Heads & Tails

We started the new Rotary Year off with an early regulatory official visit by the District Governor. I think we were pretty-much the first cab off the rank this year with a joint group meeting at the Safety Bay Bowling Club.

9423 DG 2024/25 Pat Schraven who is a member of the Rockingham Rotary Club who hosted the event. Good attendance from the four clubs in our group, Rockingham, Palm Beach, Baldivis and Kwinana. DG Pat gave a very polished address on her thoughts, plans and expectations during her year in office, Pat is not new to the position as she was 9465 DG 2021/22.

A very edible 2 course meal was provided by the SB Bowling Club. The President's of our four clubs were asked to provide a short report of their own clubs plans and objectives for 2024/25, Bushy McDonald, Rockingham, Rick Dawson, Palm Beach, Gareth Talbot, Baldivis and Terry Evans, Kwinana. After a very entertaining evening the meeting was wound-up at 8.30pm.

We are back to our usual meeting format next week at Rotary Hall, Guest Speaker will be Jenny Marslen from the City of Kwinana.

15th July 2024

Our year begins. I will endeavour to keep the club moving ahead as well as it has in the past under the guidance of our many wonderful and experienced mentors and past presidents. My door is always open and please feel free to approach me at any time for anything. I will always try to listen and oblige where possible. I have much to learn and your opinions and help will be greatly appreciated. Looking forward to the challenge of our new year and seeing what imprint we can leave on Kwinana and Rotary.

Thanks to those members who attended our DG Visit at Safety Bay Bowling Club on Monday night. DG Pat Schraven has advised that Rotary have set a Goal of 2 new members for each club and 4 new clubs or Associate clubs for our District. Please help Ed and our club to grow.

The Annual Conference will be in Kalgoorlie this next year 21-23 March. District is also scheduling a membership conference, prospectively for 20th October.

We have had a discussion with Mike and his Furniture Shop crew regarding funds distribution and have agreed to a 50-50 split between club and Jakarta. This is in line with trying to grow our local imprint in the community. Thanks Mike and team for your wonderful efforts. Hopefully we can step up overall member assistance for them this year. They are furiously looking for new premises as the old one has just been sold.

Once again look forward with enthusiasm to our year ahead and catching up with you all on Monday night, at our clubrooms, after our change of scenery over the last few weeks.

You're at the playground with your kids. You and all the other parents are watching the youngsters play. One kid picks up a stick and starts beating the other kids.
