini** gave the following Thought for the Day:

"The best thing to give your enemy is Forgiveness, to an opponent Tolerance, to a friend Your Heart, to your child A Good Example, to your father Deference, to your mother Conduct that will make her proud, to yourself Respect, to all men, Charity - Mohandas Gandhi."

Someone noted that the Mahatma left out what to give your wife. Someone else suggested a hardy – "Yes Dear".

Visiting Rotarians and Guests

At this point in the proceedings, **Mike Long**, dressed in full referee regalia, blew his whistle and threw a penalty flag at **Mario Lopez** and **Bob Hirsch** who had walked in late. **Mike** explained it was a delay of meeting penalty and **President Aleia** assessed a \$5 penalty.

Why was **Mike Long** dressed in full referee regalia and blowing a whistle? Because the meeting was officially deemed a Sports Fan Day. Many Rotarians showed fan support for their favorite teams including our very own and much loved San Francisco 49ers. There was one Chicago Bear fan (If your team is under 0.500, just leave the jersey home.) and no Raider fans immediately in evidence. One person appeared to support the defending champion Packers and **President Aleia** showed her support for the Boston Patriots, a team best known for being in the original American Football League.

Visiting Rotarians included Assistant DG, Linda Sinkay, and Debbie Klein from the Sunrise Club and Ron Sparrow, late of Sebastopol Club and presently a member of Santa Rosa West Club.

Mary Jo Toth

Tom Farrell introduced his guests Mary Jo and Gabor Toth, longtime local residents and friends of **John Blount's** parents. They knew **John** as a young whippersnapper but refused to give details.

Gabor Toth

Troy McAdams introduced his wife **Nicole**.

Prior to the announcements, **Referee Long** threw a few more penalty flags at late arrivers **Dennis Judd**, **Paul Thielen** and **Mark McDonell**, who were penalized \$5 each. A personal foul flag was thrown at **Bob Rogers** for using the Rotary web list to try to sell personal items (mystery dinner tickets - sounds like a ticky-tack foul to me) nevertheless, he was fined \$15.

🍎 Announcements 🍎

Mark Fink mentioned the recent passing of Rotarian Jim Wiseman at age 93.

Bob Rogers held forth on the upcoming crab feed and said that he should have worn 49er Michael Crabtree's jersey in its honor. Andrea Lifo, co-worker of **Dorothy Rodella** at Exchange Bank, took over ticket selling duties for the day and announced several available tickets for the early seating and not so many for the late seating. Andrea is recently married and shows real promise in the nagging department, but **Dorothy** will return soon for the real deal.

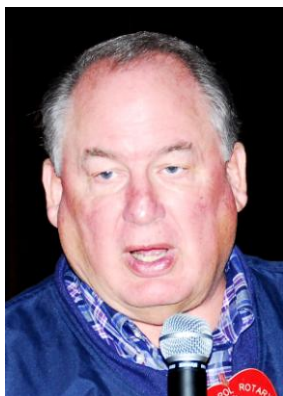

Troy McAdams asked for items for the raffle. He is hoping to get some bottles of wine donated from the membership. He promises that he won't be breathing down anyone's neck though. (At this point, **Greg Jacobs** got up and took a bow.) **Troy** is also looking for raffle ticket sellers to work the crowd.

Jack Blasco is still looking for a few good volunteers. He took a new approach, more inveigling than ranting but the message stayed the same, Sign up Now. He feels that the available position of **wine steward** is tailor-made for some of the Sebastopol Rotarians.

President Aleia announced that **Rev. Gene Nelson** has been selected as Sebastopol's Citizen of the Year. Congratulations to **Rev. Nelson**. He was not fined for receiving such a high honor - however, he was fined for his over-the-top Green Bay Packer get-up. He was found guilty of over-cheesing it and fined \$20. He was not seen at any time to "Tebow" -perhaps he is saving that for next Sunday.

Richard Power announced that he is looking for corporate sponsors to sponsor various Rotary events and Projects.

Mike Ferguson announced that next week's meeting will feature a fly-in by Sheriff's Helicopter. **Please don't park Friday.**

Patty Blount gave a short presentation on the Sebastopol Rotary Education Foundation (SREF). **Dave Madsen, Mike Long, and Jerry Warren** assisted. The SREF started in the 1980s as a way to fund scholarships outside of the yearly operational budget. Beginning with a donation by Dr Chester Marsh and an initial \$5,000 nest egg, the SREF has grown over the years to an endowment fund that supports West County educational endeavors. The fund grew to \$60,000 in the 1990s and thanks to a \$275,000 bequest by the Hallberg family in the 2000s, the fund continued to grow. It is presently at \$748,000 thanks to many donors, including some non-Rotarians who want the comfort of knowing that their personal bequest will be used for local education. The SREF no longer funds scholarships but funds

a whole array of education related projects. These include Teacher of the Year, various community grants, the dictionary program, read to me program and others. Complete details on the SREF are available at Sebastopol Rotary Education Foundation [foundation-for-education.org](http://www.foundation-for-education.org). (Click on <http://www.foundation-for-education.org>.)

Recognitions and Fines

Numerous fines and penalties had been assessed already but they kept on coming.

Troy McAdams was fined \$5 for his recent birthday. He went to Reno and hopefully had enough money left to cover the fine.

Mark Stevens categorically denied that he recently celebrated an anniversary. Nevertheless he was fined \$25 for his part in the recent high dollar sale of a Dry Creek Valley winery.

An old and outdated photo of **Greg Gill** was seen on a fishing outfitters website, which earned him a \$10 fine. For also catching a big fish but not making the internet, **Dave Madsen** was fined \$25.

Mario Ramos was fined \$35 for taking some free time off in Mexico while working on a humanitarian project.

The Raffle

Denny Gaya was the lucky spinner but struck no gold. Next time the odds will be 50-50.

PROGRAM

Dave Madsen, though tempted to expound at length on his fishing success due to the \$25 fine levied on him, resisted, and introduced the Program speaker, Sebastopol Rotarian **John Blount**.

John has been in Sebastopol Rotary since 1977 and was president 1982-83. He became the youngest District Governor in District 5130 history. He recently finished a two year stint as Rotary International Director for the Western U.S. and Canada. And he is presently serving as the Chair of the Executive Committee on Communication.

The committee is taking a deep look at areas such as the Rotarian magazine, the website and the issue of branding in Rotary. There are 34,000 Rotary clubs and the committee sees many opportunities to tie the clubs together through communication resources. Clubs can use an improved public posture. The prevailing paradigm among early Rotary clubs was to keep the communication on the down low. Clubs felt they didn't want to "brag" about their accomplishments.

The Communications committee is looking to improve Rotary's public posture by telling the world what we do. They want to tell a clear and compelling story of the accomplishments of Rotary. **John** pointed out that many people still think that Rotary is a men-only organization. Think of how that false belief has a negative effect on recruiting new members. There are no clear dollar amount statistics on how much money Rotary puts back into individual communities through its various programs. Rotary is probably one of the biggest worldwide contributors to the public good, but without the statistics, the story remains untold.

The "brand" of Rotary is under scrutiny and study. The brand needs to be more clearly understood through better messaging and updated language. The End Polio Now campaign will play a huge role in the new branding project coming from the communications committee. The committee seeks to craft a complete and succinct story about what Rotary is and does. It will improve inter club communication and assist Rotary to get full credit for the work that it does.

The Closing Bell

President Aleia thanked speaker **John Blount** for his presentation and (should have? –Ed.) awarded him with, what else, a donation to Polio Plus in his honor. She then rang the bell and closed the meeting.

After The Bell

Note: DON'T PARK YOUR CAR IN THE NORTH (Across Danmar) PARKING LOT ON JANUARY 20.

The ABC's of Rotary

(Taken from "The ABCs of Rotary", a Rotary International publication originally prepared by Dr. Cliff Dochterman who was RI President in 1992-93)

#01: Definition of Rotary

How do you describe the organization called "Rotary"? There are so many characteristics of a Rotary club as well as the activities of a million Rotarians. There are the features of service, internationality, fellowship, classifications of each vocation, development of goodwill and world understanding, the emphasis of high ethical standards, concern for other people and many more.

In 1976 the Rotary International Board of Directors was interested in creating a concise definition of the fundamental aspects of Rotary. They turned to the three men who were then serving on Rotary's Public Relations Committee and requested that a one-sentence definition of Rotary be prepared. After numerous drafts, the committee presented this definition, which has been used ever since in various Rotary publications:

"Rotary is an organization of business and professional persons united worldwide who provide humanitarian service, encourage high ethical standards in all vocations and help build goodwill and peace in the world."

Those 31 words are worth remembering when someone asks, "What is a Rotary club?"

Last Week's Meeting...

January 10, 1992

PRESIDENT JEFF started the meeting suggesting he was going to emulate President Bush and regurgitate all over somebody, but in deference to Susan's food decided not to. Lucky for us.

GARY KIMES led a roaring pledge to the flag with a great amount of zest and zeal we have not seen in a long time.

BILL BOURNS pleaded with LARRY to sing a solo, but the master of song rejected that idea and led us in a beautiful rendition of "America the Beautiful."

Blessings were offered by GENE (MIRACLE MAN) NELSON.

RAY TUNQUERY introduced our visiting guest and I'm here to tell you DON BASILE has been dethroned, unseated, demoted, etc. to second position and RAY has the crown for the most confusing (to put it mildly) presentation I have heard in 2-1/2 years! As KEN McHUGH put it, and I quote: "That was terrible." The funny thing is that RAY did not have his glasses on and I do believe RAY is a retired optometrist. Thanks, RAY, for making a dull job a wonderfully amusing event.

It was sad to hear TIM CHARLES turned in his resignation due to pressing business conflicts. We will miss him.

SCOTT VAN DER HORST gave us a look into Windsor's upcoming Hot Air Balloon Classic and that their program ad space is available from \$150 to \$1000 for the back cover. Olympic style events will be held and all Rotary clubs will be invited to offer 10 individuals to participate in rope pulling contests and other such events starting at 11:00 a.m. on the Saturday of that weekend. The winning team will receive \$500.

The pancake breakfast was announced by JEFF and KEN McHUGH. Don't forget March 1st. Be thinking of how you can help — we will have another raffle this year. A grand prize of a 19" color TV has already been donated. Any items you can donate will be much appreciated.

DISTRICT GOVERNOR DAVE DILLON sent us a letter stating that the December issue of *Out of the Fog* had a mistake in ranking summary percentage of attendance — inverted with Cloverdale, but Sebastopol was still ranked #1. JOHN BLOUNT stood up in defense of DISTRICT GOVERNOR DAVE, suggesting every District Governor puts at least one mistake in the newsletter just to see if we are reading it. That did not go over very well with the members, as you can imagine. Bud Bowl was announced as a slimmed down event this year. Tickets will be \$25 — sign up with DOUG PERKINS. Proceeds go to our brother club in Puerto Vallarta to help the school program to construct bathrooms. Grand Prize is a trip to Puerto Vallarta for two people for five days. GUENTER MEIBERG was saddened to find out there will not be a gathering at Round Table and has invited all Rotarians, spouses and friends to his house. Call GUENTER for directions. (Only kidding, Guenter.)

Sunshine Report

JIM WISEMAN suggested all are doing well.

JEFF auctioned off a doodle of GARY KIMES he drew which looked like lots of little plots. GARY pointed out he was plotting JEFF's future. That cost GARY \$25.00. BUD DAVEIRO was fined \$25 for going on a cruise with SHARON DAY. SHARON won the cruise at the Cruise Night fund raiser and

...continued

only took five weeks to decide that BUD was going with her... JIM COREY was fined \$10 for squealing on PRESIDENT JEFF who fined one of our members at the West Santa Rosa club. JOHN BLOUNT was fined \$10 for cooing CHRISTIAN into washing windows. DAVE MADSEN stood up and declared that a miracle has happened — his broken arm had been miraculously healed; and GENE NELSON seemed to have taken a little bit of credit for this great event by standing up and yelling "Hallelujah!" The look on DR. CYNTHIA BAILEY's face was something to see — she probably was wondering what she was doing there. This event cost DAVE and GENE \$10 each. HAL KAGAN was fined \$30 for an ad explaining which four people he would like to visit. It seems he considers the Marx brothers only one person. BILL BOURNS was hit for \$20 for dressing down for a club meeting. KATHLEEN TUTTLE was fined \$20 for some pictures which had to do with a bathing suit — sounds like blackmail to me...

Fast shuffle of the Day

DAVE MADSEN put \$20 in the fine basket. ANSON CRUTCHER then took the basket to GENE NELSON who put a \$20 IOU in and proceeded to give the IOU to DAVE, keeping the \$20 — good going ANSON! I think DAVE will deposit an IOU in the offering plate on Sunday.

Drawing was held and three out of four winners were visitors — maybe we should change the rules.

JEFF (I'm Leaving Again) BOAL will count on MIKE (Law & Order) FERGUSON to take care of business Friday the 17th — a good opportunity for us to see what the next year will be like...

I suggest we be in our seats and be ready to start by 12:30 promptly if we know what's good for us.

PROGRAM

Dr. Cynthia Bailey spoke to us about the sun and its dangers in causing skin cancers. Dr. Bailey's grandmother was the founder of the original French Laundry, which has been in town for many years. Dr. Bailey's slide show was very graphic on the dangers the sun can cause in different types of cancers. Her basic conclusions were to keep out of the sun if possible between the hours of 10 and 3 when the rays are most potent. If you have to be out in the sun, use SPF #15 sunscreen to help protect yourself and if balding on top, wear a hat. She went on to say the effects of the sun are cumulative and if we take these

precautions the first 18 years of our lives we could reduce almost 80% of all skin cancers. As with all medical conditions, she warns if you suspect anything or see a mole getting larger or a rash developing, see your physician early!

Gene Nelson introduces Dr. Cynthia Bailey

WORLD UNDERSTANDING

February is World Understanding Month, the time to make a special effort to Look Beyond Yourself — and the boundaries of your own country — to promote international understanding and good will. Think about ways you can make a difference in creating a world of harmony: Offer to host an exchange student in your home; get involved with a Group Study Exchange, a 3-H or Matching Grant project or the planning of a scholarship in our district; invite friends over for a dinner honoring an ethnic member of our community — use your imagination!

The month culminates with Rotary's 87th birthday on February 23 — World Understanding and Peace Day at the United Nations. Any suggestions on how we can celebrate this special day as a club?

UPCOMING EVENTS

January 17 BOB BOROWICZ speaking at Rotary on the trials and tribulations of a pro golfer.

January 24 GARY WOLLIN on how to lose money in the stock market.
