Bulletin

No 05 4 Aug 2014

Greetings from the stand-in editor. Eric and Gladys are currently enjoying a well-deserved holiday in Melbourne, and so yours truly has been called upon to do the honours.

This week's meeting was our first Club Forum for 2014-2015. It was very pleasing so see that all Directors and Project Managers have planned an extensive range of projects and activities for the year ahead, together with clear strategies for achieving their respective goals.

PP Ian Critchley should be commended for the work that he has put into reviewing and consolidating the Club Standing Orders. All Board Members and Project Managers have a copy of these Standing Orders; the document can also be accessed on the Club webpage.

President Mike looks set to have a very busy year ahead. In addition to his duties as President of the Rotary Club of Kwinana, he is also the 2014-2015 Rotaract District Chair for District 9465. His dedication and enthusiasm for younger members of the local and international community is an inspiration. All club members are encouraged to support Mike in his endeavours with Rotaract.

Village Markets at Wellard are scheduled to be held this Sunday 10 August – let's hope the weather is good to us!

Of things we think, say or do.

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL? and BETTER FRIENDSHIPS
4. Will it be BENEFICIAL to all concerned?

Club Meeting 4th August 2014

Welcome to all,

A special welcome is extended to visitor Lee Davis.

The Rockingham/Kwinana Rotaract Club will be having another garage sale, to be held at my home (24 Oakfield Gardens, Parmelia), on the weekend of 22-24 August. Funds raised will be going towards our school in Indonesia. We are appealing for donations of various items such as clothing/books/household goods etc. for the event. A special appeal is for donations of unwanted furniture as previous experience has shown that these items are frequently sought out by prospective buyers.

2014 marks the 100th anniversary of the outbreak of the **First World War (1914-1918)**. It is considered the first occurrence of worldwide conflict and shaped the history of the world until well into the 20th century. Around 40 countries around the world were involved. Fought in the Middle East, Africa, on the world's oceans and in Europe, the War cost over 17 million people their lives.

Even today, the **First World War** continues to influence the political landscape of Europe. In the English-speaking world it is known as The Great War, and in France they speak of La Grande Guerre.

War is declared and Australia commits

Austria-Hungary delivered a list of ultimatums to Serbia following the **assassination of Franz Ferdinand, heir to the throne of Austria-Hungary, by Yugoslav nationalist Gavrilo Princip in Sarajevo on June 28, 1914.**

When Serbia failed to comply, Austria-Hungary declared war on July 28, 1914.

Germany, in support of Austria-Hungary, invaded neutral Belgium and Luxembourg and advanced on France, prompting Britain to declare war against the Germans on **August 4, 1914.**

Whatever happens, Australia is part of the Empire right to the full.

Remember that when the Empire is at war, so is Australia at war.

That being so, you will see how grave is the situation.

So far as the defences go here and now in Australia, I want to make it quite clear that all our resources in Australia are in the Empire and for the Empire and for the preservation and security of the Empire.

Prime Minister Joseph Cook in a speech in Horsham, Victoria on August 1, 1914

As part of the British Empire, Australia sent a message to the British government on August 4, 1914, offering "20,000 men of any suggested composition".

August is Membership Month

Gary C.K. Huang never imagined he would become Rotary International's president when he joined in 1976, but now that he is in office, he hopes to increase membership to 1.3 million by the end of his term.

"It's simple. The more members we have, the more people we can help. A stronger membership base will result in stronger communities," says Huang, who on 1 July became Rotary's first Chinese president.

Huang also hopes his presidential theme, Light Up Rotary, will encourage members to brighten Rotary's image to the public, which he believes in return will improve member recruitment and retention.

Huang has a track record of improving membership development in Asia, adding 19 clubs when he was district governor for Taiwan, Hong Kong, and Macau. One of the cornerstones of his presidency is encouraging clubs and districts to conduct a Rotary Day. These one-day events, he says, can spotlight a particular cause, and solidify Rotary's image as one of the world's leading service organizations.

"We need to showcase our good work to everyone in the community. Rotary Days need to be fun and all inclusive. Invite your family, friends, and neighbors to participate. My hope is at the end of the day a few non-members will want to join Rotary," he says. "Let's give people the opportunity to experience what it's like to make a difference. Rotary Days can achieve that."

Huang designed a travel schedule that will allow him to visit more than 30 Rotary Day events across the globe, including Argentina, Chile, France, India, Italy, Korea, Malaysia, Philippines, and the U.S., as well as his home city of Taipei.

Huang says he's honored and humbled to be Rotary's president. He knows he's part of an exclusive club.

"We [past Rotary presidents] have achieved great success in our businesses and in our communities," says Huang. "But success isn't about power or money. It's about giving back. Being a Rotarian has given me the opportunity to help those in need. As president, I can inspire our members to take advantage of the same opportunity and bring happiness in people's lives."
