The new Rotary year is underway, club forum tonight with the main subject for discussion the continuation of the Wellard Village Markets.

The Village Markets Committee at their last meeting agreed to recommend to our club board that we continue the Markets at Wellard for 12 months from October 2012 with increased club commitment as Peet & Co take a step back.

Club members were almost unanimous in their support for V@WM committee. Our commitment to the BBQ van will certainly need to continue as before, although it is agreed that the Spud Shed option is fairly secure for now but it may not always be the case.

We need to be looking ahead 5 years plus and the long term future of the Markets is also unknown but the opportunity must be taken to test the water and see what pops up. The Wellard Village Market Committee need to be commended for the professional manner in which the Markets are managed, maybe in 5 to 10 years' time club members will be reaping the benefits of a little bit of forward thinking today.

Pleasure to have PDG Ray Hirst join us tonight, for those later members, Ray was a member of our club in 1987/88 and again in 1997/98 when District Governor 9460, Ray and Barbara Hirst reside in Albany where Ray is a member of the RC of Albany Port. Ray was President 1994/95 and again in 2000/01

### The President's Pen

Good Evening all,

At our Monday night meeting we had the pleasure of having Stephanie Greenslade as our guest speaker accompanied by her mother Gabriela Greenslade who I believe was a former Rotaractor.

Stephanie attended the recent Rotary Program of Enrichment (RYPEN). Stephanie was sponsored by our club. Stephanie gave us a brief report on her weekend seminar, which she thoroughly enjoyed.( didn't get much sleep I believe)

Stephanie is an apprentice Chef and has recently been selected to represent WA to participate in a cooking competition in Sydney NSW. We wish her all the best.

Our Club workshop regarding the future of the Wellard Village Markets was discussed and I was happy with the input and outcome of our member's decision to trial the Markets for 12 months. Let's give the Wellard Village Committee our full support (Thanks Guys-----and of course gals)

Ann and I attended the Rotary Club of Palm Beach changeover on Saturday night at the Prestige Caterings rooms. As expected the meal was excellent and the fellowship even better.

This Wednesday night is our first board meeting at the club room's 7pm start

Next Monday night's meeting will chaired by PP Brian McCallum as Ann and myself will be enjoying a week away up north at Shark Bay.-----Yippee

This Sundays Spud Shed roster is - Brian McCallum, Sam Cuplovic, & John Dixon

Members please let PP Greg know if you cannot make it on any of our meeting nights and if you have a guest or guest speaker.( Thanks)

Have a great week and a safe one.

Regards .  
President Edd.

#### Wellard Village Markets:

PDG John Iriks opened the discussion period and gave the meeting a very good description of just where the markets are at present and how he sees the future development.

Some very constructive and informative chat ensued, not all entirely in favour of continuing.

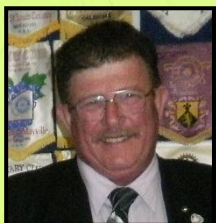

The WVM committee had recommended at their last meeting that our club should continue for a period of 12 months and then re-evaluate the viability of the project.

The club board is to make a decision at their next meeting on Wednesday 20<sup>th</sup> whether to accept the WVM committee's recommendations to continue with increased club involvement for 12 months then re-evaluate.

President Edd wished club members to discuss and have input into a most important decision. When a show of hands was called the acceptance of the committee's recommendation was almost unanimous.

**PE James Sharkey:** Wellard Village Markets meeting scheduled for 4<sup>th</sup> July

**PP Bob Thompson:** Pleased to see a few books coming in to be swapped or read for a \$1

**PP Greg Williams:** Had another Lotto win this week, we have won something every week for the last 11 weeks, “the big one could be just around the corner”

**PDG John Iriks:** Thought of good project for Rotaract, with lots of very elderly people soon getting a digital set top from the government, many will not have clue how to set them up. In comes Rotaract to help any recipients who can't manage.

Scheduled our Wine Trip to Harvey for Saturday 8<sup>th</sup> September, Intention is to hire the TOK bus, Eric B has volunteered to drive.

**Guest Speaker** Stephanie Greenslade RYPEN experience

Stephanie was accompanied by her mother Gabriela

Introduced by PP Bob Thompson

Stephanie was chosen by our club to attend RYPEN (Rotary Youth Program of Enrichment) a weekend seminar Friday to Sunday June 15<sup>th</sup> – 17<sup>th</sup> 2012 at Camp Mornington.

Stephanie a 17 year old apprentice chef, lives in Kwinana and works at a restaurant in Rockingham.

Great opportunity to meet other like minded young people, 28 in total on the course.

Left straight from work on the Friday to join the group, Friday night turned into a very late night getting to know everyone, playing games etc.

Up early next morning, (very early for a young chef) 6 am, breakfast with the first activity at 8.30 am.

Great team building activities and tasks where you had to place your trust in your new found friends. We made banners and designed T shirts.

Fantastic weekend, made lots of friends, very hard to leave on Sunday afternoon.

I learnt a lot about myself, thank you Rotary Club of Kwinana for the opportunity to attend such a fantastic program.

Rtn Michael Nella thanked Stephanie for her attendance and presentation.

### **VERY FRIENDLY FRIENDS**

A sailor came home from a two year mission only to find his wife with a new born baby. Furious, he was determined to track down the father to extract revenge.

"Was it my friend Sam", he demanded.

"No !" his weeping wife replied. "Was it my friend Jim then?" he asked.

"NO !!!" she said even more upset.

"Well which one of my no good friends did this then?" he asked.

"Don't you think I have any friends of my own?" she snapped.

### A GOOD ACT

A young lad's father picked him up from school to take him to a dental appointment. Knowing the parts for the school play were supposed to be posted today, he asked his son if he got a part. The boy enthusiastically announced that he'd gotten a part. "I play a man who's been married for twenty years." "That's great, son. Keep up the good work and before you know it they'll be giving you a speaking part."
