### Exhibitors

This year, we've had a great response from both Adult and Junior Exhibitors applications, shaping up to be another outstanding event. Prepare to be amazed by the incredible creativity and skill from across Perth.

We're thrilled to welcome back the (GBC) Great Ball Contraption with its captivating mechanics, alongside the detailed and imaginative micro-worlds of Micropolis. These exhibits promise to inspire and delight.

This year, we're delighted to feature stunning 16x16 modular builds from our talented community. These diverse and imaginative scenes, crafted by local enthusiasts, will add an extra layer of excitement and creativity to the event.

Join us for a weekend of LEGO® magic and community spirit.

### Ticket Sales

We are set to have our biggest Bricktober yet and demand for tickets is even higher than previous years. We have already sold 1500 tickets, which is a huge uplift from this time last year.

### Vendors

This year's event will feature an expanded lineup of vendors.

Among the highlights are new food vendors, including a couple of food trucks, all serving up a delectable array of culinary creations.

Once again, our ice-cream cart has been sponsored by Affogato Gelateria in Mount Hawthorn and a big thank you to Mario.

Whether you're craving savory eats or sweet treats, there will be something to tantalize every taste bud and satisfy every craving!

### Merchandise

Once again, we are thrilled to announce that our merchandise stall will be making a return! This year, we're excited to unveil a selection of exclusive new items that you won't want to miss. Come explore our latest offerings and find something special to take home.
