Visitors always welcome

Greetings from the stand-in editor. Eric and Glad are still enjoying sunny Melbourne.

A number of members and partners had a very enjoyable dinner meeting on Monday evening at the Spicy Pan Restaurant at the Kwinana Marketplace. Great range of food (and this is coming from someone who doesn't normally enjoy spicy food!), and wonderful fellowship. Top kudos to PE Max for taking the initiative to organize the evening. As an added bonus, PDG Erwin Biemel and his wife Carol, and PDG Ray Hirst and wife Barbara were in attendance.

A good day was held on Sunday at the Village Markets. Very pleasing to see the increased number of market stalls. Congratulations to Wendy and her team for their perseverance and commitment.

On a sad note, we heard the news of the passing of Deanne Castelli, wife of Stephen Castelli and daughter of John and Glenice Dixon, on Monday morning. Deanne had fought a courageous battle with Leukemia. Our sincere thoughts and condolences go out to Glenice, Steve; children Pia and Rod, Rhian, Blair and Alysha, and Kieran; and grandchildren Thatcher, Marlow and Isabella. Deanne's funeral will be held on Friday 15 August at St Vincent's church in Parmelia at 11 am.

Club Meeting 11th August 2014

Welcome to all,

A special welcome is extended to visiting Rotarians PDG Erwin and Carol, and PDG Ray Hirst and Barbara. We also welcome visitor Lee Davis.

The Rockingham/Kwinana Rotaract Club will be having another garage sale, to be held at my home (24 Oakfield Gardens, Parmelia), on the weekend of 22-24 August. Funds raised will be going towards our school in Indonesia. We are appealing for donations of various items such as clothing/books/household goods etc. for the event. A special appeal is for donations of unwanted furniture as previous experience has shown that these items are frequently sought out by prospective buyers.

Hopefully once the weather warms up we could have an outside meeting, given that we have the tables and chairs. With some brick paving we can set up the BBQ, with Pam supplying the necessary meat and salad.

August is Membership Month

Gary C.K. Huang never imagined he would become Rotary International's president when he joined in 1976, but now that he is in office, he hopes to increase membership to 1.3 million by the end of his term.

"It's simple. The more members we have, the more people we can help. A stronger membership base will result in stronger communities," says Huang, who on 1 July became Rotary's first Chinese president.

Huang also hopes his presidential theme, Light Up Rotary, will encourage members to brighten Rotary's image to the public, which he believes in return will improve member recruitment and retention.

Huang has a track record of improving membership development in Asia, adding 19 clubs when he was district governor for Taiwan, Hong Kong, and Macau. One of the cornerstones of his presidency is encouraging clubs and districts to conduct a Rotary Day. These one-day events, he says, can spotlight a particular cause, and solidify Rotary's image as one of the world's leading service organizations.

"We need to showcase our good work to everyone in the community. Rotary Days need to be fun and all inclusive. Invite your family, friends, and neighbors to participate. My hope is at the end of the day a few non-members will want to join Rotary," he says. "Let's give people the opportunity to experience what it's like to make a difference. Rotary Days can achieve that."

Huang designed a travel schedule that will allow him to visit more than 30 Rotary Day events across the globe, including Argentina, Chile, France, India, Italy, Korea, Malaysia, Philippines, and the U.S., as well as his home city of Taipei.

Huang says he's honored and humbled to be Rotary's president. He knows he's part of an exclusive club.

"We [past Rotary presidents] have achieved great success in our businesses and in our communities," says Huang. "But success isn't about power or money. It's about giving back. Being a Rotarian has given me the opportunity to help those in need. As president, I can inspire our members to take advantage of the same opportunity and bring happiness in people's lives."
