Visitors always welcome

Busy couple of weeks, our club changeover last week, along with 30 members and partners attended District changeover at Rockingham last Saturday night to witness our own club member Bob Cooper installed as District Governor 2012/2013.

Very well organised and presented, about 130 in total attended, accommodated in the Gary Holland centre very easily. Congratulations to Wendy and her team the tables looked great. The dinner provided by Prestige Catering was excellent.

We won't be seeing much of Bob and Wendy at our club for the next year but I am sure they will have a great time spreading the Rotary word around District 9465.

A pleasure to welcome back PP Chris Oughton to our meeting tonight, Chris will be returning to our club after an absence of almost 12 months due to work and study commitments. Welcome back Chris.

Our best wishes go to President Edd and his team for a satisfying and productive year ahead.

PDG John in Peel Hospital, our best wishes John, get well soon.

Welcome all

Special welcome to our newest Rotarian Garry Bassett and our guest for tonight, PP Chris Oughton (welcome back)

HERE WE GO AGAIN:

Our first club meeting for the year.

It's been a busy couple of weeks, with our clubs change over last week, which was a very good night and great fellowship had by all and also a couple of surprises thrown in on the night.

Saturday 7th July at the Gary Holland Centre Rockingham saw our own member PP Bob Cooper take the reins as District Governor for District 9465.

Our club was well represented (5 tables of our members and their partners).

Received an Email from DG Bob and Wendy Cooper thanking us for our support.(it reads)-

Dear fellow club members

As we will not be back to our club, the Rotary Club of Kwinana, until August we wish to pass on our sincere thanks and gratitude to you all.

Thank you for your support and encouragement for our year ahead but especially those who were able to assist in making the District 9465 Changeover a successful and enjoyable event. The camaraderie and plain old hard work in setting up and drawing down of the setting at the Gary Holland Centre was amazing, thank you.

This coupled with the rousing support during the roll call of clubs will be a lasting memory for Wendy and me. We hope to make our home club proud during our year of Governorship and are looking forward to spreading the message of achieving while having fun.

Yours in Rotary

R.G Cooper

Bulletin no.1 is out (please take time to browse through it).

There is no guest speaker tonight as we were going to have Joshua Gomes share his experience at RYPEN but unfortunately he could not make it here tonight. The other person that attended RYPEN is Stephanie Greenslade (we are still waiting to hear from Stephanie re- her visit and will advise me of the outcome.)

PP John Dixon has filled the position as Sergeant and Rotarian Gary Bassett as Corporal and PP John Brennan as our new Song Master. (Thanks Guys).

ALL IN ALL---- Our first meeting went well. Incoming President James Sharkey had a good report to give (signs of a good President in the making).

PDG John Iriks back in Hospital (our good wishes go with him for a speedy recovery).

Good fellowship was had by all after the meeting as PP John Dixon supplied a bottle of port to wet the head of his first Great Grandchild. (Congratulations John and Glenice)

Two elderly gentlemen from a retirement center were sitting on a bench under a tree when one turns to the other and says: 'Slim, I'm 83 years old now and I'm just full of aches and pains. I know you're about my age. How do you feel?' Slim says, 'I feel just like a newborn baby.' 'Really!? Like a newborn baby!?'

Yep. No hair, no teeth, and I think I just wet my pants.'

Elevator Magic

A hillbilly family took a vacation to New York City. One day, the father took his son into a large building. They were amazed by everything they saw, especially the elevator at one end of the lobby. The boy asked, "What's this, Paw?"

The father responded, "Son, I have never seen anything like this in my life. I don't know what it is!"

While the boy and his father were watching in wide-eyed astonishment, an old lady in a wheelchair rolled up to the moving walls and pressed a button. The walls opened and the lady rolled between them into a small room. The walls closed and the boy and his father watched small circles of lights above the walls light up. They continued to watch the circles light up in the reverse direction. The walls opened again, and a voluptuous twenty-four-year old woman stepped out.

The father turned to his son and said, "Go get your maw!"

Three old Rotarians are out walking.
First one says, "Windy, isn't it?"
Second one says, "No, it's Thursday!"
Third one says, "So am I. Let's go get a beer."
