The 2nd Annual Kwinana Community Fair was a great success with I would estimate drawing an attendance about 3 times that off last year with over 120 stalls both community and business orientated.

I believe the success was due to the effectiveness of the planning both by PDG John Iriks and the marketing knowledge and experience of our PR Director Kim Beciri, together with the committee they are to be congratulated. A huge thank you must also go to the club members, partners, and families who's contribution was invaluable.

Within hours of the closure John posted an email with a 'debrief' with suggestions and inviting feedback of how we can do even better next year.

Guest speaker tonight was Salvation Army Corps Officer Lieutenant Jodie Jones from the Kwinana Corps.

After our planned Sunday lunch date at Lavoro's was cancelled in October, Stephen has again booked for 40 at Lavoro's for Sunday 11th December for lunch.

Rotary Kwinana Fair

Our Club's Rotary Community Fair was a resounding success last Saturday. There are many members to thank for their contributions to the success on the day.

The traffic management team, which is so important, not only for the safety of the attendees but when it is done so well makes everyone arrive and leave with good feelings. A splendid job.

I apologise that my intentions of having shift changes did not happen.

I don't normally pick out particular people to thank but the success of the Fair would not have been possible without the management expertise of John Iriks, the massive time input and computer skills of Kim Beciri and a good bit of input from Bob Thompson.

We are very fortunate to have them in our Club.

Also, the furniture van and the IOR boat were good draw cards

Indian Ocean Row 23

Thank you to Genevieve who sold cards made by Cathy at the Indian Ocean Rowboat area at the fair.

Genevieve raised \$144.00, which was made up to \$150.00, which will go to the IOR23, from our Rotary Club, supporting the Perron Institute for research into Parkinson's Disease.

Seniors Week Expo

A big thank you to Bob T for representing our Club at the Seniors Expo in Medina Hall on Tuesday 8th of November.

Guest Speaker: Salvation Army Corps Officer Lieutenant Jodie Jones

Jodie is a minister in the Salvation Army

Jodie lived in Kwinana as a baby and again later when she attended Medina Primary School.

She played netball down by Thomas Oval, ran cross-country by Sloan's Reserve and spent many hours hiking and playing in the bush around Chalk Hill.

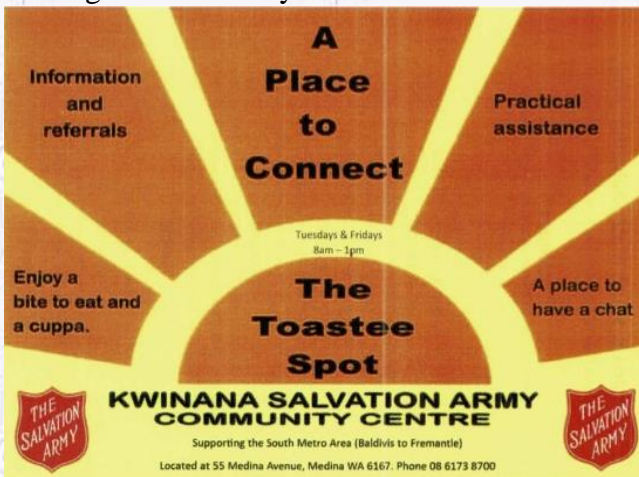

As a 10-year-old she and her friend started a car washing business around Medina.

It turned out that the corporate World wasn't for Jodie, as life threw some curve balls to her family and she discovered that bad things can happen to good people.

Thankfully she had some loving and caring people around her to show that you don't have to face difficult times alone

Jodie grew up to have a heart and real passion for other people who have had a difficult time and wanted to show the same hope and encouragement that tomorrow is another day and they don't have to face it alone.

Jodie and her husband Gavin, who is also an officer in the Salvation Army, mentored young people for 20 years as leaders within the scouting movement as Jodie says she had the incredible privilege of sharing life with many families over that time.

CONNECT: With other people, feel welcome and part of something.

ENJOY: A cuppa and a bite to eat at "The Toastee Spot."

When William Booth first offered the gospel and basic social services to London's underprivileged in the mid-1860s, he could not have conceived the global response to The Salvation Army.

In 1881 it was Captain and Mrs Thomas Sutherland who first brought the uniform to Australia.

Since then, we've grown to an organisation encompassing hundreds of Officers who reach tens of thousands of Australians every year.

And internationally we offer programs and services in more than 130 countries – bringing hope, assistance and compassion to the people who need it most.
