Bulletin

No 14 31/10/2022

Rotary Club of Kwinana is 51 years' old 1971/2022

Most COVID casualties are now just about over it, although President James is still a little unwell.

Our guest speakers tonight, Albert Ha and Belinda Allen were from the new Costco Casuarina.

The Costco Kwinana warehouse is set to be the fourteenth warehouse in Australia and one of 817 warehouses world-wide.

Once open, December 2022, the warehouse will create over 250 full time and part time jobs and provide a welcome boost to the local economy.

Fronting up to Bunnings on Sunday morning for a sausage sizzle, one of our fund raising activities, thanks to a number of members giving up their Sunday to assist. Always a good profitable exercise, can never understand why they serve the sausage in a slice of bread on the east coast, must be to maximise profits as a slice of bread is much cheaper than a finger-bun. Apparently, WA is the only State to use buns, a directive from Bunnings WA HQ, the decision has at time sparked fierce debate with arguments supporting both sides. I still think it comes down to profits.

The Kwinana 16 days in WA

The 16 Days in WA campaign runs from 25 November (International Day for the Elimination of Violence Against Women) through to December 10 (Human Rights Day) each year.

The campaign takes its inspiration from the global 16 Days of Activism against Gender-Based Violence. This Community Awareness, Commemoration and Inaugural Silent March is scheduled for Wednesday 30th November.

The City of Kwinana are the lead organization for this special event, and they are seeking support with water station attendees across a 5km silent march and on closing a sausage sizzle to cater for dignitaries, community members and participants and other leading agency staff including City of Rockingham, WA Police, Lucy Saw Centre, and City of Kwinana staff, and several local schools.

I have spoken to Prue Penny from the City Council and said we would probably be interested in assisting on the day, subject to the City Council covering all our expenses. I had envisaged that we could work together with the Kwinana Lions but unfortunately, they will not be available on the day. I suggest we inform the City Council that we will only participate in the BBQ at the completion of the walk, with the City of Kwinana Council to cover all our costs.

Palm Beach Rotary Club

Palm Beach Rotary Club are asking our Club for volunteers to assist with the Channel 7 Rockingham Beach Cup on Sunday November 13th 2022. No specific duties at this time. A donation to our Club funds was mentioned.

"It's not the first time such targets have been offered. Blast from the Past 23rd October 2017
Hat Night

A new supermarket opened near my house. It has an automatic water mister to keep the produce fresh. Just before it goes on, you hear the sound of distant thunder and the smell of fresh rain. When you approach the milk cases, you hear cows mooing and experience the scent of fresh hay. When you approach the egg case, you hear hens cluck and cackle, and the air is filled with the pleasing aroma of bacon and eggs frying. The veggie department features the smell of fresh buttered corn. I don't buy toilet paper there any more.
