The Rotary Club of Kwinana

Rotary  **District 9423 Western Australia**
Chartered: 22 April 1971

President Bob

Bulletin

No 15 13/11/2023

Rotary Club of Kwinana is 52 years' old 1971/2023

Four guests tonight, guest speakers Claire and Belle Cardew from the Wellard Village People, Yeemane Meered, Friend-of Rotary and regular guest Othilie. Claire came along to talk about the recent 7 Day Makeover that took place in Wellard Village, Belle talked about her role together with local youth and the award she recently received.

Another very successful Kwinana Community Fair for 2023 held Saturday 11th November on Calista Oval, great turn-out, 150 stalls, adult and children's entertainment. Being the 11th November Remembrance Day was recognised at 11am, thank you PP Bevan Piper. Very good public response, improving each year. Good return for our club, reasonable profit this year, can only get better, we are learning more about what it takes to succeed year-by-year. It takes many months of preparation to put an event like this together, effort on the day is a culmination of work by the Fair Committee.

Congratulations and thank-you to everyone involved, great club effort. One thing that has become obvious is that as the fair gets bigger and better the more parking becomes a logistical issue, needing more people to manage the area available, one comment was, "work it with 2 people, we need 10 to make it work". People are people, even with ample parking across the road most still want to park on-site.

All the parking crew under Traffic Director Chris Oughton and Chris doing a top job. However, you confused some people who had military experience, who immediately about turned and faced South from the venue centre, stood to attention and saluted the Sar Major. When he shouted at me, I just thought I was at home!

The 'Crew' Recent Bunnings BBQ

Guest Speakers: Claire and Belle Cardew from the Wellard Village People.

You have a TOWN CENTRE that needs reinvigorating.

The traditional approach starts by creating a master plan, and then consulting the community. But this often gets bogged down in endless debate, or the report ends up on a shelf gathering dust, or if anything does happen, it can take years, and the result is often disappointing.

Our approach avoids all these pitfalls.

Our process

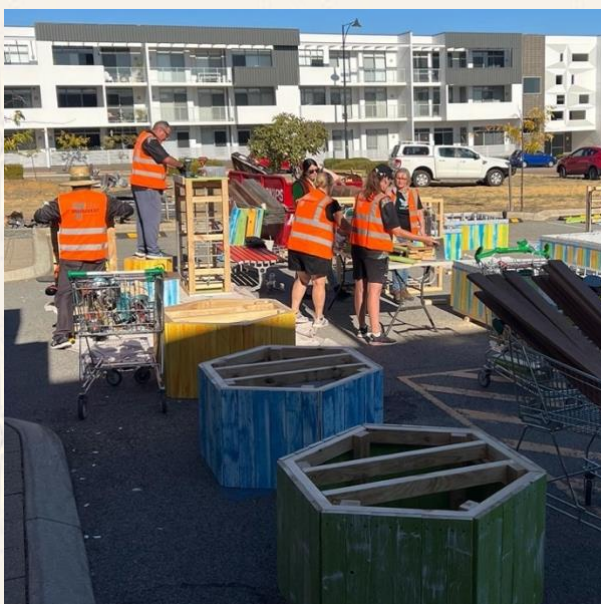

The total process, from when you sign a contract till the makeover is complete, is usually around 12 weeks.

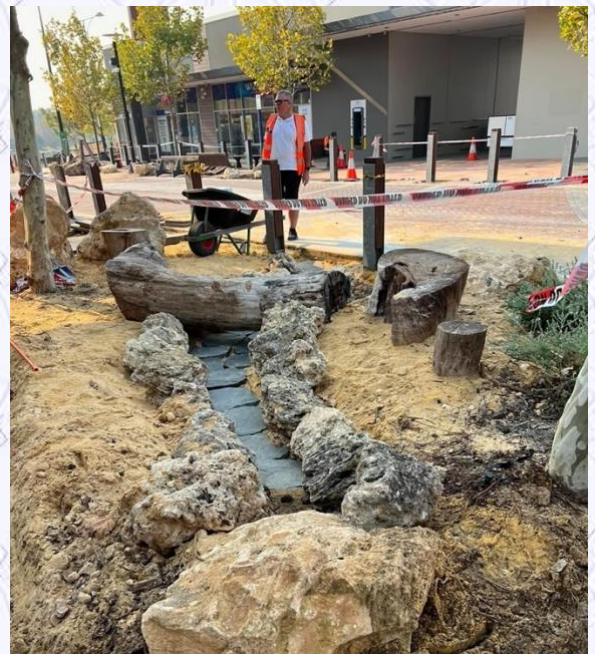

You are guaranteed a great TOWN CENTRE at the end of this time, not just a glossy report.

And the community, along with the businesses, will have participated intimately with the design and feel a deep sense of pride in what they have created.

After receiving six independent nominations, the decision to name Belle Cardew as the LYRIK Young Person of the Year was a unanimous decision by the assessment panel.

Mayor Carol Adams said Miss Cardew exemplified leadership and respect as a young person in Kwinana, through both her character and her actions.

“She is actively involved in her community including being a member of her school council for the second year running, and is part of the Kwinana Youth Advisory Council, as well as being involved with the Wellard Village People Town Team and a member of her school basketball team,” Mayor Adams said.

“Belle contributed to a monthly Gift and Take market over the summer in Wellard, assisted in the organization of the Clean Up Australia Day event and was a key player in the recent Wellard 7 Day Makeover project, clocking up 72 volunteering hours.

“People have said they find Belle’s ability to bring people together inspiring, she is a natural leader who is able to motivate others to get involved in community projects,” she said.

Polio this week

13th November 2023

“It may seem like simple work to collect two samples from people’s homes at least 24-48 hours apart. But it is actually a very complex task to do this while maintaining their right temperature until they are delivered to the Ministry of Public Health and Population in Sana’a,” – Dr Mohammed Sharafulddin, AFP surveillance coordinator in Al Mahawet governorate, Yemen. I'm just one step away from being rich, all I need now is money.

One day, I'm going to judge a spelling bee.

I'll ask one of the kids to spell the word "there."

When he asks for it in a sentence, I'll say...

"Their car is parked over there and they're late."
