Bulletin

No 12 3 October 2016

Greetings to all,
After a week's break on account of the Queen's Birthday public holiday, it's now all systems go for the club! Within a few weeks' time we will have up to **six** new members, thanks to the tremendous effort of Membership Director Edd Samut. Given the number of activities and upcoming events, the induction and subsequent involvement of new members will be very timely.

One of the most significant features of this month will be the grand opening of the Kwinana Adventure Park. This is a result of three years of planning, organization and networking – guided by the capable leadership and enthusiasm of our very own PDG John Iriks. A huge congratulations to John on his determination and passion for the project which no doubt will become a great asset and attraction for Kwinana. As well as the opening of the adventure park, during October we will also be having our Village Markets at Wellard, Hat Day for Mental Health, Restaurant Meeting at Chawla's Indian Restaurant to celebrate World Polio Day, and the Kwinana Festival. Amidst all of this, regular programs such as the bread run and Gilmore College Breakfast Club will be taking place, while plans will be taking shape for the Christmas Day Lolly Run, Swimathon, and Classic Car Event. **Note invitation to Rockingham Kwinana Inner Wheel Fashion Parade on Tuesday 18 October.*

PS: Did anyone hear the news from Victoria? Apparently Western Bulldogs won the AFL Grand Final!!!

Nigeria reclassified as polio-endemic

[END POLIO NOW: THURSDAY, 29 SEPTEMBER 2016](#)

Nigeria reported three cases of wild poliovirus in the northeastern state of Borno in August of this year. Following the World Health Organization's confirmation of these cases, the country returned to the list of polio endemic countries. The other polio endemic countries are Afghanistan and Pakistan.

These are the first cases detected in the country since July 2014, and while this news is disappointing for all Rotary members, we are confident that Nigeria can defeat polio. Rotary provided \$500,000 to assist immediately with the outbreak response, and an emergency response plan has already been put into action in coordination with our partners. Large-scale vaccination campaigns are ongoing across five countries in the Lake Chad basin to counter the outbreak.

Despite these new cases, there has been significant progress toward ending polio in Nigeria, the rest of the African continent and globally in recent years.

Guest Speaker Monique Mulligan – Koorliny Arts Centre

Guest speaker Monique Mulligan gave us a very insightful account of the Koorliny Arts Centre and its functions. Given that many of us have enjoyed attending events there, such as children's concerts and theatrical productions, it was very interesting to hear of its full range of programs and activities. The establishment has just celebrated 25 years in the Kwinana community, and to mark the event a time capsule was buried. Hopefully the next 25 years will provide just as much entertainment!

The vision of the Koorliny Arts Centre is:

- *To be a professional community arts centre*
- *Programs to support community members*
- *Help locals become involved in the arts*

The goal of the Koorliny Arts Centre:

- To provide diverse programs and activities
- Aiming to encourage new audiences.

The Koorliny Arts Centre has presented many high quality in-house theatre shows. This has been made possible through the generous sponsorship of Kwinana Industries Council (KIC). The centre has been publicly acknowledged for the quality of its productions. Earlier this year, the Koorliny Arts Centre was awarded the **Yvonne Hoffman Award** for putting on sustained quality programs. Furthermore, the centre has had three major wins from 21 nominations in recent awards, and three of their musicals produced have placed in the top three shows around Perth.

In addition to holding theatre productions, other programs at the Koorliny Arts Centre include:

- *Morning Melodies* program: On every second Friday morning of the month, the centre organises for a performer to come in to give a show lasting for an hour; morning tea is provided.
- Tribute shows e.g. Roy Orbison, Neil Diamond; these are very popular
- *Stories on Stage*: for people who love books and writing; the activity involves interviews with authors.
- Kwinana Dance Festival: an 11-day festival held in the September/October school holidays, with approximately 1700 entrants
- Touring shows e.g. Melbourne International Festival, Tom Burlinson – Frank Sinatra Show
- Community Groups e.g. Koorliny Leisure Painters, musical theatre classes, book club, craft groups, social tai chi, dance schools, music schools, ninja school

How can you get involved?

- Come along to a show!
- Audition for a show!
- Sponsor us!

Congratulations to the Rotary Club of Karrinyup

Several weeks ago we enjoyed a presentation on the Earbus project. The Rotary Club of Karrinyup have recently been acknowledged at a District level for their efforts, as indicated below.

During the 2015 - 2016 Rotary year, District 9455 recognised the Rotary Club of Karrinyup as having made a significant contribution to Indigenous people through the Earbus project. This recognition is an amalgam of many Rotary Clubs and individual supporters – this is also your recognition.

Past District Governor Jerry Pilcher attended our meeting recently to present the Indigenous Service Award for 2015 - 2016 to Vocational Service Director Nick on behalf of the club.

Past District Governor Jerry said 'The Indigenous service award recognises a club project that benefits or will benefit the indigenous community or communities the most. There is no doubt that the Earbus project will make a huge difference both in prevention, as well as cure, of ear disease among remote indigenous communities in WA. The Rotary Club of Karrinyup is to be sincerely commended for a great initiative and in bringing the project in on budget and on time.'

Both construction and funding progress of the project are on schedule as you are all aware and completion is expected in mid - October. Therefore; this award is also in recognition of all the support Karrinyup RC has received from all the groups connected to this fabulous so please take this award as an indication of your hard work and belief in a most worthwhile project – thank you
