Bulletin

No 2. 7th July 2019

Our club Changeover meeting this year was held at the Golden Ponds Function Centre, not that unusual you might say as we have held several Rotary functions there in the past.

However this meeting was held Sunday morning from 10am with Breakfast/Brunch served at 10.30am. the menu consisted of cereal, yoghurt, fruit plus a full cooked breakfast, plenty on offer for everyone.

President Wendy requested that because it was breakfast being served we should all turn-up in our dressing gowns, wearing our 'finest attire' underneath. The majority did just that.

PP Stephen Castelli in his prepared report said that our club enjoyed another productive fun-filled year. Stephen thanked his team leaders, the club board and Project Managers for their roles in making Kwinana a great club.

9465 District Governor Wayne Milnes was on hand to present Rtn Norm Mulcahy with a Paul Harris Fellowship Award. Norm joined our Rotary Club February 2006, holding a number of positions including being our Sergeant-at-Arms for the last couple of years. Congratulations Norm.

We look forward to another interesting and fun-packed year under the guidance of President Wendy.

President Report

Welcome to the 2019-2020 Rotary year.

Following Changeover on Sunday we will have a break on the 8th, returning for a “talk feast” on the 15th. Several topics that I would like to discuss included my arrangements for nights that I have council commitments and attendance in general relating to guest speakers. If you have any “talk topics” you might like to add to the mix don’t hesitate to let me know.

Polio This Week 03rd July 2019

- G20 Leaders met on 28-29 June 2019 in Osaka, Japan, and discussed major challenges facing the world and the importance of eradicating polio. The G20 declaration states, “We reaffirm our commitment to eradicate polio as well as to end the epidemics of AIDS, tuberculosis and malaria and look forward to the success of the sixth replenishment of the Global Fund to fight AIDS, Tuberculosis, and Malaria.”
- A second cVDPV2 outbreak has been reported in Angola this year; the earlier outbreak was detected in Lunda Norte province; for which an outbreak response is in progress (in close coordination with DRC). The Global Polio Eradication Initiative (GPEI) Outbreak Preparedness and Response Task Team (OPRTT) is also supporting the Angola polio eradication team on planning the response to the new outbreak in Huila.
- The World Health Organization is seeking Expressions of Interest from public- and private-sector vaccine manufacturers and other institutions on development and manufacture of affordable poliovirus virus-like-particle vaccine.
- Summary of new viruses this week:
 - Afghanistan—two wild poliovirus type 1 (WPV1)-positive environmental samples;
 - Pakistan— five WPV1 cases and 18 WPV1-positive environmental samples;
 - Nigeria— five circulating vaccine-derived poliovirus type 2 (cVDPV2)-positive environmental samples case;
 - DR Congo— one cVDPV2 case;
 - Angola— one cVDPV2 case and four cVDPV2 isolated from healthy community contacts.

The Team for 2019/20

It is common practice to expect new Rotarians to give a talk to their fellows about themselves, their early life, their training and the job that they do. This is called a "Job Talk" by some and a "Thumbnail" by others.

Later in Rotary life the Rotarian is often expected to fill the speaker diary by giving a talk which is NOT connected with his work. A hobby such as stamp collecting or model trains would be a good example. My story recounts the time when Fred arrived at the meeting of his Rotary club to be reminded that he was the speaker for the evening and this was not a "Job Talk".

He had forgotten and was not prepared. He sat at the top table, beside the Chairman for the evening, and thought about a subject during the meal.

When he was announced he spoke about sex. The meeting listened to every word and asked many questions. It was a success.

When he arrived home, Mary his wife, asked "How was Rotary?".

"It was a good meeting" he said. "What was for dinner?" she asked. "Beef, and it was good" he answered. "Who was the speaker?" she continued. "I was" he replied. "What did you speak about?"

Now he can see trouble looming! "Sailing" he lied.

The next morning Mary was shopping in the town and visited the butcher who was also a Rotarian.

"Fred gave a wonderful talk last night." he said.

"Yes" said Mary, "but I don't understand why he chose the subject. The first time he did it he was sick and the second time his hat blew off".
