Another good meeting, interesting Guest Speaker in Lucas Lang from Dentist Plus and also GP Extra, obviously talking about dental and health issues. Dental Plus recently opened in Kwinana at 1 Chisolm Avenue.

PP Bob Thompson recently canvased members interest in attending the next Rotary International Convention to be held in Honolulu June 6th to June 11th 2020.

In 2011 a group of 10 members and partners attended the Bangkok Convention and in 2014 Bob, Jo, Gladys and I attended the Sydney 2014 Convention.

Both events were a fantastic opportunity to witness Rotary International at work and at play. One gets a better understanding of the Internationality of Rotary when some 33 thousand like-minded people from 200 countries around the world get together to celebrate Rotary.

After attending the Bangkok Convention and witnessing how well it was organised and run, then going to the 2014 Convention In Sydney, I personally thought Sydney would be hard pressed to compete, how wrong I was the Sydney Convention was equally well run and just as exciting to attend as the Bangkok event. Gladys and I are looking forward to Honolulu next year, I would highly recommend especially to any member who has not had the opportunity to attend a Rotary International Convention to seriously consider attending, yes it costs a bit of money but is an eye-opener into the world of Rotary. We are going stay on for a time to explore what Honolulu has to offer before heading home.

Next weeks meeting is at The Well Tavern, Wellard Village, 6 for 6.30pm.

Thank you to everyone that attended to the clean-up of 1 Gentle Rd, our Furniture Online storage facility. Mike N great appreciated the assistance and now feels the furniture display is much more user friendly.

Congratulation to Club Service Director John Iriks on joining so many of us in the over 70's Club having celebrated this significant birthday on Monday. HBTY,HBTY,HBDJ,HBTY.

Lid collection has started in support of making prosthetic limbs. A blue bin will sit in the clubrooms waiting for your weekly donations. Please don't forget to pass on the message about saving the tops to other family members.

Currently the yellow topped bin should not be receiving small lids such as milk bottle tops, cool drink lids, long life lids etc. so we will join thousands all over Australia, including other Rotary Clubs and collect them to be reprocessed.

Next week we have 15 members joining 13 Palm Beach members for a shared meeting at The Well, in the Strand, WELLARD. 6pm start as usual. Order your meal and pay at the bar. See you there.

Thought of the week!!

Do we need to revisit the concept of going fortnightly?

Happy Birthday (PDG) PE John

Gilmore College Breakfast Club

The Breakfast Club has been an active Youth Services project for our Club for many years.

We provide funds annually to the College to help fund the cost of the supply of Milo and butter, honey and fruit and vegemite.

The Club also provides bread for toasting. Mike Nella does the bread pick up and drop off at the College each Monday.

The Breakfast Club operates five days per week with Kwinana Rotary providing volunteers from 7.30 to 9 am for Mondays (Brian McCallum), Thursdays Chris Iriks and Lee Davis, Fridays (Jo and Bob Thompson).

Tuesdays and Wednesdays are covered by the College itself and also by Smith Family.

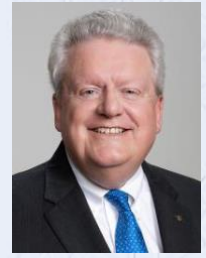

Mike Nella is also called on by the College when there is a volunteer no show.

Students are able to enjoy a morning hello, breakfast of a cup of Milo, and toast with butter by itself or with honey or vegemite.

Cups of tinned fruit are also offered to students.

If you would like to be involved there is room.

RI President's Message - September 2019:

Here in the United States, another summer is winding down. And for the Maloney family, every summer ends with a return to my hometown of Ridgway, Illinois, for the annual Popcorn Day festival, where I am honoured to serve as the “Popcorn King,” the master of ceremonies for the day’s events.

Regardless of the season, every family has its own traditions. I would like to suggest a new one for yours: Find an opportunity to introduce your family to Rotary. One of my family’s traditions is to take our daughters and grandsons to the Rotary International Convention. The 2020 convention in Honolulu will be a wonderful way to introduce your children and grandchildren to the internationality of Rotary. We are planning many family-oriented events for everyone to enjoy.

Any time is a fabulous time to bring family members on a Rotary service project or to a fundraising event. But perhaps you have not seen many family-friendly events at your club. That is precisely why one of my top priorities this year is to make most Rotary events welcoming to family members.

We must foster a culture where Rotary does not compete with family, but complements it. We should never expect our members to choose between the two. That means being realistic in our expectations, considerate in our scheduling, and welcoming of children at Rotary events on every level.

Often, the young professionals that Rotary needs to attract in order to remain a dynamic 21st-century service organization are the very people who have the greatest family responsibilities. We must not keep these prospective young members away from their families by holding events on evenings and weekends at which their children are not welcome.

For too long, we have closed the doors of many Rotary events to children and sometimes even spouses. What wasted opportunities these are! Every chance we have to pass on the gift of Rotary to young people is one we must take if we are going to grow Rotary and ensure that the next generation is fully engaged in our mission.

So let us open our doors and do it in a fun way, with opportunities that make our children and grandchildren want to learn more about Interact, Rotaract, and Rotary membership. Start small if you must — perhaps by holding some of your meetings at more family-friendly times — but think about how you can continue these kinds of events for years to come.

Bringing children to Rotary events is not just fun; it also exposes them to the world! Make this a memorable year for your family — and an unforgettable year for the ever-expanding family of Rotary as Rotary Connects the World.

Introducing Lucas Lang

“Nothing pleases me more than knowing I can turn the lives around for patients with difficult cases. When I see someone walk in, desperately unhappy with their teeth, unable to eat and not knowing the options available to them, it makes me so happy to finally give them the care and attention they need.”

Dental Prosthetist Lucas Lang has over 18 years’ experience in the dental industry and is founder and director of Dentistry Plus and Dentures Plus.

He holds a Masters of Dental Technology in Prosthetics at Griffith University.

Perth-based Dentures Plus was created by Dental Prosthetist Lucas Lang in 2008 through a desire to create a new level of convenience for denture wearers, bringing all the processes, high-tech equipment and expertise under one roof.

Dentures Plus now has five fully equipped clinics in the following locations: Joondalup, Leederville, Maddington. Leeming and Kwinana.

For over ten years, Dentures Plus has been dedicated to the craft of creating perfectly fitted dentures and implant-supported over-dentures. Each clinic houses highly experienced and qualified dental prosthetists, while also housing a branch of its sister company, Dentistry Plus, allowing for greater convenience and service to our patients.

At Dentistry Plus, we ensure that all patients receive the best attention and dental treatment available while experiencing the most comfortable dental experience possible. We continually strive to maintain our ongoing commitment to the utmost in health, safety and infection control

Established in 2010, Dentistry Plus provide dental services for the entire community, young and old, with a special emphasis on competitively priced dental services and dental implants.
