Bulletin

No 6 28 August 2017

Greetings to all,
Learning about other cultures as a means of promoting peace and goodwill has always been an important feature of Rotary. Hence it was a great pleasure to have Prabhpreet Singh and Balli Singh, from the Bertram Punjabi Club, present with us at this week's meeting. Their warm invitation for us to attend the Sports and Multicultural event on the 24 September was very much appreciated. Hopefully we can get a good turnout of club members at this event as a mark of support for this community. The program looks very interesting, with a range of sports, theatrical performances, food stalls, amusement rides, and evening fireworks. The Bertram Punjabi Club clearly has very similar values Rotary, with their emphasis on fellowship and giving assistance to persons in need.

In other cultural matters, Steve Castelli has organised an amazing food and wine trip for October (sorry to upset your original plans, Steve, by noting that the previously scheduled date would clash with the October Wellard Markets!). Eric Blogg is being a great sport by agreeing to be bus driver for the day. The number and range of local venues that Steve has arranged for members to visit on that day should cater for all tastes and preferences. The question remains as to whether there will be some "before" and "after" photos of the day. Before this significant event, members and will have a taste of oriental food when we have a restaurant night at Penang Noodle House in Bertram on Monday 11 September.

John Hewko is the general secretary of Rotary International and The Rotary Foundation.

From 2004 to 2009, Hewko was vice president for operations and compact development for the Millennium Challenge Corporation (MCC), a U.S. government agency established in 2004 to deliver foreign assistance to the world's poorest countries. Guest Speaker

This week we had the pleasure of having as guest speakers Prabhpreet Singh and Balli Singh from the Bertram Punjabi Club. These gentlemen are extending an invitation to our club to attend the Punjabi Sports and Multicultural Event in September.

Prabhpreet very obligingly provided a copy of his speech as follows:

Good Evening Ladies and Gentlemen, Committee members and President of the Rotary Club. My name is Prabhpreet Singh/Balli Singh and I feel honoured and privileged to have been invited on behalf of the President and Management Committee of the Bertram Punjabi Club to talk to you all today.

Bertram Punjabi club is still in its early years, but we are trying to make a big impact with our local community. 2016 and the first half of 2017 have seen us host our first Punjabi Mela fair, local charity work and fundraising, many successful blood donation drives, and set up a helpline desk with counseling services for local overseas students to help them.

We decided to make 2017 even bigger and better with our upcoming Punjabi Sports and Multicultural event on Sunday 24th September at Calista Oval in Kwinana. We're expecting a fantastic turnout of over 3000 people. Culturally a Punjabi community is known for not just its food, but our celebrations and enjoying every moment, and a big part of that is bringing festivals and fairs to our community to celebrate and enjoy life.

We are a Sikh Punjabi community who aims to show our community how respectful, responsible and that we work hard to live and enjoy our daily work, while respecting and upholding our beliefs and values in God. We want to reach out to our local community and celebrate diversity by respecting all religions and belief systems.

Most importantly we want to return the gratitude that we now live in this great wonderland that we call Australia. We may have been born in India, but we are Australians in heart and soul. And we love being able to bring these amazing gatherings of our community together to bond with the essence that is the Australian way of life that we all enjoy so much. Thanks.
