"All the News that Fits We Print"

At the Bell

David Still led the flag salute; Karen Daniels and J.T. Martin then led the group in a poignant rendition of "God Bless America". On this day of sadness and grief, **President Edwin** remarked: "We do not gather here today in a vacuum, we are members of the world-wide community; please observe a moment of silence for the people who lost their lives in Colorado this morning."

Visiting Rotarians and Guests

Today's special guest and speaker was introduced by District Governor Michael Juric (if you read that quickly, it sounds like the Prez was introducing himself as the DG; however, that will be cleared up later in this issue.).

Bud Daveiro helped the club welcome visiting Rotarians: Linda Johnson (Sebastopol Sunrise, retired occupational therapist), Michael Gelsinger (Santa Rosa East, retired income planner), and David Mark-Raymond (Sebastopol Sunrise, real estate).

President Edwin,

Recognized guests included **First Lady Diana**, first daughter Danelle (heading back to med school shortly), Maurine Doerken (no more free lunches) David Woodruff and his fiancée Marcela Gaskill. **Kathie Mayhew** introduced a guest from Italy -- who looked like a dead ringer for **Peggy Rogers**.

It certainly confused **Bob Rogers**, because he dared question **Prez Edwin** about the meeting protocol. Stung by the false accusation, the **Prez** wondered aloud if **Bob** was conducting his own table meeting, leading to this blunder. Since the self-proclaimed "**Pretend President**"

Mike Ferguson was sitting next to **Bob** (and the **Italian Imposter** on **Bob's** other side), it was a logical assessment by our **Prez.. Mr. Rogers** and his neighborhood escaped with a \$10 fine.

CALL AHEAD TO CONFIRM MEETINGS

Announcements

The 86th annual Rotary Golf Tournament is coming up fast **(August 16)** and because the regular Friday meeting on August 10 is 'off-site', there's a good chance that local "linksters" may miss the deadline for the round and/or BBQ. There is no truth to the rumor that **Bud Daveiro** lobbied to have the golf tournament also declared an 'off-site' meeting.

Harry Simms is still looking for volunteers for the Rotary Experience booth and the Rotary bone marrow awareness booth at the Gravenstein Apple Fair.

Bob Rogers took a few minutes off from his table meeting to remind us of the August 12 Tour d'Organics event and the need for volunteers. This is a fund-raiser for the Sebastopol Cultural Center. [Call Bob or Diana rich to volunteer or see at:

www.seb.org/event/475058-2012-tour-d-organics

New Members: Woodruff, Doerken

Gene Nelson and **DG Michael Juric** joined **Prez Edwin** in the induction of two new members. Sponsor, **Harry Polley**, and mentor, **Brian Langermann**, led the welcome of **David Woodruff**. It was noted that **David** and **Brian** were classmates at Analy and that **Brian** may need some mentoring himself (Translation: David has his work cut out for him.) David owns the Sebastopol restaurant, Woodruff's.)

Sponsor, **Jerry Warren**, and mentor, **Karen Daniels**, inducted **Maurine Doerken**. Maurine is a marriage and family counselor and comes to the club with a vast understanding of Rotary and an interesting career background. Maurine was a five-year member of the Rotary Club of Los Angeles before moving north.

Rookie Sketch - - Andy Russell

"Cleveland Rocks, But So Does Fresno"

Andy Russell did his best version of "Where's **Andy?**", a game requiring a navigation system. He started the journey in Cleveland, but looked for something better --arriving in Oakland (**Scribe Notes: Andy's rule is NEVER TRY TO LIFT ONE'S SELF BY PUTTING SOMEONE DOWN. I will really try after this issue.**)

From there he headed to San Diego (college) then Lake Tahoe (putting his degree to use as a ski instructor for six years) and on to Fresno (fondly described by **Andy** as the desert) before arriving in Bodega Bay and Sebastopol. His post-graduate work led him to Palm Drive Hospital as a physical therapist. He noted that his current wife, **Honora**, is an occupational therapist. (He was reminded by a helpful Rotarian to never use the word 'current' in front of 'wife'.) **Andy's** current children are Kyle (5) and Ellie (3).

Recognitions and Fines

Dorothy Rodella led the birthday parade with a \$5 fine, despite excessive celebration (noted by **President Edwin** by the photo showing the smile on her face). While not enough evidence was available on the others, they, too, suffered the same fate: **Liz Schott**, **Greg Jacobs**, and **Bob Rogers** (who

was either not paying attention or there was a b-day party going on at his table). **Bob Cary's** birthday was a lucky one, involving golf and pool (are these Olympics events?) --so he shared his joy with a \$100 Foundation donation.

Diana Rich was congratulated for the 30th birthday of the Sebastopol Community Center.

Frank and Kathie Mayhew celebrated an anniversary and **Frank** topped that off with a poker hand that beat odds of 30,900-to-1, a 5-card draw Royal Flush. Assessed a \$15 fine, **Frank** decided to push his luck one more time. He suggested a smaller fine, based on \$2 a card. **Frank** was thinking \$2-a-card, times 5 (\$10). **Prez Edwin** didn't budge --although **Frank's** luck continues, as the **Prez** could have agreed to \$2-a-card X 52 cards, or a \$104 fine (that's what **Bob Rogers** would have done!).

Tony Given, **Linda Collins** and **Brad Benedetti** were nailed \$5 each for not reading the **APPLE KNOCKER** (another **Scribe** note: make it \$10?)

Tom Dilley was shown in two photos, one at an Oregon winery and another at a K-Mart store. It was the latter of these two that caught **Prez Edwin's** attention: "Looks like someone was rubbing your rhubarb the wrong way!" (Translation: **Tom**, you are now officially a K-Martian).

First daughter Danelle was shown suturing a pig. [!!! -Ed.]

Bob Hirsch looked perfectly Lilliputian after a cross-country trip to Jacksonville. However, upon his return he appeared to regain his 6-5 height (and who says these cross-country flights don't take a toll? Probably the guy standing next to **Bob** in the photo, the guy who hit the tape at 7-4).

The Raffle

Even with highly winnable odds (Where's **Frank Mayhew** when you need him?), **Ken Silveira** couldn't pick the winning card. Instead, he gets a tour of the Analy High cafeteria, with lunch on **Keller**.

The Program – District Governor Michael Juric

It's not often that a visiting District Governor can come in with such a powerful message and know a (our) club. **Michael Juric** talked about his family, his four children, and the loss of his wife/their mother tragically too soon. The three pieces of his life --family, work (years as a leader in education), and Rotary.

Dr. Juric talked about the District goals: Increase membership - Increase annual fund-raising - Increase Polio giving - Collaborate (do something with another club) - Support youth programs.

He used a quote from Mother Teresa: "I can do this, you can't; you can do this, I cannot; together we can do great things."

He added that we need to find that other person, that other club --to work together to do great things.

Michael also talked about the critical tasks of increasing leadership and distributing leadership more throughout the district. He noted that Rotary PETS (President-Elect Training) is focusing on this.

OK, Andy...remember that pledge...next issue.....

That PETS training has already impacted **President Edwin**...he's getting it. Michael's mantra is, "WHAT'S GOING ON HERE AND WHAT ARE WE GOING TO DO ABOUT IT?"

Our **President** has the first part nailed: "WHAT'S GOING ON HERE?"

The Closing Bell

President Edwin thanked DG Michael Juric and presented him with a speaker's gift of a bottle of special Asian Pear Brandy from **Torrey Olson's Gabriel Farm**.

President Edwin wrapped it up with another George Bernard Shaw quote: "The reasonable man adapts himself to the world; the unreasonable one persists in trying to adapt the world to himself. Therefore, all progress depends on the unreasonable man."

After The Bell

Thought of the day... from **Bob Hirsch** and 'the great one' –**Prez Edwin** and/or Wayne Gretsky)

"You miss 100% of the shots you don't take."

The ABC's of Rotary

*(Taken from "The ABCs of Rotary", a Rotary International publication originally prepared by
Dr. Cliff Dochterman who was RI President in 1992-93)*

#26: Tolerance of Differences

Occasionally, there is a temptation to criticize the laws, customs, and traditions of another country that may seem strange or contrary to our own. In some instances, illegal practices or customs of one nation are completely lawful and acceptable in another.

As members of an international organization dedicated to world understanding and peace, it behooves Rotarians to exercise restraint in judging our Rotary friends and citizens from other countries when their behavior seems unusual to us. A Rotary policy has existed for more than half a century relating to this dilemma of international relationships.

The statement, adopted in 1933, says that because it is recognized that some activities and local customs may be legal and customary in some countries and not in others, Rotarians should be guided by this admonition of tolerance:

"Rotarians in all countries should recognize these facts and there should be a thoughtful avoidance of criticism of the laws and customs of one country by the Rotarians of another country." The policy also cautions against "any effort on the part of Rotarians of one country to interfere with the laws or customs of another country."

As we strive to strengthen the bonds of understanding, goodwill, and friendship, these policies still provide good advice and guidance.
