Choose a train that stops at every station on your selected line(s).  
Get your club to sponsor the ride \$5- \$10 per station.  
Individuals can sponsor \$1 per station.  
Wear your red Polio T-Shirt.

### The Challenge

8.00am to 6.00pm  
World Polio Day  
24 October 2025

### When

No getting on and off at each station.  
**No fundraising on trains or station property.**  
Do not block carriage doors.  
Rotarians should enter the train and sit.  
Take photos in between stations.  
Talk to people but don't ask for money.

### The Rules

Rotary remains committed to Ending Polio, and aims to completely eradicate the disease *poliomyelitis* through the vaccination of children throughout the world.

Today there are 98 cases in Afghanistan and Pakistan and our aim is for a Polio Free world.

In order to achieve this, we need to raise funds.

**By creating awareness** RotaryWA aims to raise \$50,000 to 'End Polio Now' over the next 12 months.

The Bill and Melinda Gates Foundation will match funds raised by Rotary.

The plan is for Rotarians from RotaryWA to ride the trains throughout the Western Australia Railway network on Friday 24 October promoting End Polio Now to **create awareness**.

Perth has 86 stations and Rotary Western Australia has 86 Clubs.

There are 59 Metro Clubs and 27 Regional Clubs in our District.

Ideally this would mean 5-10 Rotarians from each Club to travel on the train line(s) closest to their Club.

The journey will begin from 8.00am and ends at 6.00pm.

Register your Club's participation now and together let's make Polio a thing of the past!

# Why Is The Startup Sector So Important For Western Australia?

Join Rotary Means Business Western Australia for an enjoyable and insightful evening of networking, inspiration, and knowledge sharing with guest speaker **Charlie Gunningham**, Chairperson of **StartupWA**, Head of Ecosystem Engagement at **Meshpoints** and member of the **WA Government Innovation Advisory Board**.

**Charlie Gunningham**  
Chairperson  
StartupWA

The startup sector is crucial for Western Australia because it drives economic diversification, fosters innovation, and creates new job opportunities. Charlie as Chairperson for StartupWA, a key advocate for the sector, highlights that startups contribute significantly to the state's economy by developing new industries, generating employment and the subsequent economic growth.

Charlie has spent more than 25 years in Perth's innovation ecosystem. He's been a startup founder, angel investor, media commentator, corporate CEO and university lecturer.

CEO of Business News, run Startup News, work for a \$485M federal government startup fund and run the WA government's New Industries Fund programs.

Originally from the UK, he worked in Singapore before arriving in Perth in the late 90s. He graduated top of UWA Business School with an MBA and co-founded property listings site aussiehome.com in 1999, which was acquired by REIWA in 2010. He then ran reiwa.com, went on to be

Rotary Means Business WA is a fellowship of Rotary International. It is a vibrant, valuable and productive business Fellowship that enhances B2B and B2C commerce between and for Rotarians in business, and also provides an avenue to strategically scale up their good works. Its ethos is based on the principles of the Rotary Four Way Test which talks about honesty, fairness, friendship and benefit to all concerned.

Can  
you  
help?

Do you have an  
unwanted projector?

Professor Rachel Sheffield from Belmont Rotary is reaching out on behalf of the club seeking donations of old educational materials. They are currently supporting a group of 30 teachers from Papua New Guinea who are in Western Australia studying at Curtin University. These teachers come from schools and teacher colleges where resources are extremely limited — many of their schools have little to no equipment for teaching. We are specifically looking for items such as **old projectors and other educational tools that might no longer be in use but could make a huge difference in their classrooms back home**. Any donations of suitable equipment would be greatly appreciated.

The teachers will be here until late May, so ideally, we would love to collect items by 24th May. However, there will be a second opportunity in late August, as 4 teachers will be visiting then and could take donated items back with them.

Email Rachel here [rachel.sheffield@curtin.edu.au](mailto:rachel.sheffield@curtin.edu.au) if you can assist

# WHO DO YOU KNOW WHO COULD BENEFIT FROM A DAVID GOLDSTONE SCHOLARSHIP?

## David Goldstone Scholarship

The Rotary Club of Crawley is passionate about supporting and developing socially conscious leaders of the future through its **David Goldstone Scholarship**. The Scholarships are named in honour of the late David Goldstone, whose vision and belief in the potential of youth led to their establishment. The Scholarships offer the opportunity to participate in a unique leadership program which was a Rotary first!

This is not your 'run of the mill' leadership program. This is about supporting young people, students, business professionals, Indigenous Australians and individuals with disabilities to develop leadership capacities and to give back to the community, and we have just the right people, program, networks and support to do it.

### WHO ARE WE

The Rotary Club of Crawley (ROC for short), a modern Rotary club with a difference, has set new benchmarks in Australia and overseas, since its charter in 2010. We offer opportunities to develop interpersonal, leadership, and project management skills, and to enjoy the shared experiences of networking, social activities and mentoring with business and community leaders. We wish to encourage greater diversity within our membership, including sectors of the community who do not usually have access to these opportunities. This Scholarship is intended for young adults on the threshold of their careers.

We are a club firmly implanted in the 21st Century, understanding the time and financial constraints of modern living, and creating an environment of leadership and community in which everyone can contribute. More than that, we have fun!

### WHAT WE OFFER

Scholars will have opportunities to engage with and learn from members across the Rotary community. Some of the competencies that involvement in the Scholarship might assist in building include:

- self confidence
- interpersonal skills
- social and business etiquette
- public speaking
- organising and running meetings
- leadership
- project management
- teamwork.

This learning may be achieved through active involvement in the club, networking events and opportunities to attend leadership programs. We aim to give Scholars the ability to deal effectively with people at all levels of society, by enabling them to work alongside men and women who have already made their mark in business and the community.

**SUMBA  
PROJECT  
FAIR FUTURE  
FOUNDATION**

Rotary Clubs in Australia, individuals and corporations are supporting the Fair Future Foundation in Sumba Indonesia, with Water Connections, Malaria Prevention & Health Education. Funding is also needed to support Primary Medical Care programs.

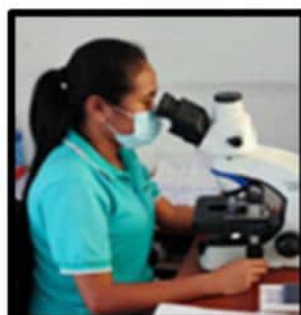

This Rotary project is raising \$125,000 to construct clean water and sanitation systems and provide pro-active malaria prevention strategies in East Sumba.

*Clean water is still the best medicine!*

**Your support will save lives, and enable these villages to become malaria free.**

- The number of people infected with malaria in East Sumba is extremely high.
- There is very little knowledge about malaria infection, and how to prevent it.
- A lack of testing facilities delays the early detection and treatment of malaria.
- Little clean water and sanitation facilities leads to infection, and often death.
- There is extensive poor living conditions and limited access to medical assistance.

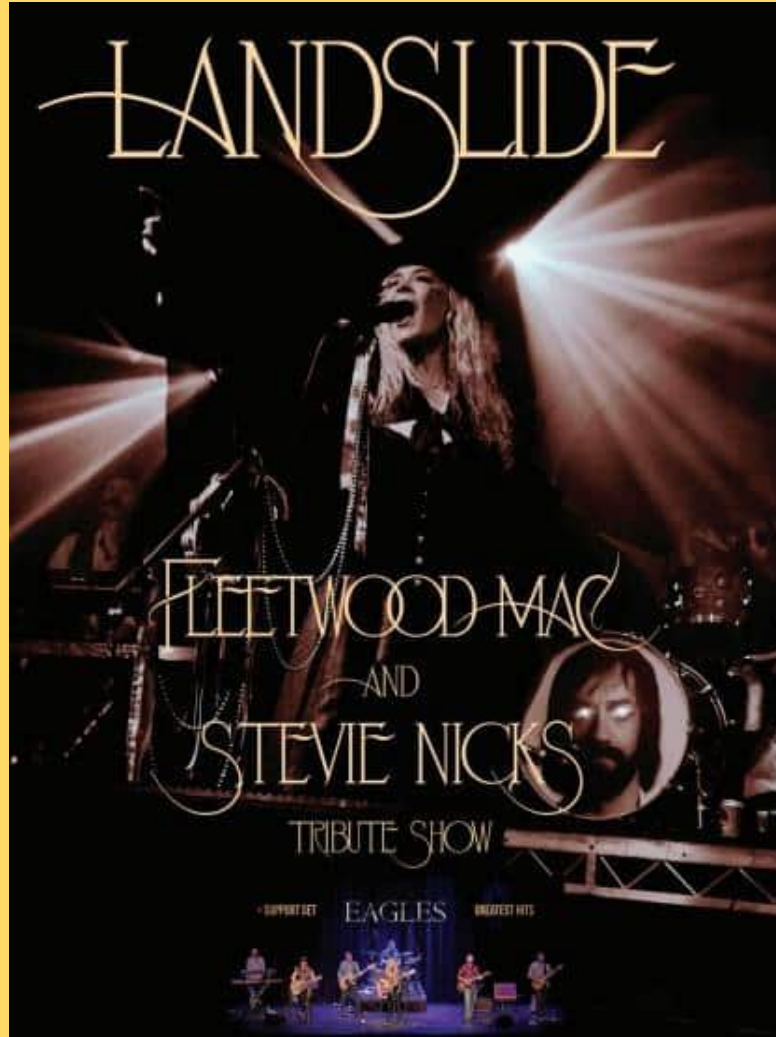

Six villages and schools will be provided with water tanks, sanitation facilities, malaria testing and treatment, house spraying, mosquito nets, primary medical care education and training.

## Fleetwood Mac & Stevie Nicks Tribute

performed by *Landslide*

Celebrating the beautifully crafted sounds of Fleetwood Mac and Stevie Nicks, 7-piece band Landslide consists of some of Perth's finest musicians.

They pride themselves on their ability to accurately represent the beautiful dynamics, harmonies and musicianship of Fleetwood Mac and have regularly sold out venues all over WA since they formed in 2020.

Landslide also specialise in the music of The Eagles, and this event will start with a short set of Eagles favourite hits, before the main attraction takes to the stage.

This event is hosted by Kalamunda Rotary club with profits going to Tiny Homes, an initiative which supplies tiny homes to foster children who have turned 21 so are too old to be in the foster system. The homes are supplied to their previous foster parents, who can put them in their back yard, and allow the ex-foster child to slowly transition out of the system.

## 1,000+ Hay Bales to feed Starving Livestock

<https://RotaryAdelaideCentral.org.au/projects/save-sa-farmers-livestock-giant-hay-bales-appeal>

Farmers across SA, particularly in the mid-North region, are in desperate straits trying to source enough feed for their Sheep, Cattle, Horses and more.

*Food is running out! Animals are starving.  
Suffering. Dying. The drought has hit hard!*

\$ 110 = 1 big round Hay Bale  
\$ 3,520 = 1 truck load of 32 Bales  
\$ 88,000 = 25 truck loads - 800 Bales  
\$ 177,000 = 50 truck loads - 1,600 Bales ... etc

## Important information for Clubs and Schools (Year 6 & Year 10)

The Rotary Club of Greater Geraldton has taken on the responsibility for organising this year's Rotary 4-Way-Speaking-Contest Finals, for Rotary Western Australia, D9423.

Contest details and relevant dates are being finalised. At this time, we recommend School Heats & Club Finals to be completed by the end of July, with State Semi-finals planned for August and State Finals in early September.

Expressions of interest in assisting RC of Greater Geraldton are most welcome.

Any inquiries should be directed to contest organiser Grant Woodhams, [woodhamsgrant9@gmail.com](mailto:woodhamsgrant9@gmail.com) or, [4wtsc@rotarywa.au](mailto:4wtsc@rotarywa.au) (or both)

Contest organiser Rotarian Grant Woodhams said "This is a wonderful opportunity for clubs to step forward and engage with their local schools. I know from personal experience that there are some great students in our schools who will really benefit from the chance to speak in public. Every club in WA has the chance to give their local students a bite of the cherry."

Vale Booragoon Rotarian Sue McKay. Have you lost friends or family to cancer?

Team Rotary Riders is once again gearing up to raise funds for the Harry Perkins Cancer Research Institute. In 2024, combined teams successfully raised an impressive \$10.3 million!

In 2025, the Booragoon Rotary Club will continue to coordinate Team Rotary Riders, both in preparation and during the 200 km ride. We invite you to share this message with your members, encouraging them to join the ride or make a financial contribution. Last year, Booragoon Club generously donated \$1,000. Contributions from individuals and clubs are greatly appreciated in 2025.

The big ride is in October 2025. I will be riding again, proving that age is no barrier to making a difference. It's a ride, not a race.
