Bulletin

No 14 07 Oct. 2013

Ah well! Fremantle didn't win the 'Premiership Flag' no excuses, just hindsight and what might have been. Well done 'Hawthorn'

Wellard Village Markets coming up on Sunday 13th October, Bob and Wendy will be back from their overseas trip.

The new Wellard Community Centre will be open for us and the public to use their amenities instead of those awful porta-loos. Another attraction will be a 'Trackless Train' which will be running the kids around the block from 9am till 12 noon, should be a great morning. Weather forecast at this time is 'mostly sunny' fingers crossed.

Many of us will be travelling to Rockingham on Monday 14th to attend a joint meeting with the Rockingham clubs, (partners invited) meeting will be held at the Ocean Clipper Inn, 6pm for 6.30pm.

Festival Fair Day and free concert will be on Saturday 26th October. Our club will be running the 'Chocolate Wheel' as usual, Lorraine Lucas is coordinating this year so please let Lorraine know your availability to assist on the day and make the event a successful one for us.

The Four-Way Test

Of things we think, say or do.

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL?
and BETTER FRIENDSHIPS
4. Will it be BENEFICIAL to
all concerned?

07th October 2013

October is 'Vocational Services Month'

President James welcomed everyone to our meeting, members and guest speaker PDG Ian Murray who will be talking to us on Prostate Cancer.

Max, Greg and the team leave for East Timor on Monday 14th October and return on Wednesday 23rd October, we wish them all a safe and rewarding trip.

The Wellard Village Markets are on this Sunday 13th October.

Some members have specific jobs which they carry out every month, but all members are welcome to assist if they wish to do so, just come along and make yourself available.

The weather forecast is good for a change.

Right: President James with our guest speaker this week, PDG Ian Murray talking to us on Prostate Cancer, symptoms, diagnosis, treatment and support.

Look at things not as they are but as they can be

Guest Speaker PDG (9450 2006/07)
Prostate Cancer Foundation of Australia

Ian Murray OAM JP
Ambassador

Research
Awareness
Support

PDG Ian was introduced by President James.

Ian Murray is a former Secondary School Principal who has spent and still spends a great deal of his time as a volunteer.

While District Governor of Rotary District 9450 he set up a Prostate Awareness committee and was soon enlisted as a Men's Health Ambassador for the Prostate Cancer Foundation of Australia (PCFA).

Being a survivor he understands the need for early detection. He was trained by the PCFA and talks on early detection of Prostate Cancer and Treatment options.

Currently as well as his work for the PCFA Ian is an active JP, the State Coordinator for two National History Competitions for schools, a volunteer at Brightwater where he works with people suffering from all forms of dementia, is very active in Rotary at club and district level, the Grievance Officer for WA Swimming, has been a patron of a WA Police Recruitment Course and works in Teacher Education at Edith Cowan University and the University of WA.

To date Ian has done around 200 Men's Health presentations and is still very keen and enthusiastic about his presentations which have taken him all over Western Australia.

This very important message was presented by PDG Ian in a very informative, sensitive and humorous manner.

The most productive method of representing the presentation given so professionally by PDG Ian is to direct my readers to the PCFA website where you will find a very comprehensive detailed facsimile of Ian's message.

Working with partners

Rotary's relationship with the following partners opens the door for Rotarians to work with them directly:

- ShelterBox for disaster relief
- Global FoodBanking Network for hunger
- Dollywood Foundation's Imagination Library for literacy
- International Reading Association for literacy
- Goodwill Industries International for vocational training
- YSA (Youth Service America) for youth involvement

We work with our strategic partners to design packaged grants for large-scale, sustainable projects that support our areas of focus. To work with these partners, apply for a packaged grant.

- Aga Khan University supports health educators training and nursing scholarships
- Mercy Ships supports vocational training and medical service
- UNESCO-IHE Institute for Water Education supports water and sanitation scholarships

Indian philanthropist and businesswoman Rajashree Birla has announced a new gift of US\$1 million to Rotary to help eradicate polio. The gift brings her total contributions to the Rotary effort to more than \$7.2 million.

What's more, this gift will be matched two-for-one by the Bill & Melinda Gates Foundation, resulting in \$3 million in new funding for the Global Polio Eradication Initiative (GPEI). Rotary is a leading partner in the GPEI, especially in advocating government and donor support, fundraising, and building public awareness. Through the End Polio Now: Make History Today fundraising campaign, the Gates Foundation is matching two-for-one every new dollar Rotary commits to polio eradication, up to \$35 million per year, from 2013 through 2018.

"Mrs. Birla's generous gift is deeply appreciated and could not have come at a more opportune time in our fight to end polio once and for all," says Ashok Mahajan, a former Rotary Foundation trustee and close friend of the Birla family. "Her generosity no doubt will inspire other private donors to step up and help Rotary take full advantage of our innovative partnership with the Gates Foundation."

Birla's gift underscores India's commitment to remain polio free. India -- which some experts believed would be the last nation to beat polio -- hasn't recorded a case of the disease since January 2011. Only Nigeria, Pakistan, and Afghanistan remain on the list of countries where the wild poliovirus has never been stopped. India's nearly 3,200 Rotary clubs have been instrumental in supporting National Immunization Days, massive initiatives that reach nearly 175 million children under age 5 with the oral polio vaccine.
