Anniversary:

Club Anniversary:

If you had any we hope
you had a good day

Our meeting didn't have a scheduled Guest Speaker so I was given the opportunity to refresh and promote ClubRunner to our members. Rotary Club software first became available as 'Clubmate' way back in the mid 90s. In 2003 Rotary International purchased the rights to Clubmate software from its New Zealand developers.

ClubRunner founded in 2003 as a project of District 7080 Ontario, Canada and Over the next few years became the preferred option for Rotary Club management. Where Clubmate was a stand-alone windows based product ClubRunner had a web based platform with full access to tailor and add content to screen layouts, and most importantly offered full integration with the Rotary International database, which meant that any member data changes made by the club into ClubRunner was immediately transferred to the RI database, thus saving the Secretary the onerous task of notifying RI of any changes to member information.

While I accept that our club has been at times a bit reluctant to embrace ClubRunner I do feel that it is a valuable tool in the management of our club. The ability to archive important club documents and events both in photo and text format together with the ability to make everything available to either the general public or member access only is a great tool, plus the recent inclusion of a mobile app for smart phones can only enhance the already useful product.

	<p>Rotary International President 2019/20</p> <p>Mark Daniel Maloney</p>	<p>District Governor 9465</p> <p>2019/20</p> <p>Wayne Milnes</p>

Apologies by Saturday pm please

Meets Monday
6 for 6.30pm
At Rotary Hall
Brownell Crescent, Medina

Visitors always welcome

PRESIDENT
2019-2020

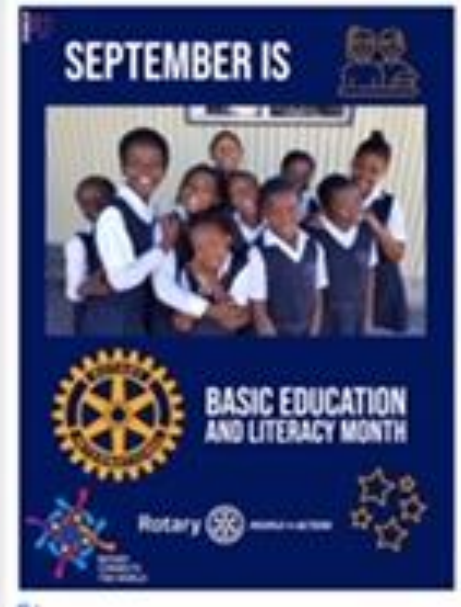

Wendy Cooper

President's Pen

02nd September 2019

1. We welcomed back Stephen and Norm from their world travel this evening along with Max after his Timor Leste trip. Norm and Max brought with them banners from the Clubs they visited while away.
2. Thank you to the members joined in the spirit of doing something different and brought along a **Limerick** to share last to celebrate Literacy Month.

My little effort for the night was;

I know a bunch of Rotarians
Who are as crazy as barbarians
But if you look
They really can cook
For Anzacs and Australians.

Final rhyme not quite right, so, I won't give up my day job as someone suggested!!

3. Thanks also to James for adding to the collection bucket for lids. This is a project that allows us to combine with other clubs for the betterment of people with a disability.

Diane is awaiting any agenda items you may have for the board meeting next week, 12th September.

Club Service report. 02nd September 2019

- 1 St Vincent's Father's Day Breakfast, a huge success. Many thanks to everyone who contributed.
- 2 Corporate Golf Day, Industries Cup, 1st November 2019, 3 teams nominated already.
- 3 Saturday 12th October, NZ Hangi, fund raiser for local NZ group, \$30pp.
- 4 Question put to members? "Do we want to revert to a traditional type Christmas Dinner meeting? Answer, majority of us would like to go back to our usual Christmas Meeting. Bowling Club will be approached to hold the dinner on 10th December. More discussion required as to how we can continue to help local underprivileged children celebrate Christmas.
- 5 Decided that the President's Car Rally will need to be put on-hold until April 2020.

PP Max Bird and Rtn Norm Mulcahy presenting President Wendy with the banner's received from the respective club's they visited whilst overseas

Inward Correspondence. Nil

Outward Correspondence. Nil

Would members please note that any correspondence received or posted by yourself, please ensure a copy is forwarded to your Secretary.

PDG Bob Cooper

Bills paid, money in the bank.

About half of our members have paid their dues.
Would like to see the other half 'pay up'

The club Profit & Loss Statements are available for members to view on ClubRunner. See Club Documents.

Members are requested to ensure they contact PP Greg Williams by Sunday am with any apology for the next meeting. We are having to pay for meals ordered for you and not used because of non-attendance.

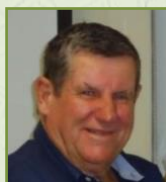

The international Committee (RPTLE) is carrying out the following.

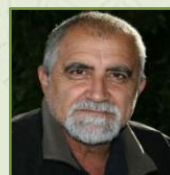

1. GG 1639026 & GG 1640204 final reports have been submitted to foundation and we now wait for their approvals to come thru.
2. GG 1872605 progress report will be submitted shortly. Waiting on me to finalise the financial section.
3. Assisted Michael Nella in applying to RAWCS for registration of his Indonesia projects, this will allow for private individuals to claim tax benefits when donating to the project, also allowing for easy access to Rotary insurance to cover the volunteer's whist traveling and carrying out the project work.

Fine Session: Sgt. Cyril Bennett

Deputy Bill Rowe.

Ian C, Michael M & Sam C: No badge

Norm M: Welcome back from your recent visit to Scotland.

Stephen C: Gained the Godfather title after a recent trip to Italy

Norm, Max, Chris & Stephen: fined for being 'argumentative'

Stephen and Barry: Met up accidentally for lunch, at Macca's

Norm Mc: Asked "Why did you recently go to Scotland? Norm's reply " to celebrate my mother's 80th birthday. Further question, " You also went back to Scotland this time last year, what was the purpose of that visit?
Norm's reply " To celebrate my mother's 80th birthday.???"

Stephen C: Wanted to remind us that it is 30 years since his late Father-in Law introduced him to our Rotary Club.

Cyril B: Told that 'Bum was hanging out' turned out to be his car's problem.

Chris & Ian: Had a huge number of 'Limericks' in their repertoire, however not suitable for tonight's audience.

Polio This Week 14th August 2019

Technical Advisory Group on Polio Eradication in Afghanistan met on 25-26 August 2019 to discuss and propose recommendations on a range of thematic areas in combatting the ongoing wild poliovirus transmission in the region including: access issues, ban on house-to-house campaigns, optimizing community engagement, and geographic prioritization.

Summary of new viruses this week:

Pakistan — five wild poliovirus type 1 (WPV1) cases;
Nigeria— one circulating vaccine-derived poliovirus type 2 (cVDPV2)-positive healthy contact sample;
Democratic Republic of the Congo— six cVDPV2 cases;
Ghana — one cVDPV2-positive environmental sample

ClubRunner
club communication made easy™

Founded in 2003, ClubRunner began as a project by the Rotary District 7080 Website Chair, a long time Rotarian and Past President of the Mississauga City Center Rotary Club who is also a world-class software executive who has worked with software companies such as IBM in the past.

As a software provider for major banks and insurance companies, his own company was already using the latest technology to manage online databases, generate dynamic documents and perform time saving work flow functions within an organization.

Working closely with his home district and club, along with his highly experienced team, they started out with a mission to change the way membership clubs and associations function and connect with members by automating administrative functions and aligning them to the way non-profits work.

ClubRunner enables non-profits, boards, service clubs, chambers, and associations of all sizes to build their web presence, improve membership collaboration, automate administration and boost public relations.

ClubRunner solutions are both easy to use and extremely powerful, providing the foundation for retention, growth and improved administration throughout.

Known for its innovation and impact to community, ClubRunner has been nominated for many leading industry awards and is also the winner of the Microsoft Impact award for "Best Community Impact". ClubRunner was also voted the best Rotary Software in a recent survey conducted. Today, ClubRunner is available in multiple languages and has over 5000 customers, in over 30 countries.

Unlike other membership solutions, ClubRunner provides powerful, uncompromising functionality with a fun, extremely easy-to-adopt experience. We take pride in seeing its customer succeed for the long term, which is why today we have the highest retention rates in any software industry.

November 1, 2010, Oakville, Ontario, CANADA – ClubRunner, the leading provider of Rotary Club administration and communications software, is pleased to announce today the integration of its databases with Rotary International – one of the largest humanitarian service organizations in the world with 33,000 clubs in more than 200 countries and geographical areas.

In a joint effort to unify and streamline member records, ClubRunner and Rotary International, the Evanston, IL based administrative entity that supports Rotary clubs and districts, have been working closely for the past year to establish a secure connection to completely automate member updates while maintaining full control and privacy to Rotary clubs and districts.

Until now, all software vendors have been issuing email notifications to Rotary International's Data Services division, resulting in countless hours of manual data entry. ClubRunner and Rotary International had a common goal to increase overall effectiveness of each club by taking away administration overhead. Each club with ClubRunner today now can worry less about data integrity between multiple databases. When a club database is updated with, for example, a member's new contact information, that change would automatically be incorporated into Rotary International's database, eliminating the need for clubs to formally notify Rotary International or make the change manually through Member Access.

There once was a lady named Ferris
Whom nothing could ever embarrass.
Til the bath salts one day, / in the tub
where she lay, /
Turned out to be Plaster of Paris.

There was an odd fellow named Gus,
When travelling he made such a fuss.
He was banned from the train,
Not allowed on a plane,
And now travels only by bus.

There once was a farmer from Leeds,
Who swallowed a packet of seeds.
It soon came to pass,
He was covered with grass,
But has all the tomatoes he needs.

There was a young woman named
Bright,
Whose speed was much faster than light.
She set out one day,
In a relative way,
And returned on the previous night.

A romantic young man from Sherwood
Bought a ring for his girl and felt good
He left it on the bus
Air was blue with his cuss
Chased after it as fast as he could.

On her birthday told hubby don't be late
And with him she wanted to celebrate
With good food and some wine
A posh place they would dine
He forgot and went drinking with a
mate.

There was a young schoolboy of Rye,
Who was baked by mistake in a pie.
To his mother's disgust,
He emerged through the crust,
And exclaimed, with a yawn, Where am
I?

There is a young schoolboy named
Mason,
Whose mom cuts his hair with a basin.
When he stands in one place,
With a scarf round his face,
It's a mystery which way he's facing.

I've done it -- I've done mown the lawn,
But my muscles are aching and torn.
I could swear there are some,
In my legs and my bum,
I've not used since the year I was born.

A young gourmet dining at Crewe,
Found a rather large mouse in his stew.
Said the waiter, Don't shout,
And wave it about,
Or the rest will be wanting one, too.

Makeup opportunities
