Bulletin

No 1 8 July 2017

Greetings to all,
Changeover Night has now happened, and 2016-2017 President Max Bird has officially handed over the reins to now President Michael Nella for the year 2017-2018. Wonderful to see so many members, partners and guests present at the evening. Congratulations to all those involved in the organisation and catering for the event.

A great pleasure to see MP Roger Cook and Mr Tony Ball being named as Paul Harris Fellows. Both these gentlemen have worked tirelessly for the local community for a number of years, and have clearly upheld the values of Rotary. We look forward to continuing our liaison and friendship with Roger and Tony in the future.

Congratulations to Lorraine Lucas for being presented with the Fellowship Award for 2016-2017. Lorraine has worked very hard with the bread run, school breakfast clubs, and local charities Victory Life and Daughters of Destiny. All of this has been undertaken whilst dealing with various family and health issues. Hence the award was very well deserved.

On a sad note, during the week we heard of the passing of former member Errol McDonald. Errol was an enthusiastic member of our club for several years. Our thoughts and deepest sympathies to his family at this time.

Finally, with this bulletin being the first issue of the year, considerable time was spent organising new photos. My deepest thanks to former Bulletin Editor Eric for coming to the rescue when there were some "technical issues"!

Paul Harris Fellow Presentations

For any individual to be recognised as a Paul Harris Fellow, a Rotary Club must donate \$1000 (US) to the Rotary Foundation in that individual's name. Hence, this recognition demonstrates that the club has a very high regard for the respective individual. A Paul Harris Fellow recognition can be presented to a Rotarian, partner, or any other individual who has contributed to the community.

Further to our presentation of a Paul Harris Fellow to Rotarian Michael Metcalf at last week's club meeting, at Changeover we had the pleasure of presenting a Paul Harris Fellow to two significant members of the Kwinana community. We are proud to regard both of these gentlemen as our friends.

MP Roger Cook

Since being elected as the local Member of Parliament for Kwinana, MP Roger Cook has had a high profile within the community, and has actively supported community events and organisations. A keen swimmer, he has participated in four of our five swimarathons held at the Kwinana Recquatic Centre, and was one of the official witnesses for our Guinness World Record attempt in 2012.

Mr Tony Ball

For approximately 40 years Tony has been a stalwart member of the Kwinana Swimming Club, training and encouraging both children and adults in swimming for recreational and competitive purposes. All of this has been done as a volunteer. He has held a number of key positions within the club, and is greatly respected by all members and their families.

In 2012 when our club decided to participate in the Rotary Global Swimarathon we approached Tony, who was then the president of the Kwinana Swimming Club, for support of our event. Tony was most receptive, and personally encouraged a large number of members of the swimming club to participate in our event, recognising that **End Polio Now** was a worthy cause. In the five annual swimarathons that we have held since 2012, Tony has continued to encourage his club members to support and participate. Also of note, he has been one of only three individuals outside the Rotary Club of Kwinana to have participated in every swimarathon we have held.

Carol Adams

Name: Carol Elizabeth ADAMS

Place of Birth: Kalgoorlie

Favourite food: Roast lamb, and especially love baked pumpkin

Favourite movie/TV program: I love so many movies, but *Grease* is one of my favourites.

Hobbies: Cooking, walking and Netflix

Who you admire: My husband Chris (Yes, I know this will make you all nauseous, but honestly he is a genuine “all rounder” – hard-working, academically gifted, a great gardener/handyman, and great sense of humour.

Best present ever received: A ruby and diamond ring from my husband as a special “thank you” after he recovered from a serious neck injury, where my “carer’s skills and patience” were called up for several months.

What you dislike most in life: Keyboard warriors and ignorant people

Most exciting/memorable day of life: My 48th birthday memory comes to the forefront as it was celebrated on the back of a ship in Alaska. It was sunny but we were surrounded by glaciers and plenty of champagne flowing.

What you know now that you wish you knew at 16: Avoid men until you are at least 25, and finish your academic studies before you have children.

Vale Errol McDonald

During the week we heard the sad news that former club member Errol McDonald passed away on Tuesday 11 July.

A former member of the Rotary Club of East Perth, Errol was an active member of our club for several years before relocating south. He held the position of Programs Officer, and organised an extensive range of guest speakers for the club.

Errol will always be remembered for his broad smile and kindly nature. Our deepest sympathies to his family and friends at this time.
