

Hi,

Follows an outline of Sunday 19<sup>th</sup> April 2026 Cruising Butterflies duties. Please give me a call if you need more details.

## PARKING

*Heathcote Lower Land 7.30 to 9.30am*

**Chris Dawson , Ron Bower, Murray McKay** Please wear the Hi Viz vest provided.

Chris will open the gate around 7.15am and place Parking Signs at the entrance and on the roundabout near the yacht club. Expect cars to arrive from 7.30am. Direct the people to the yacht club entrance via the pathway. Place some traffic cones on the pathway to the west of the entry from the car park. This is to warn cyclists of walkers on the shared path.

No cars are expected after 9am.

Chris will lock the gates late in the afternoon (after everyone has left)

## YACHT CLUB PARKING

*Yacht Club front gate, 2 people, 7.30 to 9am.*

**Hamish Turner, Clive Pearson** Please wear the Hi Viz vest provided.

There will be reserved parking provided for those with special needs, they have been sent a **special pass** to enable them to park adjacent to the club house. This area will be marked with cones and signs and have a parking attendant.

At the gate direct those with these passes to the parking attendant at the reserved car park. Expect to have about 15 -20 with special needs.

Direct others to the lower lands car park. Some may want to drive in, unload passengers and then drive to car park. That ok.

There will be yacht club members accessing the club, they may identify them selves. There will also be a couple of VIPs, no idea how to identify them.

Many of the Cruising Butterflies guests may ask directions to the registration desk. It is located at the Marquee adjacent to the eastern side of the Club House. It is sign posted and visible from the front gate.

*Reserved Parking, 7.30 to 9am*

Sue Boi, Gordon Dunbar

COOKING SAUSAGES 10am to 1pm

**Marg Brede, Kenn Williams, Ray Philp, Adele Clements, John Kelly,**

Please wear the Hi Viz vest provided, a cap or hat (health regulations) and gloves provided when handling any food.

Cooking will start at 10.15am and should be finished before 1pm.

The BBQ will be located on the northern (river) side of the yacht club.

SERVING SAUSAGE IN A BUN. 11am to 1.30pm

**Marianne Thompson, Dawn France, Val Philp, Brad Franken** and a couple of volunteers from the yacht club / Melville Rotary.

Please wear the Hi Viz vest provided, a cap or hat (health regulations) and gloves provided when handling any food.

The serving stations will be set up inside the yacht club within the Ballroom. It is expected that serving will commence at 11.30am. It should finish about 1pm.

Some gluten free sausages and buns should be available from a servery near the bar area of the Ball Room. Ask a SoPYC catering staff member.
