

BRICKTOBER NEWSLETTER
Edition 1: July 2024

Volunteers

As another year rolls around and we are gearing up for the 11th Annual Bricktober event. Once again we are on the lookout for enthusiastic volunteers to assist us over the weekend.

A big thank you to everyone who has already signed up to help this year. Your support is crucial to the success of our event, and we truly appreciate your dedication.

We're excited to welcome back our returning volunteers and extend a warm welcome to those joining us for the first time. You are all part of an incredible team, and we're thrilled to have you with us.

This year, in addition to our fantastic exhibits, we have our two interactive areas for children and families, making them even more exciting and engaging. We can't wait to see you there!

Play Tubs

Part of the proceeds from Bricktober are allocated to providing LEGO® playtubs to enhance the play experience for local school or community LEGO® playgroups.

Some of these groups will be exhibiting again year.

Exhibitors

Adult and junior exhibitors are hard at work, feverishly constructing their displays for this year's event.

We owe a huge debt of gratitude to all of them as without their unwavering dedication and support, this event simply wouldn't be possible. A heartfelt thank you to each all our exhibitors!
