## Bulletin

No 12 17<sup>th</sup> Sept. 2018

Bulletin will be a little light on content this week as key members are away and reports were at a minimum.

Members and partners travelled to Rockingham RSL for a joint group meeting attended by Rockingham, Palm Beach and Kwinana clubs. Rockingham club inducted two new members on the night, husband and wife Michele and Rory.

Guests were Noongar Elder Theresa Walley, daughters Rose Walley and Cheryl Martin spoke about the Noongar history in South-western Australia. Elder Theresa Walley provided a 'Welcome to Country'

Always a great evening at Rockingham RSL, food is always good and liquid refreshment is very reasonably priced.

We have a big task coming up on Friday, feeding about 1200 sausage sizzles to staff at lunch time at the new Kwinana Lithium Plant, we will be expected to achieve this within the hour.

Congratulations to members who reached a club anniversary this week, especially PP James who notched up 10 years this week.

### President Report

**President Stephen will be away on holidays until mid-October.**

- Twining of our club with RC Jakarta Cilandak is going well. Proposed words will be put to board on Thursday for approval.
- Garage Sale for School renovations in Indonesia was held last weekend, however there was very little interest, and consequently not much money made.
- I will be away from 15/09 until 09/10 on holidays. PP Mike Nella will chair the meetings.

## President Elect Wendy Cooper

10<sup>th</sup> September 2018

### Wendy's Wanderings

- Bob and I left for Hobart this week to attend Institute and then sightsee for a few days before visiting my family in Geelong. We return on the 25th September. We will have email contact throughout.

As our club has entered a team into the 'Relay for Life' event on Calista Oval on the first weekend, 6<sup>th</sup> and 7<sup>th</sup> of October, that will see some of us do some night time wanderings to go with our day time wanderings.

Support from the remainder of the club at any time will be greatly appreciated,  
Coffee from The Coffee Club, Cake, Water, laughs, etc, etc.

---

The outing in November will be ...Ten Pin Bowling ....for the whole family.

A booking has been made at,  
Zone Bowling Centre,  
38 Patterson Rd, Rockingham.  
Sunday 4th November  
2 pm.

An invitation has been extended to the other 3 clubs in the area to join us.

More details at a later date but one piece of information is that if club members are members of the RAC it would allow them and 3 others to play 2 games for the price of 1.  
Closer to the date we can investigate this further.

Our Christmas Function will take centre stage on Sunday 2<sup>nd</sup> December  
Adventure Playground  
12:30 pm – 2 pm.

### Relay for Life update

Relay For Life is a fun 24 hour community event to help raise vital funds for the Cancer Council's WA life changing research, prevention and support services. This event is a chance for our amazing community and surrounding communities to come together and help celebrate those who have overcome their battle or are currently undergoing treatment. This is also an event to help honour the memory of those one who we have lost.

**Relay For  
Life  
2018  
Kwinana**

Genevieve attended planning meeting on Monday 10 September.

- Relay for Life will take place from 10am Saturday 6 October until 10am Sunday 7 October at Calista Oval.
- Registration of team will take place from 8am onwards on Saturday 6 October; team captain to collect information bag
- All teams are allocated a 3m x 3m bay to pitch a tent and use as a base; we are able to use space behind as required for extra tents, etc.
- There will be a range of stalls at the event, with funds raised being donated to Relay for Life. There will be a 24/24 barbeque stall; from 5pm – 9pm on Saturday there will be additional food stalls selling curries, roast beef rolls, pasta.
- Teams are able to do fundraising within their own tent e.g. cake stall; can notify organisers so that they can publicize it during the event.
- Candlelight ceremony to take place during the Saturday evening in honour of people who have passed away due to cancer. We are able to submit a photo of a loved one who has passed for display.
- No gas or fires allowed; solar lights permitted.
- There will be a range of kids activities, with qualified staff looking after children.

At the moment there is a 1/2 price special on registration for the team \$20 for adults and \$10 for children; use the code HNYSM2018.

Genevieve to attend next planning meeting on Monday 1 October. This will be held at Calista Oval.

#### **International:**

1. The Global Grant 1872605 has now been approved and monies were deposited into our Foundation account on the 14<sup>th</sup> September 2018
2. Monies have already been deposited into the Dili Bank account to fund the projects that are programed to commence on the 24<sup>th</sup> September 2018
3. We will met up with a group of Rotarians from Victoria in Baguia again on this trip, they are also supplying water to various schools in the Baguia district similar to what we do, and we may be able to work together as there are 34 schools to do and RPTLE can't do them all
4. Two other remote villages have also asked for assistance in gaining a reliable potable water supply to their communities
5. Brother Peter Corr from the Marist Brothers has also requested help in supplying potable water to a new school to be built at Lautem on the east end of the Island for about 500+ students, for once this school will not be built without a reliable water supply.

### Polio This Week 11<sup>th</sup> September 2018

- Summary of new viruses this week:
- Afghanistan – One new case of wild poliovirus (WPV1).
- Pakistan – One new case of wild poliovirus (WPV1).
- Papua New Guinea – three new cases of circulating vaccine-derived poliovirus type 1 (cVDPV1).
- Somalia – two new cases of circulating vaccine-derived poliovirus type 2 (cVDPV2).
- Afghanistan and Pakistan continue to detect WPV1 through environmental sampling, indicating sustained transmission. See country sections below for more details.
- The Johns Hopkins University is leading a project to document lessons learned from GPEI, and translating those lessons to improve delivery of other lifesaving health programs and strengthening health systems globally
- Featured on [www.polioeradication.org](http://www.polioeradication.org): Coffee with Polio Experts – Anand Balachandran of WHO talks about how to ensure that the infrastructure built up to eradicate polio will continue to benefit broader public health goals, long after the disease has been eradicated.

**Mark Daniel Maloney, of the Rotary Club of Decatur, Alabama, USA, is the selection of the Nominating Committee for President of Rotary International for 2019-20. He will be declared the president-nominee on 1 October if no challenging candidates have been suggested.**

Guest Speaker: Theresa Walley, Rose Walley and Cheryl Martin  
Kwinana Noongar Community.

Theresa Walley, was born in Kellerberrin on the 6th of November 1937. She was one of nine children born to Mary Theresa Indich and Luis Winmar. At the tender age of seven, she with several of her family were placed in the care of the Carrollup Mission.

Mary and her children absconded and Theresa ended up in St Joseph's orphanage at New Norcia. Here she received a very restricted upbringing so was totally unprepared for life when she was put outside the doors with a suitcase. She found a job as a domestic at the Quairading hospital. Eventually she met and married Leslie Robert Walley. The children to this marriage are Trevor, Robert, Doreen, Cheryl, Rosemary, Charmaine and Christopher (deceased).

Now a great grandmother, Theresa's life has been one of survival, bringing up children, working and constantly researching the background of her culture.

Rather than retire, now with the duties of "Elder" she is constantly on call and in great demand. Her love of her fellow indigenous peoples, especially the young, is very evident in the many projects in which she is involved, including tourism where she guest speaks, does educational bushwalks and demonstrates the values of bush-tucker.

Theresa has authored and illustrated several books about Noongar culture and traditional stories. In this book Theresa invited her daughter Cheryl and granddaughter Biara to do the paintings for two of the stories.

#### Welcome to Country.

Welcome to Country is a ceremony that formally welcomes people to the land. It is an important cultural protocol that is 40,000 years old, dating back to the Dreamtime, and it is deeply respected by Aboriginal people.

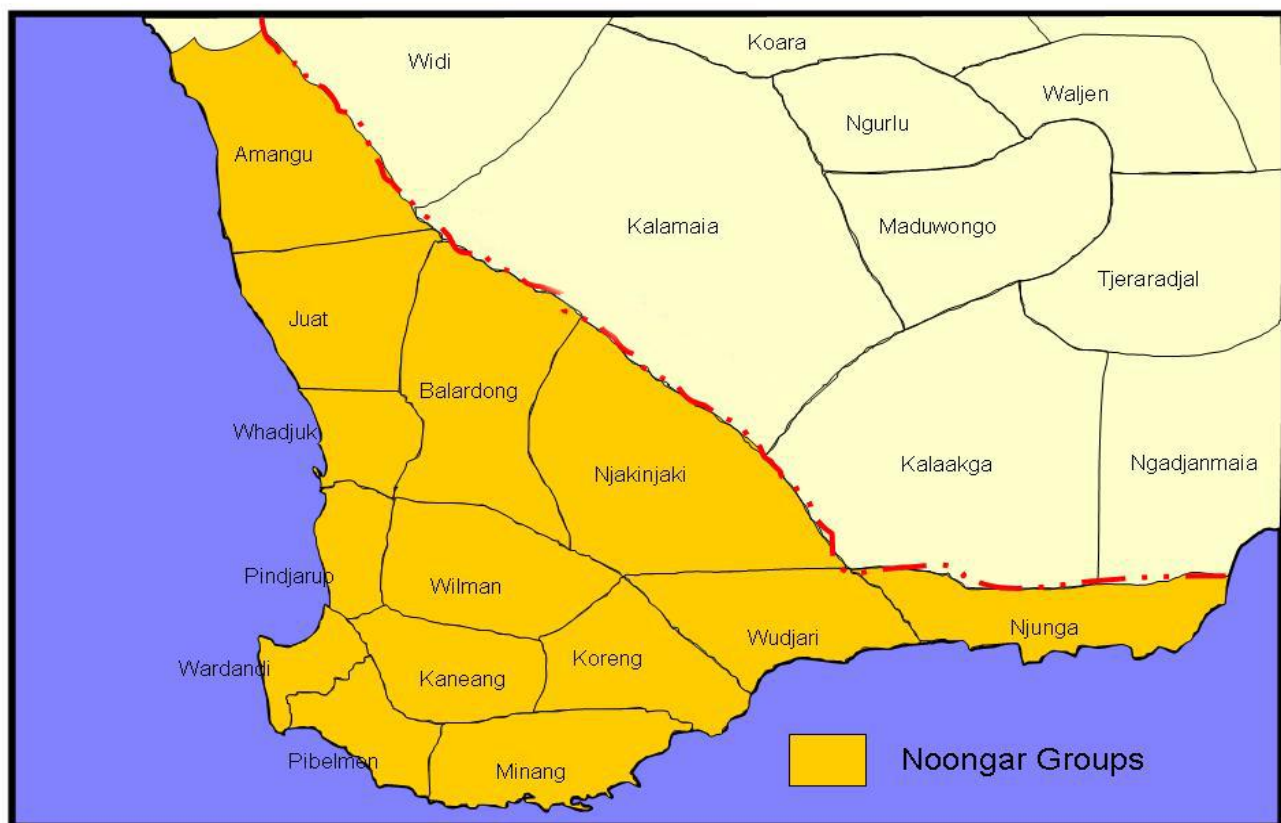

Incorporating Welcomes to Country and Acknowledgements of Country into events shows awareness of and respect for the traditional owners of the land where the event is being held. It can help to build relationships with local Aboriginal people and to increase awareness of the Aboriginal culture and protocols within the wider community. It also publicly recognises the ongoing connection of Aboriginal people with their country.

A Welcome needs to be performed by a representative who has traditional local links to a particular place, area or region. In Perth, a Welcome should be performed by Elders of the Whadjuk Nyoongar people.

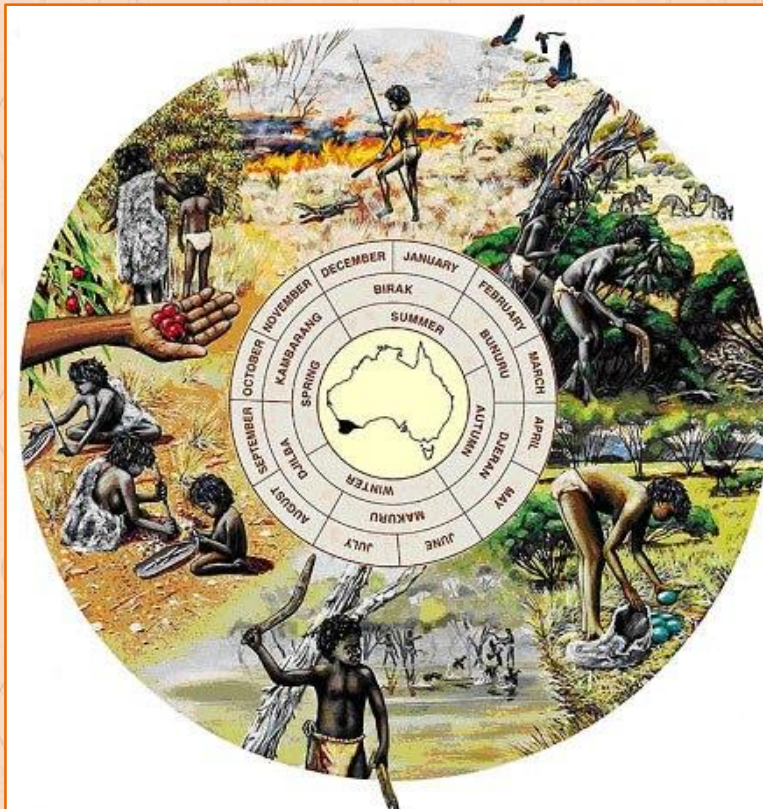

## ABORIGINAL GROUPS OF THE SOUTH WEST OF WESTERN AUSTRALIA

In South West WA, the Noongar seasonal calendar includes six different seasons in a yearly cycle. Each of the six seasons represents and explains the seasonal changes we see annually. The Noongar seasons can be long or short and are indicated by what is happening and changing around us rather than by dates on a calendar.

### The Noongar Seasons

- Birak (Dec-Jan): Dry and hot. Also known as Season of the Young.
- Bunuru (Feb-Mar): Hottest part of the year. Also known as Season of Adolescence.
- Djeran (Apr-May): Cooler weather begins. Also known as Season of Adulthood.
- Makuru (Jun-Jul): Coldest and wettest time of the year; more frequent gales and storms. Also known as Fertility Season.
- Djilba (Aug-Sept): Mixture of wet days with increasing number of clear, cold nights and pleasant warmer days. Also known as Season of Conception.
- Kambarang (Oct-Nov): Longer dry periods. Also known as Season of Birth.

Worldwide, 20,000 brands of beer are brewed in 180 styles, from ales, lagers, pilsner and stouts to bitters, cream ales and iced beers.

Beer has been a popular beverage for a long time. Babylonian clay tablets show detailed recipes of beer making in 4300 BC. Beer was also brewed by the ancient Chinese, Assyrians and Incas.

An Egyptian text of 1600 BC gives 100 medical prescriptions using beer. A few years ago, the Newcastle Brewery in England brewed 1,000 bottles Tutankhamun Ale from a 3,200-year old recipe found in the sun temple of Queen Nefertiti.

Commercial beer making was established in 1200 AD in what is now Germany. In 1506, the German Purity Law is issued, specifying that beer ingredients must only be water, barley, wheat and hops. Bottling of beer started in 1605.
