### All the News that Fits We Print

#### Before the Bell

Thanks to our greeters **Les Crawford**, **Bill Facendini**, **David Still**, and **Rick Wilson**.

#### At the Bell

**President Aleia Coate** rang the bell calling the meeting to order at 12:16.

The Flag salute was led by **Mike Long**, and **Keller McDonald** led us in “*America the Beautiful*”.

Thought of the day: **Tom Farrell** gave a short presentation entitled “The lottery of life”. During his speech, **Tom** reminded us of the fact that, while we do not have any choice over such things as our level of intelligence, gender, appearance, or religion; we must deal with the cards that are dealt us. **Tom** recounted his 40 years in the Santa Rosa downtown club and his involvement in creating a symposium on people with disabilities. On a personal note, **Tom** shared that he has a child with severe mental retardation. As fate would have it, **Tom** suggested to Bob Luttieri that people with disabilities would make excellent employees for

him. Bob took up the challenge and as a result thousands of jobs have been created for people with disabilities in the waste-management sector. Another example of service above self, or as Rabbi Hillel said over two thousand years ago “If not me, who? It not now, when? And, if not for others, who am I?” Thanks **Tom** for an inspiring presentation.

## 🍎 Announcements 🍎

asked **Troy McAdams** to come up and take a bow for all of his hard work with the lobster feed. In addition, she recognized **Neysa Hinton** for all of her hard work (even though she was absent today – no photo) and, **President Aleia** named her Rotarian of the Month. **Troy** was also named **Rotarian of the Month**. **Troy** went on to state that while it takes a village to raise a child, it takes a Rotary club to pull off a fund raiser like this. **Troy** also gave his thanks to **Emily Buller** who continued to support his efforts, even when the power was out.

While **Troy** thanks the entire club, he wanted to give special recognition to the following people:

**Pierre Lagourgue**, man in the kitchen;

**Mike Long**, aka The General and Crustacean Kid;

**Jack Blasco**, aka Cat Herder and Town Crier;

**Ken Silveira**, the procurer;

**Bristol Hassler** for her behind-

the-scenes computer support and handling of tickets;

**Dorothy Rodella**, who

graciously handled the sales of almost 400 tickets;

**J.T. Martin**, who ran the bar and encouraged me to drink and spend too much; **Bob Cugini**, in charge of tents and rental equipment, the guy who made me look good; Our award winning audio visual group **Edwin Wilson, Paul Thielen, Ron Puccinelli, and Ken Jacobs**; and **Richard Petersen**, corporate sponsorship —got us going w \$6,000 to \$7,000 up front.

Silent Auction: We raised a total of \$19,964 with special thanks to **Dan Rasmus, Greg Jacobs, and Sally Ewald** (who kept coming up with something else right up to the end). "I would also like to acknowledge **Jerry Warren, Kent Seegmiller, Bill Kohler, Brad Benedetti, and Diana Wilson.** Thanks also to **Tom and Pat Dilley's** garage. Special thanks also go out to the LIVE CHAIRS – **Jackie Moreira** and **David Schreibman, Diana Rich, Bill Facendini, Dan Davis, Sally Ewald, Bob Cary, Pauline Pellini, Rick Wilson, David Pittman, David Still, Gwen Toney** and **Greg Jacobs.** I would also like to point out that \$9,000 was raised with the small keys raffle."

Rotoplast Quilts: **Pauline Pellini** took the podium and asked **Helaine Campbell** to come up and receive the 15 quilts that she and her volunteers had crafted. We hear that **Pauline** is addicted to quilting. **Pauline** also wanted to acknowledge the contributions of Peggy Rogers, Pat Dilley, Sandy Longinotti, Kay Warren, Jean Polley and Sherry Kane—another example of Rotarians in action.

Pumpkin Contest: We had a special event today to guess the weight of the pumpkin which was on the entry table. The guesses ranged from 6 pounds to 44 pounds. **Tom Dilley** hit the mark with 21.3 pounds and for his efforts received a pumpkin carving kit and a bottle of wine.

Invitation to the Shen Yun Amazing Dance Show Celebrating 5,000 Years of Chinese History:

You may recall our guest speaker several weeks ago who presented some history and background on this performance group. **Sally Ewald** reminded us that there are brochures for the upcoming performances and there will be a 10% discount for groups of 10 or more. (Sally asked **“-Ed.”** to tell everyone that, to facilitate the discount, it would be best for our folks to write a check to Sally and she will put all of the tickets on her credit card – at least for the first 10 to qualify for the discount. It is not necessary for us to go as a group or sit in a block of seats. Prices range from \$60 to \$220 per seat. Performances are January 3-7, 2012 at 7:30 p.m. at War Memorial Opera House in San Francisco. On January 7<sup>th</sup> and 8<sup>th</sup> there is also a matinee at 2:00 p.m. Sally and David Ewald plan to attend the matinee Saturday, January 7<sup>th</sup> – If others are interested in that day, we can carpool, then find an interesting restaurant to enjoy dinner afterwards. To learn more about the program, visit [www.ShenYun2012.com](http://www.ShenYun2012.com). To sign up for discounted tickets, email Sally at [sewald@lsaglobal.com](mailto:sewald@lsaglobal.com) (That's LSA, not 1sa. **-Ed.**). Sally wants to order tickets before Thanksgiving to assure we can get the seats we want. **-Ed.**)

November 11<sup>th</sup> Program: **Kent Seegmiller** reminded us that we have a special guest on November 11<sup>th</sup>, a former Vietnam War medic, and current professor at Santa Rosa Junior College.

**Steve Prandini** asked us to save the date of December 10<sup>th</sup> for the Club Christmas Party—to be held at the Pellini's home. Please let **Steve** know if you would like to sign up to bring Hors d'oeuvres or a dessert.

**Katy Spyрка's** cell phone just cost her an extra \$10 dollars.

## PROGRAM

**Greg Jacobs** was especially pleased to introduce the Honorable James G. Bertoli, Superior Court Judge for Sonoma County. **Greg** has known Judge Bertoli his entire life and holds him in the highest regard. **Greg** even gave him swimming lessons and pointed out that he is an expert in what is known as the “survival stroke” as per the Red Cross. Judge Bertoli is an ardent sports fan and baseball player. He is a graduate of Analy High, is active in the Analy Alumni Association and the 4H club. **Greg** also reminisced about the direction that he received from Judge Bertoli’s father as a swimming coach (although Mr. Bertoli Sr. didn’t know how to swim.)

Judge Bertoli started his legal career in private practice focusing on public sector law including representing the California Teachers Association and private unions. He has further distinguished himself as a professor at Stanford Law School in the Trial

Advocacy Program. Judge Bertoli was elected to the bench in 2000 where he now oversees criminal and family law with emphasis on handling domestic violence. Judge Bertoli pointed out that his experience in family law has led him more and more to the conclusion that conflict resolution and other non-violent methods of handling disputes should be taught in school.

Judge Bertoli than gave us some interesting statistics about the court system. He oversees 23 departments and 25 court rooms with a contingent of 20 judges and 3 full time commissioners. He pointed out that one area of

the justice system that involves many citizens is traffic court with over 71,000 cases last year. In addition, there are approximately 11,000 civil filings each year followed by 5,000 family law cases. There are also two juvenile courts that handle another 2,000 cases each year. All of this paperwork is handled by a support staff of 190. There are approximately 90,000 jury summons sent out each year, all of this accomplished with a budget of \$30 million.

Judge Bertoli stated that he truly loves his job and never ceases to be amused by some of the justifications stated in requests for temporary restraining orders. For instance, he recalled one request where the gentleman stated that “She tells everyone we are a couple and she scares [sic] at me when she looks at me.” Then there was the couple that got into a fight in their car. The issue was, do they go to Burger King or Jack in the Box? He decided “She can have it her way.” Then there was the gentleman who asked how much his bail was. Ten percent, he was advised. He called out to the audience “Baby, bail me out with the welfare

money.” P.S. – She was also the victim of the assault. Then there was the gentleman who broke up with his girlfriend and was so concerned about his safety that he went to his wife for protection.

Questions and Answers: One member asked Judge Bertoli about the role of private judges. He indicated that he encourages parties that have the means to use private judges as that takes pressure off of the system. Another advantage is the speed of dispute resolution. There was another question about the future of the 9<sup>th</sup> District Court System, i.e. that there is an effort to eliminate it. Judge Bertoli indicated that he saw that as a political football and not a realistic possibility. There was a question of whether or not the Sonoma County Sheriff's Department had the forensic support that they needed. Judge Bertoli indicated that this was outside of his area. Another question dealt with the effect of publicity about major cases on his performance, and the incidence of threats. He indicated that you simply have to adapt to it. Threats are part of the job and if he allowed them to affect him he wouldn't be able to get the job done.

### The Closing Bell

With thanks to Jim Bertoli and a donation to Polio Plus on his behalf, President **Aleia** adjourned the meeting at 1:30 p.m.

### After The Bell

Many thanks to **Raoul McDuff**, October Scribe, and **Larry Ford**, *Paparazzi-Roto-Photo-Shooter* (a **Harvey-ism -Ed.**) for their efforts. Like October's contributors, **Mel Davis** and **David Schreiber**, they gave “-Ed.” the ingredients for “-Ed.” to play with and the result is a lot of compliments. **Barbara Beedon** and **J.T. Martin** take up the Scribe and Shooter for November – All are provided by “Arranger” **Harvey Henningsen**, directed from his aerie in the forest. Like I said in the 10/14 AK “MM”, there's a lot of satisfaction in the people you get to work with. **-Ed.**

Something New: Guess what **-Ed.** found a couple of Sundays ago? The AppleKnocker Archive, all nicely organized, boxed, and preserved in a “secret” location. **Ken Jacobs**, **John Blasco**, **Bob Rogers**, **Michael Hixson**, **Chris Dawson**, **-Ed.**, and **others** have the idea that digitizing this history collection is important and interesting. **President Aleia** gave her OK for **-Ed.** to borrow one of the archive boxes and what fun it is to see these old AppleKnockers – some printed, some Mimeo-ed' (Remember Mimeo?) – but generally in good preservation. Interesting to see the names of members and visitors—some of which **-Ed.** remembers hearing of in his SRHS Class of '59 days. Some of the jokes in those old AK's are great. I copied an AK from 50 years ago (October 27, 1961) and attached it below. **-Ed.**

### **#72: Individual and District Simplified Grants**

In 2002, the Rotary Foundation Trustees simplified the Humanitarian Grants structure and replaced some of the grants programs with Individual Grants and District Simplified Grants.

Individual Grants, which replaced Rotary Volunteers and Discovery grants, support the travel of individual Rotarians planning or implementing service projects abroad. Volunteers must serve in a country other than their own at the invitation of the host Rotary club.

District Simplified Grants serve the same needs as Helping Grants, Humanitarian Transportation Grants, Community Assistance Program Awards, and New Opportunity Grants, all of which were phased out on 1 January, 2003. These grants, which support the service activities or humanitarian endeavors of districts, are funded by the District Designated Funds (DDF) of the participating district.

### "NOW YOU KNOW . . ."

It's hard to believe, but we hear that opening day of duck season all the fellows at Bill McCausland's Duck Club shot their limits, except Bill, and he went swimming instead. Whassa matter, Bill, old age creeping up?

Jack Jacobs says, "When you can't brush your teeth between meals, take them out and put them in your pocket."

Sorry to see Deb Triggs with arm in a sling . . . That's what happens when you keep ringing the cash register all day—or could he have been coaching the Analy Varsity?

Peter Jansen, substituting for the choir director, "Now don't forget, wait until the tenors reach 'the gates of hell'—then you all come in."

Now—a change of pace! Rotarians Howard Enos, Bob Rector, George Smith, Don Scott, Larry Duffield, Dayton Butler, and Walt Tischer all gave a great deal of time and effort in helping to win the recent Analy High School Bond Election. The victory reflected a community effort, and we are proud of these Rotarians for their active part in informing the public of the great necessity for approval of the issue.

It's not too early to plan your trip to Los Angeles for the Rotary International Convention, June 3-7, 1962. Let's all go, O. K.?

Well, here's some more junk—"Most of us are quick to recognize a good thing the minute the other fellow catches on to it."

O. K. sucker, Want to double your money??? Fold it and put it back in your pocket . . . (Kinda stupid, huh? Read on, we can get lousier.)

Sort of Ding-y . . . "Yes," mused the secretary, "psychiatry sure has helped me. Few months ago when the phone rang, I was afraid to answer it. Now, I answer it whether it rings or not."

Dear Prez: Is there any reason you don't fine Remo, even on general principles? (If you can't get the principal, at least get the interest!) This guy's been sitting at the same seat at same table each meeting for months, or do you need glasses!

Memo to Bud Heathorne—when you sleep through the meeting, someone else has to write your part of this bulletin—Suggest you get your vitamins from Jack O'Brien and Ben Burdo commencing now.

And Ralph Pierce takes in the money each week at the door—Never gets fined . . . You gotta deal with the Prez., Ralph?

That's all this week, except—You can always tell what condition a man's in if you know what he takes two at a time—stair steps or pills.
