Bulletin
No 05 30th July 2018

Guest Speaker this week was Senior Sergeant Rob Read Officer in Charge, Kwinana Police. Rob previously spoke to us 2 years ago on August 21st 2016.

The request to take part in an on-line survey should have been received by all members by now.

President Stephen asks that members take the opportunity to anonymously express their thoughts and opinions on how we manage and conduct our Rotary Club.

The survey answers will be collated and a 'Club Forum' will be held on Monday 13th August when the results will be debated.

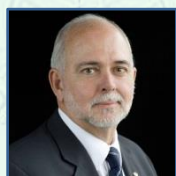

Big opportunity to make some serious funds on Saturday 11th August at our Bunnings Sausage Sizzle, the weather is not looking that flash, we can only hope.

Looks as though the request by James for volunteers was answered fairly quickly, our thanks goes to those members.

Clean up at 66 Summerton Road, Thursday 10 to 12pm.

Don't forget 'Wendy's Wanderings' meet at Wellard Village, Sunday 1.30pm

Congratulations PP Ian Critchley, 29 years' service to Rotary.

President Report

Members Survey:

The members survey via Survey Monkey has been emailed to all members. The email contains a link, and when you click on the link it will take you into the survey. Please complete the survey as fully as you can, as we are wanting member's feedback to understand what they want out of the club and what direction they want the club going in.

This is your chance to have YOUR SAY.

We are looking at this to strengthen the club, ditch what doesn't work and take on some new challenges.

There are 10 questions (as this was the max that survey monkey would allow us to have for free).

At the end of each question there is a Comments box. Please put into the comments anything that is not covered by the question, or use it to expand on your answer.

All submissions are anonymous.

You have until next Sunday (05/08/2018) to provide your submissions.

We will be discussing the results of the survey at the Club Forum on 13th of August.

Twin Club:

This is going full steam ahead.

The board of the RC Kwinana has approved this in principal.

The Board of RC Jakarta Cilandak has approved the twinning of our 2 clubs.

DG Robyn Yates has been approached and has approved the twinning.

There will potentially be a visit from their Past President in the next few months, during which time, we can exchange signed certificates.

President Elect Wendy Cooper

Congratulations to the 9 graduands of the Traffic Management.

Please keep the surveys rolling in. We are just over the half way mark this morning.

Wendy's Weekend Wanderings

This Sunday should be great walking weather and the coffee will be good at Bliss Momo's where we will be warmly greeted by the owner Sunil. Meet at Woolworths (south side) car park at 1.15pm.

Save the date.

The next event is to be a restaurant gathering at the new Catalano's in Baldivis on the 1st September, the night before Father's Day. More information next week.

Four Way Test Speech Competition

I have contacted Marita Rozario, the English Head Teacher at Gilmore College who had responded to my corro inviting the College to come on board with us for the 2018-2019 Four Way Test competition. Invites were also sent to Peter Carnley and to the Kings College. No response from these two yet. At this early stage one Gilmore College student has expressed an interest in participating. Marita requested more information and I have provided her with a video of the speakers presenting their speech at the 2017-2018 finals. It is hoped by Marita that more students will be encouraged to participate.

This support to be by the provision to the students of appropriate vocational service area knowledge, experience and expertise. Across the Lake Chad Basin, e-Surve technology is reshaping the way that the polio programme conducts disease surveillance.

Summary of new cases this week:

One wild poliovirus type 1 (WPV1) case in Afghanistan in Kunar province, previously reported as an advance notification, has been confirmed. Guest Speaker:

Senior Sergeant Rob Read
OIC Kwinana Police

Rob wanted to bring us up to date with the recent operational changes made to existing boundaries.

Previously Kwinana was part of a much bigger operational area consisting of 4 districts which under the new strategy will double to eight smaller districts.

Kwinana will become part of the Mandurah District.

The Western Australia Police Force has begun expanding the number of Metropolitan Policing Districts from four to eight. The first changes are now in place with the new Districts of Fremantle and Mandurah replacing the previous South Metropolitan District. The remaining Districts of Joondalup, Mirrabooka, Midland, Perth, Armadale and Cannington came into effect on 16 July.

Kwinana Police now has in its control Anketell, Bertram, Calista, Casuarina, Hope Valley, Kwinana Beach, Kwinana Town Centre, Leda, Mandogalup, Medina, Naval Base, Orelia, Parmelia, Postans, The Spectacles, Wandi and Wellard.

The Kwinana Police Station previously closed after hours will under the new model remain (not open) but manned 24hrs a day. The staff levels increased from 24 to 32.

While crime rates in general are down in most areas, stealing from motor vehicles is a major issue in the Rockingham Kwinana area is up 80% in July. Rob implores residents to securely lock their vehicles and remove any valuable items from view.

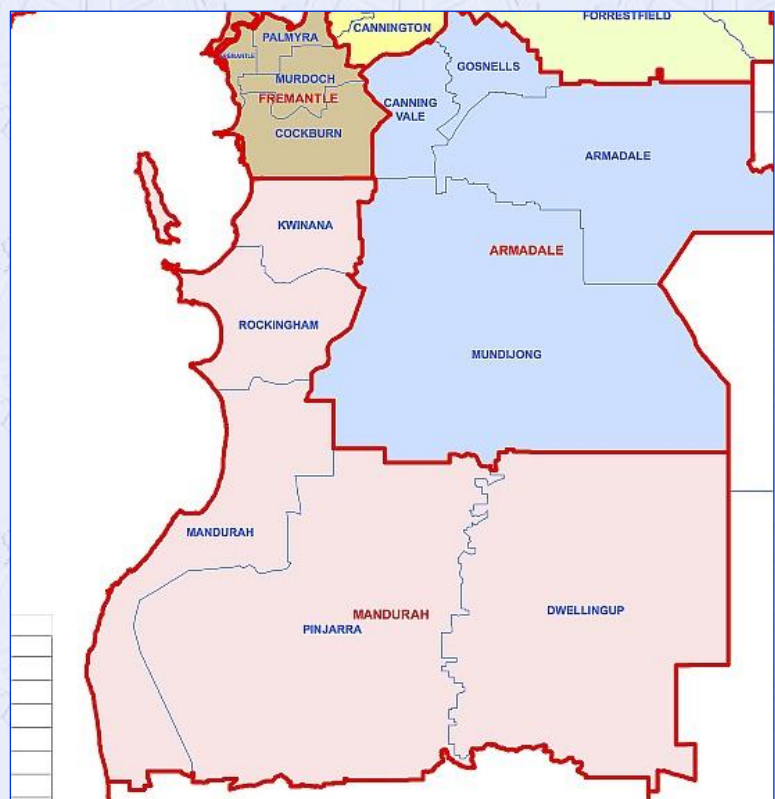

Another great concern is 'pay wave' crime, where thieves can wave a credit card and get away with purchases under \$100. Thieves are passing around cards to their mates to reduce suspicion. Trail bikes another sore point with residents. WA Police have a 'no chase' policy for obvious reasons. The best option is to identify the rider and inform police.

Domestic violence, always a priority. We now have a specific Support Unit based in Mandurah and supports the Rockingham Kwinana area.

As always your local police need public support, we use all social media platforms, Face Book and Twitter in particular, the response from twitter is always a great help in apprehending would be criminals from CCTV footage.

Chris Dawson our Police Commissioner's top priorities is to tackle the methamphetamine scourge in WA and stamp out domestic violence.
