Club Anniversary:

Greetings to Everyone,

While PP Eric Blogg is currently holidaying in Melbourne with his family, yours truly will have the pleasure of producing the bulletin for this week and next. Will do my best to keep you all informed.

At the weekend a number of club members and respective family members participated in Relay for Life Kwinana at Calista Oval. This event is a major fundraiser for the Cancer Council. From 11am Saturday until 11am Sunday at least one member of our team had to be walking around the oval. Inevitably we all felt very stiff and sore toward the end, but the effort was well and truly worth it. A great pleasure to have some other club members coming down to cheer us on. Also a great pleasure to have our outgoing exchange student, Cyrus Vince, joining us for approximately one hour on Saturday. All of us have been affected by cancer in some way, either through personal experience or that of a loved one, and so it was a very worthy cause to support as a community group. Rodger Hamilton and Deanne Castelli, two much-loved members of our Rotary family sadly lost to cancer, were remembered during the Candlelight Ceremony held on Saturday evening. The weather remained fine throughout the event, which was a great relief given that the preceding Friday had been wet and windy. For myself, part of the activity involved emphasizing to my children the importance of thinking of others, and that giving up some time during school holidays to participate in Relay for Life was a relatively small thing in comparison to what people with cancer have to deal with.

Cheers, Genevieve

**PRESIDENT
2019-2020**

Wendy Cooper

President's Pen

7 October 2019

We were greeted by a lovely surprise tonight. A prospective member who walked in “off the street” to check us out. Thankyou, Veronica. We hope you will be back to join us frequently.

Thank you to Genevieve Carr who was the co-ordinator of the Rotary team walking in the Relay for Life. Surprisingly we are now fully recovered having clocked up many hours and kilometres between us.

Importantly Rotary was again profiled in the community as a valuable asset.

Week 1 of the month is Activity night and so with a small attendance given 7 were doing make-ups we set to solve Einstein's Puzzle, “Who owns the fish?”

President Wendy will be away next week. PP Bob Cooper will be acting as President in her place.

Some wise words from the great Gandhi ...

Your beliefs become your thoughts ...

Your thoughts become your words ...

Your words become your actions ...

Your actions become your habits ...

Your habits become your values ...

Your values become your destiny ...

President 2020/21

PE John Iriks

Non-spectators for Relay for Life

On 24 October 2019, World Polio Day, an event will be held at the WHO to mark the potential certification of eradication of wild poliovirus type 3. With no poliovirus type 3 detected anywhere in the world since 2012, the Global Commission for the Certification of Poliomyelitis Eradication (GCC) is anticipated to officially declare this strain as globally eradicated. The event will also be broadcast on the internet.

Summary of new viruses (AFP cases and ES positives) this week:
Pakistan— three WPV1 cases and 13 WPV1-positive environmental samples; the Democratic Republic of the Congo— three circulating vaccine-derived poliovirus type 2 (cVDPV2) cases; Central African Republic— four cVDPV2 cases and two cVDPV2 positive environmental samples; Philippines— three cVDPV2 positive environmental samples.

Report from Global Polio Eradication Initiative
