With special thanks to our Rotary sponsors and donors.

Welcome to the Rotary Club of Attadale's
Spring Concert presented by the
renowned Fremantle Chamber Orchestra.

Today you will be enjoying a wonderful concert and also helping the needy as profits from this concert will go to Rotary projects to assist the homeless.

We hope to donate \$10 000 to the My Home Project. This project provides small, quality, energy efficient, new homes with shared infrastructure such as driveways and parking to keep the costs down. These are rented to the homeless, often older women, and Rotary helps provide furniture, fittings and starter kitchen and pantry provisions.

You can read all about this proven and highly successful Public Private Partnership (PPP) model at <https://myhomehousing.org.au>

The Rotary Club of Attadale will also continue to help the homeless through local organizations such as St Pat's and PortCare.

The Rotary Club of Attadale is a service club that is part of Rotary International. There are over 46 000 Rotary Clubs with around 1.2 million members in over 200 countries. Rotary is best known for spending three billion dollars over thirty years to 99.9% eliminate polio from the world.

The Rotary Club of Attadale was established in 1982 and currently has 30 members: men and women ranging in age from their twenties to eighties. We have dinner meetings twice a month at the Royal Fremantle Golf Club and have a lot of fun while doing an enormous amount of good in our community and around the world.

We have been delighted to work with Hans and Natalie Hug and the Fremantle Chamber Orchestra to present this charity concert. We thank them for the opportunity and offer a huge thank you to all of the generous sponsors whose support has helped to make the concert such a success.

Thank you all for supporting the Rotary Club of Attadale and the Fremantle Chamber Orchestra.
