Re: Rotary Club of Kwinana International Committee Endorsement

To whom it may concern

As President of the Rotary Club of Kwinana it gives me a great sense of satisfaction to confirm that the Rotary Club of Kwinana's International committee has for many years been carrying out Rotary Projects within Timor-Leste. These projects are also known as the Rotary Projects Timor-Leste East (RPTLE), and they are endorsed by our Club as an ongoing project. We are proud that these projects have been recognised by the international Committee (RPTLE), and as an indication of the broad acceptance of this very worthwhile project, we, the project committee are pleased to acknowledge the continuing support it receives from of the several members from other Rotary Clubs within district 9465 who have been involved in the activities of the project committee.

This broad support has allowed RPTLE to bring the various Timor-Leste projects to completion, from their initial feasibility development phase, through then through the planning, consultation, scoping, estimating, purchasing and implantation phases of the projects.

The Rotary Club of Kwinana through its International committee has been working very successfully within Timor-Leste since 2009. We are still very active in the area and expect this commitment to continue into the future.

I am also pleased to confirm this group is also recognised by Rotary Australia World Community Service (RAWCS) and is registered with them as being approved for ongoing project work with the registration number 21-2011-12. The registration number allows taxable donations to be made to the project by anyone who wishes to make a contribution.

The Rotary Club of Kwinana's International Committee RPTLE, along with the other participating Rotary clubs has, also been very successful in obtaining both District and Rotary Foundation Global Grants over several years, thus enabling it to carry out these most worthwhile projects.

On behalf of the Rotary Club of Kwinana, I encourage both the direct and indirect support and engagement of other Rotary clubs and that of their individual members.

Yours sincerely

Stephen Castelli

President of the Rotary Club of Kwinana 2018/19
