Project Director's Report.

The next Wellard Village Markets are to be held on Sunday 10th August

WVM meeting with all stakeholders held Thursday 10th July at John Wellard Hall, some very positive outcomes. The Market location will move closer to the Shopping precinct when the shops open in November. With the emergence of the new market at the Darius location Wendy has formulated a 'roster' to spread the load for members.

Peet & Co have a reduced but adequate budget for the continuation of the Wellard Markets, we are committed until March 2015.

City Square Markets are progressing nicely, see a 'graphic design' of a suggested logo and mark your preference. Still much work to be done, looking at a November commencement.

Busy Bees are being organised so that we can keep our premises and our equipment respectable, please make yourself available by adding to the list being sent around.

Kwinana Children's Playground is fast becoming a reality, City of Kwinana has included it's construction in this year's budget.

Lorraine is looking for candidates to attend RYPEN which will start on October 24th

Plans to have at least 5 restaurant meetings during 2014/15 first one will be on 11th August at the Spicy Pan, see email from Max with details

The Club Bulletin is available on our club website at the same time it is emailed to members, every bulletin issued since

Kim Dawes

Rotaract President 2014/15

Introduced By President Mike.

Kim Dawes originally from South Africa has lived in the Kwinana/Baldivis area for the last 18 years. Kim is presently studying Events Management at University.

Kim was recently installed as the President of the Rockingham/Kwinana Rotaract Club and came along to our meeting to tell us what Rotaract had planned for this coming year.

They have an International Project running with a Sister club in Jakarta.

After the last successful Garage Sale which raised \$1400 they are running another on the 22nd to 24th August and then again on the 29th to 31st August again at the home of President Mike in Parmelia.

Holding an International Dinner, where attendees bring along a 'plate' of suitable International cuisine.

Running another Community Bowling Event at the Kwinana Bowling Club.

Supporting Autism WA by holding another 'Drawtism' again this year.

Ongoing membership drive, hoping to attract new members to Rotaract.

Kim is very enthusiastic will lead Rotaract to another successful year.

ShelterBox Ambassador Recognised For Outstanding Service

ShelterBox Australia relies on a network of volunteer Ambassadors to help spread awareness and raise funds for disaster relief. One of our longest serving Ambassadors is Western Australian, Gordon Cargeeg. Gordon, now in his nineties, is a Past District Governor and member of the Rotary Club of Melville in Perth and was recently awarded a Certificate of Gratitude for his voluntary work, promoting Shelterbox.

The award was presented at the Melville club's changeover dinner on behalf of the Board of ShelterBox Australia by District 9455 ShelterBox Representative, David Brockway, . David said that Gordon's "magnificent efforts to promote ShelterBox have resulted in many hundreds of ShelterBoxes to be funded and subsequently deployed to many areas of need around the world."

Upon receiving the award, Gordon said, 'My first contact with ShelterBox was in the Rotary Year 2004-5. DG John Iriks, on returning from a meeting in the Eastern States, having seen the ShelterBox Program , asked me if I would obtain further details. I contacted them (ShelterBox) and they arranged for a complete box to be sent West.

Since then the box and contents has been shown extensively throughout the state. eg All District conferences, Club meetings. Royal & local shows (in conjunction with Scouts)

This has given much publicity, resulting in valuable contributions & support over the ensuing years."

ShelterBox has gone from strength to strength in Western Australia, with the Rotary Club of Melville alone funding more than 42 boxes, the most recent of which were deployed to the Philippines. A big thank you to Gordon, the Rotary Club of Melville and all our supporters in Western Australia.

A lawyer calls his client, a giant company's CEO, and tells him:
 "I have bad news and good news for you"
 The CEO says: "I had a hard day, pleased me, start the good news".
 The lawyer: "your wife has invested \$ 20,000 in five pictures worth a minimum of 2 million dollars ...!"
 The CEO enthusiastically says: "very nice indeed!! great news!! You made my day. What about the bad news?"
 The lawyer: "these images are you in bed with your Secretary."
