Dear The Rotary Club of Collie Inc

Thank you - your ShelterBox Number 13015 has been delivered to a family in need

I became a response team volunteer because, like you, I want to make a difference to families who have lost their homes, possessions and livelihoods in disasters. I've witnessed the devastation a disaster can cause and the impact this has on families - forced to find shelter wherever they can, under a sheet or in a cramped building; with just the handful of possessions they were able to save.

Thanks to your kind donation we provided families in need with emergency shelter and vital aid when they needed it most. I am writing to tell you that your ShelterBox aid in the name of 'The Rotary Club of Collie Inc' has been distributed in Niger to those affected by conflict.

Working closely with other international aid agencies, governments and local organisations our response team volunteers work tirelessly to distribute ShelterBox aid to the most vulnerable families and communities.

There are no words to convey the feeling of seeing a family move into their ShelterBox tent or the relief of knowing they now have the equipment they need to begin rebuilding their lives. All I can say is thank you.

Kind regards,

Alice Jefferson
ShelterBox Response Team volunteer
