**At the Bell**

At 12:15, **President Edwin**, opened the meeting with the ringing of The Bell.

He then invited us into a moment of silence in memory of a grand and gallant lady, **Evelyn Farrell**, wife of our beloved **Tom** for 61 years.

Blessings and peace to you, **Tom**.

**Karen Daniels** led our flag salute and **J.T. Martin** led the singing of "God Bless America". We can only hope...And **Linda Collins** provided an opening reflection on how to make and keep friends.

### INTERRUPTION – A DAY OFF

At this point in our President's carefully planned and choreographed meeting, a parade broke out, actually more like a fashion show.

**Keller McDonald** took over the microphone – always a frightening moment! – and announced a parade of fashions designed for a day off. And so it was that the lovely **Aleia Coate** modeled a casual ensemble followed by the always delightful, **Ron Puccinelli** modeling, well, a shirt.

The charming, **Jerry Warren**, followed with a Hawaiian shirt and bottle of Pinot. Then came the lovely and alluring **Meredeth Bertacco** and **Monica Kretschmer** in the latest beachwear, complete with floppy hats.

**Rev. Nelson** followed in...a robe (?). Some people never relax!

## Visiting Rotarians and Guests

**Bud Daveiro** then introduced our one visiting Rotarian: Michael McGlothlin from the Sebastopol Sunrise club. Michael still has cases of the Balletto Vineyards Pinot for Polio for sale. Indeed, samples were available. A good wine for a wonderful cause. [See attachment. –Ed.] In fact, later in the meeting **President Edwin** showed an R.I. video on the campaign to stamp out polio and announced that R.I. is producing the World's Biggest Commercial on the End Polio Now effort. You can be a part of it. Just go to the web site. <http://thisclose.endpolio.org/en>

## Announcements

**SCRIBES AND PHOTOGRAPHERS ARE STILL NEEDED TO COVER OUR FRIDAY MEETINGS FOR ROTARY YEAR 2013 - 2014.**

**President Edwin** thanked all those who helped with this year's Financial Literacy Seminar for high school seniors, a unique and extremely helpful program. Thanks to **David Schreibman**, **Henry Alker**, **Meredeth Bertacco**, and **Tim Moore**.

**Steve Prandini** reported on the World Community Service grant for the hospital in Chidamoyo, Zimbabwe. The \$7,100 grant from our club became almost \$30,000 when matching funds were added from R.I. Fund and will be used to provide much needed Blood Analysis equipment. Great job, **Steve!**

## ROTARIAN OF THE MONTH

**President Edwin** had a word of thanks for our faithful Sergeant-At-Arms Committee: **Jim Pacatte**, **Dick Zimmer**,

**Nao Noguchi**,  
**Jack**

**Dunlap, Tom Dilley, and Brendon Houston**. He then named **Nao** as the Rotarian of the Month, not only for his faithful work each Friday but also because off all his efforts on behalf of the Japanese Tsunami victims.

Congratulations, **Nao!!**

**President Edwin** also reported that our club received recognition for our efforts in Club Service, Community Service, and International Service at the recent District 5130 District Conference.

## Recognitions

Birthdays:

**Mark Sell** received a \$5 recognition for a December 2<sup>nd</sup> birthday that was actually Feb. 12<sup>th</sup>. Got to love that Club Runner!

### Anniversaries:

**Barbara Beedon** paid up for not remembering how many years she and **Greg** had been married. Could be 39; could be 40, but who's counting? But May 26<sup>th</sup> was the date.

**Jack and Marie Blasco** – either May 30<sup>th</sup> or 31<sup>st</sup> - neither partner seems quite sure. But it doesn't matter because they forgot to celebrate anyway. There was talk of Berkeley in the 60's and of strange weeds, so it could have been any day. Thanks for the \$5.

**Ken and Lisa Jacobs and Dick and Barbara Zimmer** – both married on June 7. 21 years for the Jacobs; 44 years for the Zimmers.

### Congratulations All!!

#### Special Recognitions:

**Ron Puccinelli** was hit for \$20. Seems he arrived at the Rotary Board meeting at Mario's restaurant 24 hours early. Now that's dedication – or perhaps one too many Margaritas!

**Paul Yeomans** contributed \$15 for a diving trip around Bali with family and friends.

**Mario Ramos** now has a wallet that is \$35 lighter after he was unable to identify a 1968 fishing trip photo of two current Rotarians. But in fairness to Mario, in that photo, the two Rotarians – **Jerry Warren and Harry Polley** – not only had hair, but also had dark hair! Ah, those were the days!

### Extra New Game

And then, **President Edwin** announced an exciting new game...Guess What the Word Means!

First word...**Smellfungus**: Now here was a word just crying for inappropriate punch lines, which several tables were quite willing to supply. But **Jack Dunlap and Linda Collins** were both fined \$35 for being unable to come up with the word's meaning, which is..."critic or fault finder." Second word...**Oleacranon**: **Liz Schott and Bob Cugini** both failed in their efforts and gave up \$35. It is the clinical term for the funny bone, although **Liz** and **Bob** did not seem to be laughing.

Final Word: **Cyanope**:

**Brian Langermann and Norm Stupfel** each were stumped...\$35 stumped. Meaning: "Person who is fair-haired with brown eyes." As you can tell, we have now entered into that time in the Rotary year when the President is desperate to catch up on fines and will use any lame excuse to do so. But at least we all now have an expanded vocabulary. Such fun and educational too!

## 🍎 The Raffle 🍎

**Norm Stupfel** drew the winning card and donated his winnings to the Education Foundation.

## 🍎 The Program – Rick Wilson – Sex, Drugs, and Rock N' Roll 🍎

**Harvey Henningsen** introduced our own **Rick Wilson**, who basically gave us a history of the live Rock and Roll scene in San Francisco and the Bay Area in the 1960's. It is amazing the man still has any hearing at all! Using classic concert posters, **Rick** provided a fascinating tour through that musically rich and diverse era. Is there any concert he did not attend? He reviewed the great days of the Avalon, Fillmore and Winterland, and even added insights from the Los Angeles Rock and Roll scene. He provided another hit of California Sunshine from Quicksilver Messenger service, a very foxy lady story from Jimi Hendrix, and a moment when Jim Morrison and the Doors truly lit his fire.

There was the all night New Year's Eve party at the Fillmore with Big Brother and the Holding Company and Quicksilver, and sitting on the stage during a Chuck Berry concert and holding his Ding-A Ling. (what?) Then there was that moment, close to elder abuse, when he took his MOTHER to a Who concert at the Fillmore to have her eardrums blown out, watch them destroy instruments and smell fascinating aromas in the air.

**Rick** also showed us how posters changed to reflect the Vietnam protest era, and had a poster by Gary Trudeau created for Vietnam Vets. **Rick** was instrumental in the creation of the traveling replica of the Vietnam Memorial in Washington and he spoke of producing his own Blues Festival – the Rumsey Blues Festival, featuring Tommy Castro. It seemed like after 30 minutes, Rick was just getting warmed up. A fascinating, informative, and entertaining program. Sorry I missed that all-nighter at Winterland with the Grateful Dead!

**President Edwin** thanked **Rick Wilson** for his great history lesson and presented him with a certificate of appreciation from The Pathway Home, a program that helps integrate returning Vets from Iran and Afghanistan back into society.

## The Closing Bell

Program Next Week – Jerry Meshulam from the Sunrise Club speaking on RotoPlast.

**President Edwin** concluded the meeting with some thoughts from Charles Schulz:

You don't have to actually answer the questions, just ponder them:

Name the five wealthiest people in the world

Name the last five winners of the Miss Universe Pageant

Name ten people who have won the Nobel or Pulitzer Prize.

Name the last half dozen Academy Award winners for best actor and actress.

Name the last five movies to win the Academy Award for best picture.

How did you do? The point is, very few of us remember the headliners of yesterday – and these are no second-rate achievers. They are the best in their fields. But the applause dies, awards tarnish, accolades, and certificates are buried with their owners.

But here's another quiz. Let's see how you do on this one:

List a few teachers who aided your journey through school.

Name three friends who have helped you through a difficult time.

Name five people who have taught you something worthwhile.

Think of a few people who have made you feel appreciated and special.

Think of five people you enjoy spending time with.

Easier? The lesson: The people who make a difference in your life are not the ones with the most credentials, the most money, or the most awards. They simply are the ones who care the most.

**President Edwin** then rang The Bell, bringing the meeting to a close.

#### *#69: Group Study Exchange*

One of the most popular programs of The Rotary Foundation is Group Study Exchange. Since the first exchange between districts in California and Japan in 1965, the program has provided educational experiences for more than 44,500 business and professional men and women who have served on about 9,000 teams.

The GSE program pairs Rotary districts to send and receive study teams. Since 1965, almost US\$79.5 million has been allocated by The Rotary Foundation for Group Study Exchange grants. One of the attractive features of GSE is the opportunity for the visiting team members to meet, talk, and live with Rotarians and their families in a warm spirit of friendship and hospitality. In addition to learning about another country through visits to farms, schools, industrial plants, professional offices, and governmental establishments, the GSE team members serve as ambassadors of goodwill. They interpret their home nation to host Rotarians and others in the communities they visit. In recent years, teams of a single vocation or cultural group have been exchanged. Some GSE teams help create humanitarian projects between their countries. Many of the personal contacts blossom into lasting friendships.

Truly, the Group Study Exchange program has provided Rotarians with a most enjoyable, practical, and meaningful way to promote world understanding.

## CERES COMMUNITY PROJECT

April 10, 2013

Rotary Club Sebastopol  
PO Box 213  
Sebastopol, CA 95473-0213

Dear Dorothy,

Thank you for supporting Ceres Community Project. We received your grant of \$2,500 on 4/10/2013 for Organic Tools & Supplies for our Garden Project. A report summarizing the outcome and the results of the project will be forwarded per your request.

Your contribution to Ceres enables our friends and neighbors around Sonoma County to feel loved, cared for and nourished in a time of health crisis. Your gift helps us to teach our clients and volunteers—teen and adult—about the connections between food, community and health. Together, we're creating a healthier, more connected and empowered community.

With your support and our new building, we grew our programs over the past year, serving 70 client families a week and 40,000 free meals in 2012—40% more than 2011. Our new garden has provided an entirely new learning opportunity for teens as well as vibrantly fresh produce for client meals. Together, we've created an inspiring and powerful model that other communities are now seeking our help to replicate. This year, three groups completed our four-day training program, and many more reached out to begin the process.

Thanks to your generosity and partnership, we will continue to grow and strengthen our program here in Sonoma County in 2013, delivering 55,000 beautiful, delicious, and nourishing meals; and we will be aiding new groups in bringing the power of Ceres to their own towns across the country.

Thank you again for your support of this vital work. We look forward to keeping you updated on our progress through our quarterly newsletter, our periodic email updates, and our website.

With blessings,

Cathryn Couch  
Executive Director

*Thank you so much to all the Rotarians!*

P.S. Ceres Community Project is a 501(c)(3) nonprofit organization. Your contribution is tax-deductible to the extent allowed by law. No goods or services were provided in exchange for your financial donation.

Dear Ms. Rodella,

The Sebastopol CERT Advisory Board would like to thank the Rotary Club of Sebastopol for the \$1,500.00 grant in support of our disaster preparedness program; specifically, 200 blankets for our shelter program.

This grant will provide washable blankets to be used in a shelter in case we are cut off from help during a major earth quake, flood, or other disaster. Partnering with the Red Cross, we are preparing to set up and run a disaster shelter until help can reach us. This could be several days. Help will come, but the first few days can be critical so we are preparing to be in a position to shelter those of our citizens who are unable to return to their homes.
