Rotary International Foundation – All members are encouraged to contribute to the Rotary International Foundation during our club's annual Rotary Foundation Campaign which occurs in November each year. While many of our club's programs and projects contribute to local community needs and initiatives, contributing to the Rotary International Foundation provides a direct way for each member to participate in significant global service work of advancing world understanding, goodwill and peace through the improvement of health, the support of education and the alleviation of poverty. The club suggests an annual contribution amount, but any amount is welcomed. A member who achieves accumulated giving of \$1,000, is recognized as a Paul Harris Fellow.

Rotary Club of Lancaster South Foundation – All members are invited to make tax deductible contributions to the Club's foundation at the Lancaster County Community Foundation. The foundation's funds are used to support the Club's philanthropic activities in southern Lancaster County.
