Meeting with a difference this week, we held our meeting jointly with the RC of Palm Beach at The Well Tavern at Wellard Village, good turn-out from both clubs.

PP Bob Thompson is busily making enquiries concerning the Rotary International Convention for 2020 being held at Honolulu, Hawaii

Honolulu, June 2020.

With the meeting being held as a social event jointly with RC Palm Beach and with 'no business' on the agenda reports for the Bulletin were a little scarce.

PDG John Iriks and PP Michael Nella and crew are providing for St Vincent's School a Father's Day Breakfast for about 500 kids and fathers, consisting of bacon & egg rolls and a sausage sizzle on Thursday morning before school starts, work begins by 6.30am to serve at 7.30am. Fathers will then attend their children's classes from 8.30am.

26th August 2019

A night of chit-chat with our fellow Rotarians from Palm Beach took place night at The Well Tavern in Wellard.

<https://www.thewelltavern.com.au/>

The staff handled the large contingent in an easy and pleasant manner so that we could enjoy each other's company. A photo gallery follows including Stephen having returned from his travels.

News in this minute that Max and Diane arrived home last night as well.

Next week's meeting being the first of the month is Guest Speaker free except for Eric who will take the opportunity to explain Club Runner in more detail.

Also we would like to challenge a few members to bring along a Limerick to share with everyone for a bit of fun. Here's an example.

**Limericks I cannot compose,
With noxious smells in my nose.
But this one was easy,
I only felt queasy,
Because I was sniffing my toes.**

How is the Lid Collection going? Don't forget to bring them along to Rotary and put them in the blue bucket.

I'm pleased to report that Ann Samut is making steady progress in her recovery and Greg Williams looks like a panda after an eye surgery yesterday but is also recovering well.

Our thoughts go to Marge and Edd in their role as carer and we hope your patients are not too demanding!!

Last night's Citizenship Ceremony was full of surprises. Two past members joined the ranks of Australians.

Congratulations Matt White and Cheryl DeSouza

Here's to the man who is wisest and best,
Here's to the man who with judgment is blessed.

Polio This Week 22nd August 2019

📌 Nigeria marked three years since the last case of wild poliovirus (WPV) was detected within its borders. Because Nigeria is the last polio-endemic country in Africa, this milestone opens the door for the potential WPV-free certification of the entire WHO AFRO region after the Africa Regional Certification Commission (ARCC) evaluation as early as mid-2020.

While this is an important programmatic milestone, the region has not yet been certified polio-free and it will be critical for the polio program to maintain momentum.

📌 Summary of new viruses this week:

Afghanistan — one wild poliovirus type 1 (WPV1) case;
Pakistan — one WPV1-positive environmental sample;
Angola — one cVDPV2 case; Ghana — one cVDPV2 case.

Rotary International announced on 3 June a three-year partnership renewal with its disaster relief project partner, ShelterBox. For almost 20 years, this unique humanitarian alliance has supported families with a place to call home after disaster.

Rotary is a global network whose members take action to make a lasting difference in their communities – and worldwide. ShelterBox provides emergency shelters and other essential items to support families who have lost their homes in disaster.

What began as a local connection with one Cornish Rotary Club has led to an international movement that's provided 140,000 ShelterBox family tents or 390,000 ShelterKits worldwide to date (a value of over £54 million).

First adopted as a millennium project by the Rotary Club of Helston-Lizard in 2000, the support of Rotary members and clubs around the world saw ShelterBox become Rotary's Project Partner in Disaster Relief in 2012. Since then, the partnership has helped transform ShelterBox into an internationally recognized disaster relief charity, supporting families with emergency shelter after disaster.

A small boy was at the zoo with his father. They were looking at the tigers, and his father was telling him how ferocious they were.

“Daddy, if the tigers got out and ate you up...”

“Yes, son?” the father asked, ready to console him.

“... Which bus would I get to go home?”

I would give you what you really want on Father’s Day, but I can’t afford to move out yet.

Dad, your father’s day gift is another year of not having to pay for my wedding.

I smile because you are my father. I laugh because there is nothing you can do about it.

“While having their evening dinner together, a little girl looked up at her father and asked, “Daddy, you’re the boss in our family, right?”

The father was very pleased to hear it and confidently replied, “Yes, my little princess.” The girl then continued, “ Is that because mommy put you in charge?”

Joe: What does your father do for a living?

Jon: He’s a magician. He performs tricks, like sawing people in half.

Joe: Do you have any brothers or sisters?

Jon: Yep, four half-sisters and a half-brother.

Martin had just received his brand new drivers license. The family troops out to the driveway, and climbs in the car, where he is going to take them for a ride for the first time. Dad immediately heads for the back seat, directly behind the newly minted driver.

“I’ll bet you’re back there to get a change of scenery after all those months of sitting in the front passenger seat teaching me how to drive,” says the beaming boy to his father.

“Nope,” comes dad’s reply, “I’m gonna sit here and kick the back of your seat as you drive, just like you’ve been doing to me all these years.”
