Heads & Tails

Rotary District 9465 District Governor Ric McDonald made his official visit to a joint group meeting held Wednesday 12th October at the Hotel Clipper, Rockingham.

Quite well attended by our group clubs, Rockingham, Kwinana, Palm Beach and Baldivis.

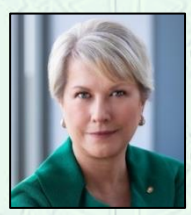

DG Ric gave a polished address aided by a ppt. presentation.

The position of DG will take on a whole new meaning from next year when WA becomes a single district, with such a huge geographical area to cover.

Our ladies, Chris, Cathy, and Karen took out 3 of the raffle-prizes, the raffle raised \$170

Joint 'Fine session' was lively with a number of good fines from all clubs.

Very saddened to report that we lost a very valued former member of our club this week, PP Brian McCallum PHF, Brian joined us from NSW in 2006 until recently when ill-health triggered his resignation, Brian passed away while in hospital on Monday 10th October, our sincere condolences to his family.

Vale Brian McCallum

It is with great sadness that we were informed this week of the passing of Brian McCallum. Brian joined the Rotary Club of Kwinana in July 2006 and served as President for the year 2011/2012. Brian also served as Club secretary for 6 years and was a very valuable member. Our condolences to Colleen and family at this sad time. Colleen and family have arranged as a memorial, a celebration of Brian's life. This will take place at 1.00pm on Sunday 16th October at the Kwinana Bowling Club.

District Governor's Combined Meeting

A combined meeting with Kwinana, Rockingham, Palm Beach and Baldivis Clubs was held this evening at the Clipper Inn, Rockingham. Our Club was well represented.

Palm Beach Rotary Club

Palm Beach Rotary Club are asking our Club for volunteers to assist with the Channel 7 Rockingham Beach Cup on Sunday November 13th, 2022. A donation to our Club funds was mentioned.

Board Meeting

The Club board will zoom meet next Wednesday 19th October at 7.30pm.

Guest Speaker: 9465 District Governor Ric McDonald

Ric has a background in Farming, Business, Real Estate.

Married to Ailsa since 1968

Ric has been active in the community, initially in Apex, retired a life member.

Ric is a Past President of Wagin Woolorama.

Joined Rotary Club of Scarborough in 1980s

Moved to Darling Range Rotary club in 2003, served as President 3 times

Past President West Australian Photographic Federation 2014/15

Joined Southern Districts Rotary Club served as President 2018

Ric's current business is www.vanweigh.com.au
Specialising in weighing Caravans and tow-vehicles.

DG Ric's address was centred around the current 'Redistricting' and 'Regionalisation'

Redistricting is happening, Rotary Western Australia is happening July 2023.

Recent 'Regionalisation voting in WA' results are:
96 clubs in WA, 93 voted 'Yes' 3 clubs did not vote.
Zone 8 results: 1311 clubs, 1192 'Yes', 87 voted 'No' 90% voted yes.

Lets imagine Rotary, not just next week but in 10 years, 50 years' time, Rotary of the next generation, lets imagine Rotary in 2070 and 25 times larger.
300 clubs or 3000, maybe 5000 members. Could we dare imagine 50,000 members, that's 25 times larger than Rotary Western Australia today.

We must change, all change may not result in Progress but, All progress is a result of change.

In this district right now, we have clubs that have 1 member for every 100 population, these clubs have unlocked the secret relevance to their community, their communities all know about Rotary.
50,000! Do the maths.
1 member per 100 population, 2 million people in WA today, we could have 20,000 Rotarians.
Allow 50 years of population growth, 50,000 is achievable.

So, what are we doing about this?

New club squad with a budget to develop new clubs and identify new opportunities, for Satellite Clubs, Corporate Clubs, Passport Clubs, Cause Based Clubs.

Budget item to help new club development, Budget item to better promote Rotary, Support for clubs to build-on and develop new technology to improve the membership experience.

Recognising that the high cost of Rotary is a barrier to membership growth, lowering district dues, providing clubs with information on how to reduce fees, at the same time reduce district dues by 20%

The Jennifer Jones ‘Imagination Challenge’

12 clubs have taken up this ‘Challenge’

To modernise, reduce costs, become relevant to their community,
Better promote their clubs, Better utilise technology.

DG Ric’s Challenge to those present tonight:

Can you imagine Rotary in the future?

Will you play a part in identifying the changes needed to make this a reality?

Fine Session: Sergeant Cyril Bennett

Stand-in: John Maskell/Stephen C
Deputy Bill Rowe.

Couple of fines from the meeting:

PDG John Iriks was reportedly doing some whipper-snipping in the garden recently, there was some plastic flowers in the garden, John must have thought they were too big, so he snipped those as well!!!

Kelvin from Palm Beach fined PDG John Iriks because he remembers that 15 years ago we stole their 'gavel'

PDG Bob Cooper and Wendy returned home recently after a round Australia trip, Bob came to the Kwinana Rotary meeting last week, and promptly won the raffle and heads & tails.

Wendy paid a fine for the information that Bob and herself had been married 21 years, followed by the information that they had been married 7 years longer than both wife 1 and wife 2 and with that she thought that she deserved a medal.

Paddy and his missus are lying in bed listening to the next-door neighbours' dog barking. It had been barking for hours and hours.

Suddenly Paddy jumps up out of bed and says, "I've had enough of this". He goes downstairs.

Paddy finally comes back up to bed and his wife says, "The dog is still barking. What have you been doing?"

Paddy says "I've put the dog in our yard. see how THEY like it!"

Polio this week

12th October 2022

- [GPEI Pledging Moment, 18 October 2022, Berlin, Germany](#): GPEI leaders, donors, polio-affected countries and advocates will gather in Berlin next week at the World Health Summit for a global polio pledging moment, co-hosted by Germany's Federal Ministry for Economic Cooperation and Development (BMZ).
- To strengthen polio transition efforts and respond to changes in polio eradication and the broader global health landscape, WHO has developed a [corporate management response to the mid-term evaluation of the implementation of the Strategic Action Plan on Polio Transition \(2018-2023\)](#). Recognizing that eradication and transition efforts go hand-in-hand, the document lays out a clear roadmap to sustain polio knowledge, expertise and functions in order to strengthen national health systems, tailored to regional and country context. [Find out more](#).
- [Scientific Declaration on Polio Eradication launched](#): this week, more than 2,800 leading scientists, physicians and global health experts from around the world launched the 2022 Scientific Declaration for Polio Eradication, highlighting the feasibility of eradication and urgently needed now.
- Outcomes of SAGE meeting: the summary of the outcomes/recommendations from last week's Strategic Advisory Group of Experts on immunization (SAGE) meeting, held in Geneva, Switzerland, on 3-6 October, are now available [here](#). On polio eradication, SAGE had reviewed the latest global epidemiology and evaluated new outbreak response options, including for IPV-only using countries and expanded age groups. The full SAGE report will be published over the coming weeks in the Weekly Epidemiological Record (WER).
- [Pakistan polio infrastructure continues to support flood relief](#), while intensifying eradication efforts. "Rarely have I seen such commitment and dedication as I have seen in Pakistan," commented Dr Hamid Jafari, Director for Polio Eradication, WHO Eastern Mediterranean.
- [EMRO commitments to polio eradication](#): Members of the Regional Subcommittee for Polio Eradication and Outbreaks in the Eastern Mediterranean reviewed recent progress during the 69th session of the EMRO Regional Committee. During the meeting Member States and partners reiterated their commitment to freeing current and future generations of children from polio and called for sustained efforts to end polio once and for all, including the pockets of wild poliovirus that linger in Afghanistan and Pakistan.

Summary of new polioviruses this week:

- DR Congo: four cVDPV2 cases and one cVDPV2 positive environmental sample
- Nigeria: three cVDPV2 cases
