3. A ***draft*** succession plan for the rotary club of Kwinana management team up until the rotary year 2019, has been submitted to the board for their consideration and hopefully implementation, this was bought out at pets where there are a number of clubs with no officer bearers or with only two or three people nominated (*bet they didn't think it would happen to them*)
4. Club changeover is now set for the 11th July and invitations have been sent out 74 people have already accepted and registered their intentions. Be aware that the event is a BYO Drinks or have a dry Night. Budget for the event has been submitted and hopefully will be less than the $750.00 that was allowed for in the 2014/15 club budget
5. Dome markets are going well Bettina Gall is doing a great job, the weather again was not good to us and only 10 stall holders turned up 16 booked
